the authors Paperback & Kindle books. Eyecharts, Audio & Video lessons in the book chapters. William H. Bates discovered Natural Eyesight Improvement, 'The Bates Method'. He discovered the natural principles, normal function of the eyes (visual system) and applied natural methods, relaxation to return the eyes, eye muscles, nerves, mind/brain, body (entire visual system) to normal function with healthy eyes and clear vision. He cured; unclear close and distant vision, astigmatism, crossed, wandering eyes, cataracts, glaucoma, and other conditions. Natural Eyesight Improvement was practiced years before Dr. Bates discovered it. It is the normal, natural function of the eyes. Hidden from the public by eye surgeons, Optometrists, Optical businesses for over 100 years because this method works, is easy, anyone can learn, teach it, including children. It produces healthy eyes, clear vision and frees the patient from the need to purchase eyeglasses, drugs, unnecessary eye surgery. Yes, it can and has reversed cataracts! Dr. Bates worked his entire life treating people successfully with Natural Eyesight Improvement. When he cured the eyes, vision of many patients, medical students and other

doctors in the hospital where he worked with natural treatments, without use of eyeglasses, surgery, drugs and proved his method is fact, that some of the old theories of eye function are incorrect; the eye surgeons that preferred to sell eyeglasses, surgery, drugs became angry and expelled him. (See: 'Reason and Authority' & 'Dr. Bates Lecture' in Better Eyesight Magazine: November, 1919, April, 1923 & Articles in his book.) Dr. Bates then opened his own office, a Clinic in Harlem, New York City. He treated thousands of people by natural methods, including many of the poor people that had little money. He kept his price for medical treatment low and also provided no charge office visits 'Free Clinic Days' for people that could not afford to pay for a visit to an Ophthalmologist. His treatments were successful. He cured the young and old, people of all ages, nationalities, cured a variety of eye conditions. The Bates Method is so simple and effective that many of his cured patients, 'often children' then went on to cure their friends, family, parents, teachers and other children of defective vision including crossed, wandering eyes. Read the 'true story of the two little girls that restored a blind mans eyesight' in the Oct. 1925 Magazine Issue. Dr. Bates recorded 11 years of work in his clinic, his patients and their varied treatments in his Better Eyesight Magazines, Books and Medical Articles. Dr. Bates Better Eyesight Magazines contain many Natural Treatments, a variety of Activities, Directions, Articles describing how Dr. Bates, Emily Lierman Bates, (his Clinic assistant, wife) and other eye Doctors, School Teachers, Bates Method Students, Bates Teachers, Children and Parents used Natural Treatments to remove, correct, prevent many different eye problems. "HOW TO MAKE MONEY ONLINE" EBOOK CREATION FOR ENTREPRENEURS DO IT LIKE THE BIG DOGS!! When you hire for a writer for your ebook, what you are doing is enlisting the services of a ghostwriter. A ghostwriter is a writer who publishes under someone else's name, with the consent of both parties. (Its legal and writers are available to provide the service). The straightest route to ebook profits is in the nonfiction ebook market. Fiction is making a story; journalism is finding one. That's the big difference. When I am writing a book, I am usually dealing with events or ideas that have already arranged themselves in memory. With nonfiction, you need to find your prospective before time has arranged it. The trick is to write about something as if you've been thinking about it for 10 years. Larry Bussey resides in Las Vegas, Nevada. He's an expert on Internet Marketing and Ghostwriting. He has successfully pinned numerous books as a ghostwriter. Larry Bussey makes it his business to be aware of the latest developments in his field as a Pro Internet Marketer / Blogger / Social Media Marketer, Business Expert, Social Marketing Trainer and Consultant. Larry Bussey prides himself as being a thought leader in social media, who likes to inspire others to use new media to create positive change in their lives. Readers of his ebooks write from all over the globe to ask for marketing advice and to share their own success stories.
