The Light Princess Yale University Press
An "absorbing" biography of the playwright and Nobel laureate that "unflinchingly explores the darkness that dominated O'Neill's life" (Publishers Weekly). This extraordinary biography fully captures the intimacies of Eugene O'Neill's tumultuous life and the profound impact of his work on American drama, innovatively highlighting how the stories he told for the stage interweave with his actual life stories as well as the culture and history of his time. Much is new in this extensively researched book: connections between O'Neill's plays and his political and philosophical worldview; insights into his Irish American upbringing and lifelong torment over losing faith in God; his vital

role in African American cultural history; unpublished photographs, including a unique offstage picture of him with his lover Louise Bryant; new evidence of O'Neill's desire to become a novelist and what this reveals about his unique dramatic voice; and a startling revelation about the release of Long Day's Journey Into Night in defiance of his explicit instructions. This biography is also the first to discuss O'Neill's lost play Exorcism (a single copy of which was only recently recovered), a dramatization of his own suicide attempt. Written with both a lively informality and a scholar's strict accuracy, Eugene O'Neill: A Life in Four Acts is a biography worthy of America's foremost playwright. "Fast-paced, highly readable . . . building to a devastating last act." —Irish Times

A shockingly funny journey through five decades of birthdays, weddings and hen dos, with plenty of hilariously lewd dialogue - Chalet Lines asks if we can ever cut the apron strings that tie us to our parents. Butlins, Skegness, Chalet Number 12 - where the Walker women have been going on holiday since 1961. It's Nana Barbara's seventieth, but the celebrations are unravelling. Loretta's had too many cocktails, Jolene's fallen tits-over-teeth for a redcoat, Abigail's got more than knickers and hairspray in her suitcase, and the one guest that Barbara is waiting for, her daughter Paula, is more than overdue...

The First Man St. Martin's Griffin
Celebrated for their books on Eugene O'Neill and enjoying access to a trove of previously sealed archival material, the Gelbs deliver their final volume on the stormy life and brilliant oeuvre of this Nobel Prize-winning American playwright. This is a tour through both a magical moment in American theater and the troubled life of a genius. Not a peep show or a celebrity gossip fest, this book is a brilliant investigation of the emotional knots that ensnared one of our most important playwrights. Handsome, charming when he wanted to be: O'Neill was the flame women were drawn to—all, that is, except his mother, who never let him forget he was unwanted. By *Women Possessed* follows O'Neill through his great successes, the failures he was able to

shrug off, and the long eclipse, a twelve-year period in which, despite the Nobel, nothing he wrote was produced. But ahead lay his greatest achievements: *The Iceman Cometh* and *Long Day's Journey into Night*. Both were ahead of their time and both received lukewarm receptions. It wasn't until after his death that his widow, the keeper of the flame, began a fierce and successful campaign to restore his reputation. The result is that today, just over 125 years after his birth, O'Neill is a towering presence in the theater, his work—always in performance here and abroad—still electrifying audiences. Perhaps of equal importance, he is the acknowledged father of modern American theater, the man who paved the way for the likes of Arthur Miller, Tennessee Williams, Edward Albee, and a host of others. But, as Williams has said, at a cost: "O'Neill gave birth to the American theater and died for it."

The Iceman Cometh GRIN Verlag
Unashamedly autobiographical, this is a play which re-creates O'Neill's own painful family experiences. Set in 1912, the year of his own attempted suicide, it is an attempt to understand himself and those to whom he was irrevocably tied by fate and by love.

Now published for the first time as a trade paperback with a new introduction and the short story on which it was based. Williams wrote: "This is a play about love in its purest terms." It is also Williams's robust and persuasive plea for endurance and resistance in the face of human suffering. The earthy widow Maxine Faulk is proprietress of a rundown hotel at the edge of a Mexican cliff overlooking the Pacific Ocean where the defrocked Rev. Shannon, his tour group of ladies from a West Texas women's college, the self-described New England spinster Hannah Jelkes and her ninety-seven-year-old grandfather, Jonathan Coffin ("the world's oldest living and practicing poet"), a family of grotesque Nazi vacationers, and an iguana tied by its throat to the veranda, all find themselves assembled for a rainy and turbulent night. This is the first trade paperback edition of *The Night of the Iguana* and comes with an Introduction by award-winning playwright Doug Wright, the author's original Foreword, the short story "The Night of the Iguana" which was the germ for the play, plus an essay by noted Tennessee Williams scholar, Kenneth Holditch. "I'm tired of conducting services in praise and worship of a senile delinquent—yeah, that's what I said, I shouted! All your Western theologies, the

whole mythology of them, are based on the concept of God as a senile delinquent and, by God, I will not and cannot continue to conduct services in praise and worship of this...this...this angry, petulant old man." —The Rev. T. Lawrence Shannon, from *The Night of the Iguana*

Shortly after the debut of *Exorcism* in 1920, Eugene O'Neill suddenly canceled production and ordered all extant copies of the drama destroyed. For over ninety years, it was believed that the play was irrevocably lost, until it was recently discovered that O'Neill's second wife had in fact retained a copy, which she later gave to the prolific screenwriter and producer Philip Yordan. In early 2011, Yordan's widow discovered the typescript of *Exorcism*—complete with edits in O'Neill's own hand—in her late husband's vast trove of papers. The discovery and publication of *Exorcism*, a relatively early play in the O'Neill corpus, furthers our knowledge of O'Neill's dramatic development and reveals a pivotal point in the career of this great American playwright. Revolving around a suicide attempt, *Exorcism* draws on a dark incident in O'Neill's own life. This defining event led to his first serious efforts to write. *Exorcism* displays early examples of O'Neill's unparalleled skills of capturing deeply personal human drama, and it explores major themes—mourning and melancholia, addiction and sobriety, tensions between fathers and sons—that would permeate his later work. According to Yale University's Beinecke Rare Book and Manuscript Library curator Louise Bernard, who acquired the play from a New York bookseller, "Exorcism might be read as a preparatory sketch that resonates powerfully with *Long Day's Journey into Night*, one that brings the O'Neill family drama full circle in ways at once intimate and grandly conceived." *Hughie* New Directions Publishing
Tennessee Williams and William Inge today are recognized as two of the greatest American playwrights, whose work irrevocably altered the theatrical and social landscapes. In 1944, however, neither had achieved anything like genuine success. As flamboyant genius

Williams prepares for the world premiere of his play *The Gentleman Caller*—to become *The Glass Menagerie*—self-loathing Inge struggles through his job as a theater critic, denying his true wish to be writing plays. Based on real-life but closed-door encounters, reconstructed from troves of comments (and elisions) by each man about their relationship, Philip Dawkins gorgeously envisions what might have taken place during those early-career meetings.

In *Speaking Shakespeare*, Patsy Rodenburg tackles one of the most difficult acting jobs: speaking Shakespeare's words both as they were meant to be spoken and in an understandable and dramatic way. Rodenburg calls this "a simple manual to start the journey into the heart of Shakespeare," and that is what she gives us. With the same insight she displayed in *The Actor Speaks*, Rodenburg tackles the playing of all Shakespeare's characters. She uses dramatic resonance, breathing, and placement to show how an actor can bring Hamlet, Rosalind, Puck and other characters to life. This is one book every working actor must have.

Soon to be a limited Netflix series starring Zoe Saldana! This Reese Witherspoon Book Club Pick and *New York Times* bestseller is "a captivating story of love lost and found" (*Kirkus Reviews*) set in the lush Sicilian countryside, where one woman discovers the healing powers of food, family, and unexpected grace in her darkest hours. It was love at first sight

when actress Tembi met professional chef, Saro, on a street in Florence. There was just one problem: Saro's traditional Sicilian family did not approve of his marrying a black American woman. However, the couple, heartbroken but undeterred, forged on. They built a happy life in Los Angeles, with fulfilling careers, deep friendships, and the love of their lives: a baby girl they adopted at birth. Eventually, they reconciled with Saro's family just as he faced a formidable cancer that would consume all their dreams. From *Scratch* chronicles three summers Tembi spends in Sicily with her daughter, Zoela, as she begins to piece together a life without her husband in his tiny hometown hamlet of farmers. Where once Tembi was estranged from Saro's family, now she finds solace and nourishment—literally and spiritually—at her mother-in-law's table. In the Sicilian countryside, she discovers the healing gifts of simple fresh food, the embrace of a close knit community, and timeless traditions and wisdom that light a path forward. All along the way she reflects on her and Saro's romance—an incredible love story that leaps off the pages. In Sicily, it is said that every story begins with a marriage or a death—in Tembi Locke's case, it is both. "Locke's raw and heartfelt memoir will uplift readers suffering from the loss of their own loved ones" (*Publishers Weekly*), but her story is also about love, finding a home, and chasing flavor as an act of remembrance. *From Scratch* is for anyone who has dared to reach for big love, fought for what mattered most, and those who needed a powerful reminder that life is...delicious.

Seminar paper from the year 2007 in the subject American Studies - Literature, grade: 2,3, RWTH Aachen University (Institut für Anglistik), course: Modern American Drama, 9 entries in the bibliography, language: English, abstract: The two plays *Long Day's Journey into Night* by Eugene O'Neill and *A Streetcar Named Desire* by Tennessee Williams can be seen as two of the most successful and respected plays of American Modernism. Besides other similarities, both plays deal, more or less obviously with the consumption of alcohol and - in case of Mary Tyrone in *Long Day's Journey into Night* - drugs. This paper's matter is to find out what function drinking or the consumption of other drugs have for the characters of the two plays. This question could also be interesting looking at the authors: O'Neill's play has very many parallels to his own life and also Williams

admitted that he is to be found in the character of Blanche DuBois to a certain extend.
