Historical Dictionary of Fantasy

Literature Granada

Once upon a time all literature was fantasy, set in a mythical past when magic existed, animals talked, and the gods took an active hand in earthly affairs. As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present, fantasy was temporarily marginalized until the late 20th century, when it enjoyed a spectacular resurgence in every stratum of the

literary marketplace. Stableford provides an invaluable guide to this sequence of events and to the current state of the field. The chronology tracks the evolution of fantasy from the origins of literature to the 21st century. The introduction explains the nature of the impulses creating and shaping fantasy literature, the problems of its definition and the reasons for its changing historical fortunes. The dictionary includes cross-referenced entries on more than 700 authors, ranging across the entire historical spectrum, while more than 200 other entries describe the fantasy subgenres, key images in fantasy literature, technical terms used in fantasy criticism, and the intimately convoluted relationship between literary fantasies, scholarly fantasies, and lifestyle fantasies. The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature, through bibliographies and accounts of the fantasy literature of different nations, to individual author studies and useful websites.

"This Historical Dictionary of Fantasy Literature provides an invaluable guide to the current state of the field. The chronology tracks fantasy's evolution from the origins of literature until the 21st century. The introduction explains the nature of the impulse to create and shape fantasy literature, the problems in defining what it is, and the reasons for its changing historical fortunes. The dictionary includes more than 700 entries on authors, both contemporary and historical, and more than 200 entries on fantasy subgenres, key images in fantasy literature, technical terms used in fantasy criticism, and the intimately convoluted relationship between literary fantasies, scholarly fantasies, and lifestyle fantasies. *The Galactic Rejects* Scarecrow Press PUBLISHERS WEEKLY BEST BOOK OF THE YEAR In "one of the most sensitive, nuanced examinations of father and son relationships" (The Boston Globe), award-winning writer Chris Offutt struggles to understand his recently deceased father, based on his reading of the 400-plus novels his father—a well-known writer of pornography in the 1970s and 80s—left him in his will. Andrew Offutt was considered the "king of twentieth-century smut," with a writing career that began as a strategy to pay for his son's orthodontic needs and soon took on a life of its own, peaking during the 1970s when the commercial popularity of the erotic novel reached its height. With his dutiful wife serving as typist, Andrew wrote from their home in the Kentucky hills, locked away in an office no one dared intrude upon. In this fashion he wrote more than four hundred novels, including pirate porn, ghost porn, zombie porn, and secret agent porn. The more he wrote, the more intense his ambition became

and the more difficult it was for his children to be part of his world. Over the long summer of 2013, his son, Chris, returned to his hometown to help his now widowed mother move out of his childhood home. As he began to examine his father's manuscripts and memorabilia, journals, and letters, he realized he finally had an opportunity to gain insight into the difficult, mercurial, sometimes cruel man he'd loved and feared in equal measure. Only in his father's absence could he truly make sense of the man and his legacy. In *My Father, the Pornographer*, Offutt takes us on the journey with him, reading his father's prodigious literary output as both a critic and as a son seeking answers. He "enters the darkest and most mysterious of places—the cave of a monstrous enigma named Andrew J. Offutt—armed with nothing but his own restless curiosity. Spoiler alert: He makes it out alive, walking into the daylight to bring us a deeper, funnier, more tender and more heartbroken truth—and his masterpiece" (Michael Chabon).

The Bookseller Outskirts Press, Inc. George Scithers published AMRA, a leading sword and sorcery fanzine, beginning in 1959. The term "swords and sorcery" first appeared there, and AMRA became a leading proponent of the subgenre. Several of the articles originally published in AMRA were later re-printed as part of two volumes about Conan the Barbarian, which Scithers co-edited with L. Sprague de Camp. Contributors to the magazine included all the leading fantasists of the day: Poul Anderson, L. Sprague de Camp, Fritz Leiber, and many more. *An Illustrated A to Z* Simon and Schuster In response to the escalating need for up-to-date information on writers,

A Hugo Award-winning anthology with stories by Ursula K. Le Guin, Kurt Vonnegut, Dean Koontz, Thomas Disch, Ben Bova, and many more. Over the course of his legendary career, Harlan Ellison has defied—and sometimes defined—modern fantasy literature, all while refusing to allow any genre to claim him. A Grand Master of the Science Fiction Writers of America, winner of the Lifetime Achievement Award from the Horror Writers Association as well as winner of countless awards, including the Hugo, Nebula, Edgar Allan Poe, and Bram Stoker, Ellison is as unpredictable as he is unique, irrepressible as he is infuriating. Again, *Dangerous Visions* is the classic companion to the most essential science fiction anthology ever published, and includes forty-six original stories edited and with introductions by Harlan Ellison, featuring John Heidenry, Ross Rocklynne, Ursula K. Le Guin, Andrew J. Offutt, Gene Wolfe, Ray Nelson, Ray Bradbury, Chad Oliver, Edward Bryant, Kate Wilhelm, James B. Hemesath, Joanna Russ, Kurt Vonnegut, T. L. Sherred, K. M. O'Donnell (Barry N. Malzberg), H. H. Hollis, Bernard Wolfe, David Gerrold, Piers Anthony, Lee Hoffman, Gahan Wilson, Joan Bernott, Gregory Benford, Evelyn Lief, James Sallis, Josephine Saxton, Ken McCullough, David Kerr, Burt K. Filer, Richard Hill, Leonard Tushnet, Ben Bova, Dean Koontz, James Blish and Judith Ann Lawrence, A. Parra (y Figueredo), Thomas M. Disch, Richard A. Lupoff, M. Best New Horror combines dozens of the best and grisliest short stories of today. For twenty-five years this series has been published in the United Kingdom as The Mammoth Book of Best New Horror, and now comes to the US to delight and terrify thriller enthusiasts. This has been the world's leading annual anthology dedicated solely to showcasing the best in contemporary horror fiction. This newest volume offers outstanding new writing by masters of the genre, such as Joan Aiken, Peter Atkins, Ramsey Campbell, Christopher Fowler, Joe R. Lansdale, John Ajvide Lindqvist, Robert Silverberg, Michael Marshall Smith, Evangeline Walton, and many others! Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

The Season of the Serpent draws to a close in this imaginative and controversial spin on the Garden of Eden tale ... a metaphysical adventure set against the backdrop of the Cold War. In the fall of 1983, the super powers are thrust into an international crisis when

the Soviet Union shoots down a Korean airliner, and the United States invades the tiny island of Grenada - events manipulated by multi-dimensional forces. On the Astral plane, as a rift forms in the cosmic fabric, hostilities escalate between rival factions of immortals. An unwitting college sophomore is tempted with the forbidden knowledge of Good and Evil, triggering a countdown to nuclear war. Now a prisoner of war in the Realm of Yang?Ash, Paul Venturi must discover the mystery of his genesis to prevent an Apocalypse and save the future of humanity. From the angelic autocracy of Mount Tzion to the demonic underworld of Pandemonia, the action and revelations fly to a surprising finale. New enemies are made, unexpected alliances are revealed, and a Serpent seeks redemption. (Book Two of Two) *Season of the Serpent* Advent Pub Incorporated

This collection of the de Camps' work, singly and in collaboration with each other, was assembled in honor of their appearance as joint Guests of Honor at X-Con, June 1981 in Milwaukee. It is a selection of short stories, verse, non-fiction, and excerpts drawn from almost every facet of the de Camps' diverse writings--fantasy, science fiction, children's stories; poems fabulous, romantic, and pragmatic; notes on prehistory, the evolution of weaponry, and the development of imaginative fiction, the origins of engineering; of Atlantis, Conan, and magic. This literary feast includes several new pieces, such as Catherine's Should Your Child Read Science Fiction? Others range from The Coming of the Engineers (LSdeC) to Windfall (CCdeC) to Eudoric's Unicorn (LSdeC). Also included are extended introductory remarks about Sprague and

Catherine de Camp by Robert A. Heinlein, Lin Carter, Isaac Asimov, Poul Anderson, Andrew Offutt, Patricia Jackson, and George Scithers. The de Camps have passed on since this book was published, and Advent is proud to have it in print as a memorial to them both. With a color photograph of the de Camps as frontispiece, and black-and-white illustrations by C. H. Burnett.
