Questions and Answers About the Underground Railroad National Geographic Books

Frederick Douglass was born a slave in Maryland around February 1818. He escaped in 1838, but in each of the three accounts he wrote of his life he did not give any details of how he gained his freedom lest slaveholders use the information to prevent other slaves from escaping, and to prevent those who had helped him from being punished.

Harriet Tubman Penguin

Elizabeth Keckley's rise from slave to White House confidante details the cruel and terrible life for those in slavery, and the drive and determination of a woman who would not let others destroy her will.

She Came to Slay Random House Books for Young Readers

A New York Times Outstanding Book for young adult readers, this biography of the famed Underground Railroad abolitionist is a lesson in valor and justice. Born into slavery, Harriet Tubman knew the thirst for freedom. Inspired by rumors of an "underground railroad" that carried slaves to

liberation, she dreamed of escaping the nightmarish existence of the Southern plantations and choosing a life of her own making. But after she finally did escape, Tubman made a decision born of profound courage and moral conviction: to go back and help those she'd left behind. As an activist on the Underground Railroad, a series of safe houses running from South to North and eventually into Canada, Tubman delivered more than three hundred souls to freedom. She became an insidious threat to the Southern establishment—and a symbol of hope to slaves everywhere. In this "well-written and moving life of the 'Moses of her people'" (The Horn Book), an acclaimed author makes vivid and accessible the life of a national hero, soon to be immortalized on the twenty-dollar bill. This intimate portrait follows Tubman on her journey from bondage to freedom, from childhood to the frontlines of the abolition movement and even the Civil War. In addition to being named a New York Times Outstanding Book, Harriet Tubman: Conductor on the Underground Railroad was also selected as an American Library Association Notable Book.

Conductor on the Underground Railroad 37 Ink

When Harriet Tubman crossed the line to freedom in Pennsylvania, she left behind her home in Maryland, along with a life of enslavement. Her native land made Tubman the person she became to history: Underground Railroad conductor, Civil War scout and nurse, suffragist and advocate for the aged and disabled. Authors Phillip Hesser and Charlie Ewers explore the landscape of Tubman's life, from the slave quarters to the churches to the marshes and fields where she worked. Travel to nineteenth-century Dorchester County and search for the places that Harriet Tubman would never

know again--some of them now lost to sinking lands and rising waters.

[The Life and the Life Stories](#) Turtleback

Help students appreciate texts and write about them with conviction. Responding to a comprehension question is a surprisingly complex task. It draws on multiple skills: students must be able to read and analyze a text passage; consider what aspect of the text the question addresses; and then quickly and concisely write about their ideas, citing evidence to support them. Hence the prominence of constructed-response questions in standardized testing. In this refreshingly clear and upbeat guide, literacy consultant Nancy Boyles gives a step-by-step demonstration of how to help students achieve success with this task—and in the process of unpacking the steps involved, demonstrates how the instruction can inspire teachers’ creativity as well as deepen students’ literacy skills. Filled with ready-to-use scaffolds for every stage of instruction—sets of sample questions, anchor charts, cue cards, answer frames—this is a one-stop resource for teaching students how to organize their thoughts about what they’ve read, and then set them down in writing.

[Gateway to Freedom: The Hidden History of the Underground Railroad](#) John Wiley & Sons

A girl searches for the truth when two of her classmates are caught in the crosshairs of a murder mystery in this Edgar Award-winning novel from Willo Davis Roberts. Cici expected the summer to be special. She had no idea it would change her life forever. Two kids, two lives, ruined before they even began. One, a girl, dead—strangled in an empty cabin. The other, a boy, spending the rest of his life in jail for her murder. To Cici, it all seems so unreal. These were kids she had grown up with, whom she had known. She can’t believe Brody Shurik could have murdered Zoe Cyrek. Something’s going on here, and Cici’s going to find out exactly what it is. But Cici has an even harder time believing what she uncovers. Could the murderer really be someone close to her? Maybe even a member of her family? And if Cici’s on the right track, could she become the murderer’s target?

Learn about the inspiring life of Harriet Tubman in this early reader biography. This I Can Read book is an excellent choice to share in the classroom or at home. Harriet Tubman was a brave woman who was born enslaved in Maryland in the 1800s. After risking everything to escape from her slave master and be free, Harriet went on to lead many people to freedom on a journey known today as the Underground Railroad. This book covers some of the amazing aspects of Tubman’s life: She led 13 escapes—all successful and at great personal risk—between 1850 and 1860. This book also covers some of the lesser-known amazing aspects of her life: During the Civil War, Harriet Tubman enlisted African American men to be soldiers. She served as a spy and led a battle under the command of a Union Army colonel! Beginning readers will learn about the milestones in Harriet Tubman’s life in this Level Two I Can Read biography. This biography includes a timeline and historical illustrations all about the life of this inspiring figure, as well as a rare historical photograph of her. Much mythology and conflicting lore exists about Harriet Tubman. This book was carefully vetted by noted Harriet Tubman expert Dr. Kate Larson. Harriet Tubman: Freedom Fighter is a Level Two I Can Read, geared for kids who read on their own but still need a little help. Whether shared at home or in a classroom, the engaging stories, longer sentences, and language play of Level Two books are proven to help kids take their next steps toward reading success.

Reading Comprehension and Skills for third grade is designed to help students develop a strong foundation of reading basics so that they will become competent readers who can advance to more challenging texts. It includes engaging passages and stories about a variety of subjects to appeal to all readers. The book also encourages vocabulary development and reinforces reading comprehension through leveled activity pages that target each student’s individual needs for support. Kelley Wingate’s Reading Comprehension and Skills series is the perfect choice for both teachers and parents. This valuable reading and comprehension skills practice book provides nearly 100 reproducible pages of exciting activities, 96 durable flash cards, and a motivating award certificate. The differentiated activity pages give students the practice they need at a level that is perfect to help them master basic reading comprehension skills necessary to succeed and are great for use at both school and home.

[Twisted Summer](#) Carson-Dellosa Publishing

Teaches a basic note-taking process and gives specific source ideas and subject headings for a variety of topics. Grades 3-8.

[The Life and Times of Harriet Tubman](#) Simon and Schuster

Poems on Various Subjects, Religious and Moral (1773) is the first book of poetry published by an African American author. Written while Wheatley was a slave in Boston, the collection was published in England. Regarded for her mastery of classical poetic form, Phillis Wheatley earned praise from Voltaire and George Washington. Poems on Various Subjects, Religious and Moral has long been the subject of scholarly work on the history of African American literature, with some critics arguing that Wheatley’s poems proved detrimental to the struggle of enslaved African Americans. Whether Wheatley made excuses for slavery or, as some have argued, included subtle critiques of the institution in her writing, her talent and importance to the history of African American literature remain undisputed. Despite her status as a slave, Phillis Wheatley seems to have viewed herself as a blessed individual, a woman for whom life itself was a sign of God’s grace, and in whom talent arose in the form of a foreign language. Many of her poems—elegies, odes, and monologues—are aimed at others. Whether in mourning, in praise, or in warning, Wheatley frequently offers her own voice to university students, royalty, God, the muses, and deceased infants. When she does offer glimpses of herself, for instance, in her poem “On Being Brought from Africa to America,” she provides a complex perspective on her status as a slave: “’Twas mercy brought me from my Pagan land, / Taught my benighted soul to understand / That there’s a God, that there’s a Saviour too.” While her words may seem strange to our modern view of the American institution of slavery, they provide an important historical lens onto the adoption of Christianity by African American slaves, who developed a faith grounded in resistance, hope, and redemption. With a beautifully designed cover and professionally typeset manuscript, this edition of Phillis Wheatley’s Poems on Various Subjects, Religious and Moral is a classic of African American literature reimagined for modern readers.

The categories includes missions, animals, landmarks, flag facts, ancestors, politics, settlers, statehood, trivia, first, potpourri and more.

[Sermons and Speeches](#) Lerner Publishing Group

In the bestselling tradition of The Notorious RBG comes a lively, informative, and illustrated tribute to one of the most exceptional women in American history—Harriet Tubman—a heroine whose fearlessness and activism still resonates today. Harriet Tubman is best known as one of the most famous conductors on the Underground Railroad. As a leading abolitionist, her bravery and selflessness has inspired generations in the continuing struggle for civil rights. Now, National Book Award nominee Erica Armstrong Dunbar presents a fresh take on this American icon blending traditional biography, illustrations, photos, and engaging sidebars that illuminate the life of Tubman as never before. Not only did Tubman help liberate hundreds of slaves, she was the first woman to lead an armed expedition during the Civil War, worked as a spy for the Union Army, was a fierce suffragist, and was an advocate for the aged. She Came to Slay reveals the many complexities and varied accomplishments of one of our nation’s true heroes and offers an accessible and modern interpretation of Tubman’s life that is both informative and engaging. Filled with rare outtakes of commentary, an expansive timeline of Tubman’s life, photos (both new and those in public domain), commissioned illustrations, and sections including “Harriet By the Numbers” (number of times she went back down south, approximately how many people she rescued, the bounty on her head) and “Harriet’s Homies” (those who supported her over the years), She Came to Slay is a stunning and powerful mix of pop culture and scholarship and proves that Harriet Tubman is well deserving of her permanent place in our nation’s history.

In this kids’ biography, discover the inspiring story of Harriet Tubman, a fearless activist and abolitionist who helped free many slaves. Born into slavery in c.1820, Harriet Tubman would later run away and help scores of other African American slaves escape to freedom in the North using the “Underground Railroad.” A nurse, scout, and advisor during the American Civil War, Harriet co-led the Combahee River Raid, in which 700 slaves were liberated. After the war, Harriet became involved in women’s suffrage, or the right to vote, and opened a retirement home for sick and elderly African Americans. In this biography book for 8-11 year olds, learn all about Harriet Tubman’s fascinating life, the hardships she endured, her visions, the people she helped and rescued, the battles she fought, and how this American icon of justice and strength continues to inspire so many people today. This new biography series from DK goes beyond the basic facts to tell the true life stories of history’s most interesting people. Full-color photographs and hand-drawn illustrations complement thoughtfully written, age-appropriate text to create an engaging book children will enjoy reading. Definition boxes, information sidebars, maps, inspiring quotes, and other nonfiction text features add depth, and a handy reference section at the back makes this the one biography series every teacher and librarian will want to collect. Each book also includes an author’s introduction letter, a glossary, and an index.

A biography of Harriet Tubman written in verse, in which poem and watercolor come together to honor a woman of humble origins whose courage and compassion make her larger than life.

[My Escape from Slavery](#) W. W. Norton & Company

The Underground Railroad was a system of people who wanted to help Southern slaves escape to the free North or Canada in secret. Between 40,000 and 100,000 people escaped to freedom thanks to the Underground Railroad. Readers are presented with a wealth of primary sources, including

photographs, personal accounts, literature from the time, and pre-Civil War legislation pertaining to slavery. Readers will have a chance to reach their own conclusions based on facts they find in the primary sources. Sidebars provide readers with supplementary information about the difficult route slaves traveled to reach freedom and encourage readers to continue asking questions about primary sources about the Underground Railroad.
