Life-Changing Bible Verses Every Woman Should Know

Moody Publishers

Many Christians spend a lifetime trying to figure out God's will for their lives: What career should I choose? Where should I live? Whom should I marry? God has told us his will for our lives: to be

"conformed to the image of His Son" (Romans 8:29). Paul explains: We are to put off the old self and put on the new self "created to be like God in true righteous and holiness" (Ephesians 4:24). We cannot become more Christ-like in our own strength, though. Paul says the key is a renewed mind: "to be made new in the attitudes of your minds" (Ephesians 4:23). We exchange our patterns of thinking with God's Word. We fill our mind with Scripture, and slowly, we are transformed. Learning to think like Jesus helps us to act like Jesus. This is where Bible memorization comes in. We need to get God's Word into our heads and into our

hearts. When I feel resentful and unforgiving toward my friend who betrayed me and am tempted to end our relationship, I replace my thoughts and hurt feelings with Hebrews 13:1: "Keep on loving each other as brothers." When I start to worry about my upcoming surgery or my children's college fund, I remind myself, "We live by faith, not by sight" (2 Corinthians 5:7). God's Word is living, active, and powerful. Having these verses in my mind and heart helps me to choose new Christ-like behavior. Here are fifty-two short Bible verses: Memorize one verse a week. Meditate on it daily. By the end of the year, you will see the transformative power of God's Word in renewing your mind and changing your behavior. As you are increasingly conformed to the image of Jesus, you will have the privilege of reflecting his love to the world.

Life-Changing Verses, Volume 3, is not your typical devotional book. It attempts to answer the question, "What is a Real Christian?" Its objective is to enable Christians to apply specific Bible verses to their personal lives. At the same time, you will learn more about your Bible and receive an in-depth discussion of the verses selected. Life-Changing Verses is a tough Christian book that encourages a stronger life with God. It is highly probable that you will be greatly challenged with each of the Life-Changing Verses. This book guarantees that you will become familiar with God's story as you read the Bible. Specific verses have already been used in Bible-study groups to generate discussion about relevant topics. "This is a great book to have with you when you have a few minutes. It reduces some of your favorite verses into bite-sized chunks that you can absorb. Your

life would be better if you took five minutes to read one chapter a day." —Josh Hunt, Author Teach Like Jesus; Good Questions Have Small Groups Talking; Disciple-Making Teachers
365 Inspiring Bible Verses to Change Your Life Christian Faith Publishing, Inc.

Increasingly we hear stories from those who claim that they have spoken with the dead and have learned that bliss awaits everyone who "arrives on the other side." At death's door, some people claim to see visions, deceased relatives, or a flash of light. This eBooklet attempts to answer some basic questions: What should be our attitude toward death? Can we accept the experience of others as a valid basis for anticipating what will await us when we die? Is there an intermediate state prior to heaven or hell? Dr. Lutzer takes the data of both the Old and the New Testament to show that only through God's revelation can we be sure what awaits those who die. For many people, death is but a doorway into the glories of heaven; for others, it will be a frightening disappointment.

Coming to Grips with God's Discipline of the Believer

With America's confidence in the Bible at an all-time low and the strength of her spiritual convictions waning, it is essential for Christians—especially Christian leaders—to be well-grounded in biblical theology. To have a clear and comprehensive understanding of the key doctrines of evangelicalism. In response, professor and award-winning author Bruce Demarest has made plain God's glorious plan of salvation, his provision for the human dilemma through Christ's work on the cross, and the application of saving grace to unbelievers. Demarest's unique

approach defines each topic, identifies its most pressing issues, examines the ways in which the doctrine has been understood historically, and interprets the Bible's revelation. The result is a clear and carefully constructed doctrinal statement that you can defend, live out, and communicate to others. This singular, comprehensive treatment of one of Christianity's essential doctrines gives definitive, Bible-based answers about salvation and the cross—and about related theological issues such as grace and regeneration. It's perfect for clarifying your theology and gaining deep understanding of this foundational theme. Part of the Foundations of Evangelical Theology series.

Out of your heart flow your words and actions. Change your heart, and you'll change your life. According to best-selling author Dr. Gary Smalley, nobody has to live by the destructive subtle lies or believe the distortions of truth this world holds out to us. There are steps, strategies, and beliefs people can bring to their lives to either totally transform them or quietly improve them-and it all starts with hiding God's Word in their hearts. Hiding God's Word in his heart radically changed the life of Smalley himself, and he is seeing it revolutionize the lives of people around him as well--from lust, materialism, selfishness, anger, stress, overeating, anxiety, and guilt, just to name a few. No matter a person's age, experiences, or previous patterns, this book will guide readers to the whys and hows of orchestrating their beliefs to forever change their lives and relationships.

Can I lose my salvation if I commit a serious sin? Is it wrong to doubt my salvation, and what should I do if I doubt? Dr. Lutzer takes many scriptural teachings and siphons them into clear, cohesive truths. The result is a concise, accessible book about how to be saved and be sure you are saved. It is straight gospel—applicable to the skeptic, newly saved, and long-time believer alike.

More than any other teaching in the Bible, hell seems to be the most difficult to accept. Many think the whole idea is ludicrous. They mock it with images of a mischievous horned devil who may be nasty but is ultimately harmless. Others are uncomfortable with, even embarrassed by—the thought that a loving God could sentence someone to eternal suffering. So many false notions of hell cloud our thinking. It's time to dig into Scripture to separate

fact from fiction. Erwin Lutzer compares the teachings of several religions against the truth of Scripture. His detailed look at the realities of hell paints a chilling picture of the fate awaiting those who reject Christ. Ignoring hell will not make it go away. Coming to grips with it will give you a renewed appreciation for your salvation and a deeper desire to lead others to the Savior.
