### A Marked Novel Penguin

A succubus must balance a burgeoning romance as she fights to save a co-worker's soul in this urban fantasy from a #1 New York Times–bestselling author. Love hurts, and no one knows it better than Georgina Kincaid. If she so much as kisses Seth Mortensen, the shy, sexy writer she's been dating, she'll drain his life force. Admittedly, the shapeshifting and immortality perks of a succubus are terrific, but it's completely unfair that a she-demon whose purpose is seduction can't get down with the one mortal who accepts her for who she is... It's not just her personal life that's in chaos. Doug, Georgina's co-worker at a local bookstore, has been exhibiting bizarre behavior, and Georgina suspects something far more demonic than double espressos. She could use an assist from Bastien, an irresistibly charming incubus and her best immortal friend, but he's giving Georgina some highly distracting come-hither vibes. Georgina is going to have to work solo on this one-and fast, because soon, Doug's life won't be the only one on the line... Praise for Richelle Mead and her Succubus
