## CUNNINGHAM CORTEZ

[Falling for the Ex](#) Simon and Schuster

This novel of high romance set against the background of the War of 1812 moves on wings, from Annapolis to Bermuda to London and back to Washington, zigzagging across the ocean as the British and Americans fight out the war against the impressments of Americans. The heroine is an irresistible and fiery little 18-year-old American patriot and the handsome English hero is involved in espionage for Wellington. Mrs. Speas does the history part very well right down to the burning of Washington... Recommended for its high romance and its history value. - Library Journal Review

**An Enemy Novel** Clever Capybara Press

The Pleasure of the Kill They strike without warning out of the interstellar depths, their only communication a burst of static--and then death. They are called the Remor, and they kill for the pure joy of killing. The brave fighting men and women of the Interstellar Defense League eagerly take up the call to arms against the Remor and their grinders--monstrous war machines that leave a trail of death and desolation in their wake. But to win, the League warriors must get inside the machines--and the mind of their foe. Who--or what--is this mysterious enemy? Where do they come from? And why are they determined to destroy humankind? Mere courage won't uncover the Remor's secrets. Something else is needed. Something that can only be found in the untamed spirit of a renegade who long ago "went native" with the most primitive species in the known universe...

**Enemies With Benefits** Independently Published

Are you my enemy? Am I yours? Violent stories surround us. Brutal beginnings, horror-filled middles, despair-inducing endings. We need better stories: stories forged in the furnace of conflict, narratives that kindle compassion and ignite hope. In the pages of *I Am Not Your Enemy*, writer Michael T. McRay visits divided regions of the world and interviews activists, peacebuilders, former combatants about their personal stories of conflict, justice, and reconciliation. In Israel and Palestine, Northern Ireland, and South Africa, he hears from grieving parents who partner together across enemy lines, a woman who meets her father's killer, and a man who uses theater to counter the oppression of his people, and many more. In a time of heightened alienation and fear, McRay offers true, sacred stories of reconciliation and justice, asking what they can teach us about our own divided states. Must violence be met with violence? Is my belonging complete only when I take away yours? Will more guns, more walls, more weapons keep us safe? We need stories that cultivate empathy and tell the truth. We need stories to save us from our fear.

[The Love of Enemy and Nonretaliation in the New Testament](#) Baker Books

Family Book 1 of 2 Lovers to Enemies Enemies to... The rivalry runs strong and fuels the burning chemistry between Sebastian and Blake in this late-summer romance where they have two options. Quick and hard or not at all. He put me on edge before he even cruised into town with his cowboy hat, devil-may-care grin, and Southern drawl. Partly because I couldn't help viewing him as a threat. He was my best friend's brother--and maybe more importantly, the uncle of Teddy, a special kid who'd been the light of my life for years. Teddy couldn't be more excited about his uncle visiting. Me...not so much. No matter how intensely the chemistry sizzled between us when we met, no matter how much my chest seized up at the sight of him, no matter how easily he drew me in. He could return to his closet in Georgia for all I cared, preferably before I lost my ever-loving mind and had to wage war against the man who somehow got under my skin. This story takes place in Cara Dee's Camassia Cove Universe, a fictional town where all books stand on their own, unless otherwise stated, and the reader can jump in wherever they want.

[The Enemy of Magic](#) Self Taught Ninja

Everything has been downhill since Zoey Trask's mother was murdered in a random mugging. Her younger brother, Ben, is on the autistic spectrum and needs constant supervision. It's senior year,

and she's the new girl at a weird private school in Old Town Alexandria, VA, full of kids who seem too nice to be true—including a very cute boy named Pete. Aside from half-forgotten martial arts and survivalist skills that her widowed father insisted on teaching her (because that is excellent for her social life), Zoey has nothing to offer Pete or anyone else. Then Dad is kidnapped. Zoey suddenly finds herself sole caretaker of a younger brother she barely understands. Worse, Ben seems to hold the key to their father's disappearance in his Dream Diary, a bizarre journal of names and places Ben claims that their mother shares from beyond the grave. And as if Zoey doesn't have enough on her plate, there's Pete, who stubbornly refuses to leave her side. Relying on the skills she never wanted to learn—Dad might have had his reasons after all—Zoey is plunged into a lethal battle to rescue her father, protect her brother, and determine the identity of her family's true enemy.

**My Friend the Enemy** Multnomah

People who say keep your enemies closer never took a road trip with a guy who hated their guts. A month ago, my identity as Dr. Love was a secret. A month ago, I thought I was getting engaged. A month ago, I wasn't stuck with the guy who hates me most in the world. Now... if I don't make nice with my #1 hater, I might lose my book deal. Without that, I'm not sure what I have left. But when I'm forced on a publicity tour with everyone's favorite guy, the guy who says I ruined his relationship, I didn't know how low I could go. At every stop, I get roasted and he gets more revered. You would think after a while, I would hate him too. And you would be very, very wrong... *Falling for Your Enemy* is a laugh-out-loud, heartwarming romcom with an epic road trip, a grumpy-sunshine romance, and a happy ending to end all happy endings for this five-book series. The Love Clichés books are closed door romcoms with plenty of sizzle.

[Face of the Enemy](#) Dell Publishing Company

"A retreat leader and speaker teaches women to recognize and overcome self-defeating behavior and begin living out their purpose in God's kingdom. Includes study questions for small groups"--*A Jack Reacher Novel* Createspace Independent Publishing Platform

Roselyn Bell's new stepfather comes from a world where money was never-ending. But along with the money came a loneliness she never expected. Well, that is, until she met Liam McCellan and Deke Marlow. Liam McCellan had a life where everything was handed to you on a silver platter; money, cars, drugs, girls...you name it, he could get it. Life was easy until Roselyn Bell changed the game.

**From Death to Life** Scholastic Inc.

Peter feels compelled to help a wounded German pilot, but he doesn't want to be a traitor--especially not to his father, who is off fighting the Nazis. A moving story about the moral dilemmas of war. Summer 1941: For Peter, the war is a long way away, being fought by his father and thousands of other British soldiers against the faceless threat of Nazism. But war comes frighteningly close to home one night when a German jet is shot down over the neighboring woods. With his feisty new friend Kim, Peter rushes to the crash site to see if there's anything he can salvage. What he finds instead is a German airman. The enemy. Seriously wounded and in need of aid...Continuing in the tradition of thought-provoking literature about the Second World War, Dan Smith's MY FRIEND THE ENEMY is a thrilling adventure that also personalizes the moral dilemmas faced by the children left behind on the home front.

[My Enemy, My Love](#) Penguin

"You've been served, ma'am." As if being called 'ma'am' isn't bad enough. Turns out, my cheating ex is suing me for custody of our daughter. This means war. I may have stayed mostly rational while the jerk dipped his wick all over the county, but now I'm going full mama bear on his hide. Don't mistake the filtered mom-of-a-toddler speak for meekness because son of a biscuit, I'm aiming to straight-up knee the man in his twig and berries. Fancy lawyer, private detective, you name it, I'm doing it. But then my other ex, Nash, my first crush (first everything, really) who I have a decade-long love-hate relationship with, gives me the idea for the craziest solution of all... \* \* \* Did I really

just agree to what I think I did? With the one human who can drive me crazier than anyone ever has, and likely ever will? The mother of undoubtedly the cutest toddler ever? The woman whose prick of an ex-husband makes me want to aim my service weapon at his head? Yes. Yes, I did. And that's how we end up tying the knot at the courthouse. I know this all started as an albeit convoluted way to help Aria keep custody of her kid. But when the lines start blurring and playing pretend house becomes something I don't ever want to give up, I know playtime is over. Now it's time I convince my prickly bride to start falling in love with me (again). Previously titled Married to the Enemy. Same swoony, feel-good story, just with a fresh title and cover makeover. The Bliss River Series - Falling for the Fling (Lark & Mason) - Falling for the Ex (Aria & Nash) - Falling for the Bad Boy (Melody & Nick)

**I'm Not Your Enemy** Chronicle Books

In "Out of the Enemy's Camp", Kyla invites her readers into the dark places of her mind. She reveals her struggles with gender confusion, rejection and abuse and how shame took root and caused her to run away from God. Kyla's identity was consumed by her life as a homosexual. The conflict of growing up in a Christian home and living a life that was contrary to the Christian belief, caused her to develop unhealthy coping mechanisms that led to addiction. She was angry at God because she believed He gave her the wrong identity. Kyla played the role of a male, and looked to women, alcohol and drugs in attempts to fill the void in her heart. October 7, 2017, she came face to face with her redeemer. God met Kyla in her darkness and shined His everlasting light. He spoke to her three phrases. "I'm not ashamed of you. I love you. I have more for you." This book is Kyla's journey to victory.

**Hers to Love** Dafina

The instant Wall Street Journal, USA Today, and international bestseller "While the history books are filled with tales of obsessive visionary geniuses who remade the world in their image with sheer, almost irrational force, I've found that history is also made by individuals who fought their egos at every turn, who eschewed the spotlight, and who put their higher goals above their desire for recognition." —from the prologue Many of us insist the main impediment to a full, successful life is the outside world. In fact, the most common enemy lies within: our ego. Early in our careers, it impedes learning and the cultivation of talent. With success, it can blind us to our faults and sow future problems. In failure, it magnifies each blow and makes recovery more difficult. At every stage, ego holds us back. *Ego Is the Enemy* draws on a vast array of stories and examples, from literature to philosophy to history. We meet fascinating figures such as George Marshall, Jackie Robinson, Katharine Graham, Bill Belichick, and Eleanor Roosevelt, who all reached the highest levels of power and success by conquering their own egos. Their strategies and tactics can be ours as well. In an era that glorifies social media, reality TV, and other forms of shameless self-promotion, the battle against ego must be fought on many fronts. Armed with the lessons in this book, as Holiday writes, "you will be less invested in the story you tell about your own specialness, and as a result, you will be liberated to accomplish the world-changing work you've set out to achieve."

**Beloved Enemy** Independently Published

"There are only two kinds of people who can tell you the truth about yourself. An enemy who has lost his temper and a friend who loves you dearly."-- Antisthenes, 445-365 B.C. Forever is the first part of the two-book *Your Enemy, Your Friend* series. It is about the relationship that you have with your life-partner today, despite aiming for something a little different all those years ago. This is not a romance novel or an erotic escapade, and may not be easily digestible at times. It is neither safe nor is it politically symmetrical, but that is exactly how it must be - if it is going to make a difference. *Your Enemy, Your Friend - Forever*, is an impetuous and unashamed departure from conventional belief frameworks, insubstantial value systems and counter-productive behavioural doctrines that systematically rob us of the two things most of us are constantly trying to acquire: Personal happiness & Relationship Madness. Unfortunately, most of us remain buried under deeply engrained, artificial, erroneous, and even obsolete 'way of being' constraints that covertly prevent us from ever obtaining those goals and will continue to do so until we can see them for what they really are. But, to see them we must shift our perspective - and for most of us that does not occur easily. It will require a firm nudge in our awareness by way of a compelling jolt that provokes us into action. That is exactly what this book *Forever and the Your Enemy, Your Friend* series - actually are; a compelling jolt consisting of thought provoking behavioural insights that expose antiquated 'way of life' notions and frameworks so that you can see them. What you do with that information is then entirely up to you. Personal happiness and relationship madness are just around the corner; but to acquire these precious commodities: We must unlearn who we think we are - so

that we can relearn who we can become.

**My Love, My Enemy** MennoMedia, Inc.

This is a novel about my experience in Vietnam, historically accurate, written from the Vietnamese viewpoint

**An Enemies to Lovers** High School Romance Sourcebooks, Inc.

Young. Wealthy. Elite. Ruthless. The boys of Clermont Bay ruled over this town as if it was their kingdom. And Beck Clermont controlled them all. He was arrogant and conceited, and from the moment I met him, he had made up his mind about me. Dangerously handsome and wickedly cruel, he had no intention of letting me spend my senior year under the radar. The secrets of old money ran deep, and even though I barely knew them, the sins of my family had put a target on my back. He was a hurricane, and I was unprepared for the storm. His touch fatal. His impact irreparable. There was no negotiation. He stole my heart. Without warning, without permission. He was the enemy, but that didn't stop me from falling for The Touch of a Villain. This book is part of a series and is not a standalone.

**Stories to Transform a Divided World** Top Shelf Productions

I don't love him. I don't even like him. I just want him. Eli Loveless was my nemesis from the first day of kindergarten until we graduated high school. Everything I did, he had to do better - and vice versa. The day he left town was the best day of my life. Ten years later, the day he came back was the worst. Now he's my co-worker. Grown-up Eli Loveless is sexy as sin. He's hotter than asphalt in the summer. The irritating kid I once knew is gone, and he's been replaced by a man with green eyes, perfect abs, and a cocky smile. It's bad that I want him. It's worse that he wants me back. There are looks. There are smirks. There are smiles that make my panties burst into flame. And then there's a shared kiss that leads to the hottest night of my life. This is no office romance. This is a five-alarm fire. What's a girl to do when the man I can't stand is the one I can't stop lusting after? Enter into a friends-with-benefits agreement, of course. No dates. No relationship. Just blisteringly hot sex, because if there's one person I could never fall for, it's Eli. ...right?

**Love Your Enemy** Little, Brown Books for Young Readers

Family Book 2 of 2 *Lovers to Enemies* Enemies to... The line between love and hate has never been so thin, and Blake and Sebastian return in this sequel with bottled-up hurt that somehow just brings them even closer. Sebastian was right. I was a coward. I ran my closeted tail all the way back to Georgia. Once I got there, I had no place left to hide. My life imploded. But when I was welcome nowhere, I still had to go somewhere. I could barely look my sister in the eye, facing Sebastian didn't even exist on my radar, and I was prepared for my brother-in-law's protective hostility. I just didn't have a choice. For once in my life, I wanted redemption. I wanted to belong somewhere, and I was ready to work for it. Sebastian was the exception-hard no. I might have screwed up royally, but he wasn't so damn innocent. He'd hurt me too, and he better not push me. In fact, it was best we avoided each other altogether. So it didn't make a lick of sense for me to seek him out to provoke a reaction. This story takes place in Cara Dee's Camassia Cove Universe, a fictional town where all books stand on their own, unless otherwise stated, and the reader can jump in wherever they want.

**Facing the Enemy** Createspace Indie Pub Platform

Octavia is intent on finding out the truth behind the video Jason showed her, and she won't let anyone stop her. But when her brother Tony goes missing, the prime suspect in his disappearance is Sebastian Viteri, who is back in town and wishes to run his late brother's business. Facing a new dangerous and devious enemy, Octavia will have to seek help from an unexpected ally and race against time to save those she loves. This is the third and final installment in the three-book *Loving Your Enemy* series. Reading order: HERS TO TAKE (Book 1) HERS TO SAVE (Book 2) HERS TO LOVE (Book 3)

**Save the Enemy** Scholastic Inc.

The sickness infected everyone sixteen and over, and no one escaped its terror. Now kids all over London are forming allegiances and battling grown-ups in order to survive. But who is a friend and who is an enemy?

**With the Enemy (Tomorrow Girls #3)** Delacorte Press

Emerson Andrews has been through hell. From her father's emotional and physical abuse, to the murder of her mother by the hands of the same man. So, an elite prep school full of the 1%? No sweat. Ramsey Reed feared no man. Only 18 years old, and the entire town danced to his malicious tune. So, when Emerson Andrews comes to town, she's just another sheep joining his flock. Or so he thought.
