This book is about how to become a professional system administrator. The profession is about more than knowing obscure options to different commands. The Practice of System and Network Administration: Prac ... Sati or suttee is a largely historical practice found chiefly among Hindus in the northern and pre-modern regions of South Asia, in which a widow sacrifices herself by sitting atop her deceased husband's funeral pyre. The extent to which sati was practised in history is not known with clarity. However, during the early modern Mughal period, it was notably associated with elite Hindu Rajput clans in western India, marking one of the points of divergence between

Rajput culture and Islamic Mughal cSati (practice) - Wikipedia  
 Ritual servitude is a practice in Ghana, Togo, and Benin where traditional religious shrines (popularly called fetish shrines in Ghana) take human beings, usually young virgin girls, in payment for services, or in religious atonement for alleged misdeeds of a family member. Ritual servitude - Wikipedia  
 In fact, this system reflects the two main approaches to meditation found in virtually all Buddhist schools: samatha ('calming') and vipassana ('insight'), plus Just Sitting, which in a sense isn't a practice at all but is simply allowing whatever happens to happen, in awareness.
