NICOLE DESHAWN

Horizontal Vertigo Jessica Hawkins

The classic work on the evaluation of city form. What does the city's form actually mean to the people who live there? What can the city planner do to make the city's image more vivid and memorable to the city dweller? To answer these questions, Mr. Lynch, supported by studies of Los Angeles, Boston, and Jersey City, formulates a new criterion—imageability—and shows its potential value as a guide for the building and rebuilding of cities. The wide scope of this study leads to an original and vital method for the evaluation of city form. The architect, the planner, and certainly the city dweller will all want to read this book.

[Come Together](#) University of Chicago Press

Andrew Beckwith has already devoted his life to one girl—and as far as he's concerned, she's all he needs. The rough-around-the-edges bad boy left his reckless ways behind six years ago when his daughter Bell was born. To the female population's dismay, he's unapologetically single. When Bell's mother walked out on them years ago, he vowed never to let another woman close enough to hurt them again. Amelia Van Ecken isn't just another woman. She's an independent, smart, and savvy businesswoman who doesn't have time for sex, much less love. In the midst of a drawn-out, bitter divorce, all she wants is to bury herself in work. But when sharp-tongued Amelia and stubborn Andrew cross paths, sparks fly—and burn. Two things are obvious in an instant: they want each other, and they're from different worlds. It's the perfect formula for an off-the-charts one-night stand. After all, it's not as if opposites ever attract. *The First Taste* is a standalone, dual-POV spin-off of Amazon bestselling romance, *Slip of the Tongue*. It's not necessary to read them in order, however, it's recommended to avoid spoilers.

The Image of the City Reaktion Books

The devil has a name, and it's Cristiano de la Rosa. On my wedding day, he was the last man I expected to see standing at the altar. He wants to make me his queen. His brother wants to rescue his princess. Getting Cristiano to lose control becomes the name of the game, and the stakes are life and death. But as truth and lies blur, loyalty is tested, and our chemistry threatens to reach the melting point, the prize grows less clear. Either freedom no longer means what I think it does, or Cristiano is as devious as everyone says, and he's mastered the art of playing my mind. All I know for certain is that nothing is certain. And all you need to know? This is a love story. But even love stories have to end. Book two in the completed, USA Today bestselling White Monarch series: *Violent Delights* (1) *Violent Ends* (2) *Violent Triumphs* (3)

[Violent Ends](#) Kinshaw Press

From award-winning journalist David Kushner, a regular contributor to *Rolling Stone*, *The New Yorker*, and *Vanity Fair*, *Alligator Candy* is “a raw story about courage, survival, and most certainly about love” (*Tampa Bay Times*). David Kushner grew up in the suburbs of Florida in the early 1970s, running wild with his friends, exploring, riding bikes, and disappearing into the nearby woods for hours at a time. One morning in 1973, however, everything changed when David's older brother Jon took a short bike trip to the local convenience store. He never returned. *Alligator Candy* is the story of Jon's murder at the hands of two sadistic drifters, and everything that happened after. Jon's death was one of the first in what turned out to be a rash of child abductions and murders that dominated headlines for much of the 1970s and 80s. It was around this time that milk cartons began to feature the images of missing children, and newscasters began asking, “It's 10:00, do you know where you children are?” *Alligator Candy* chronicles Jon's story, but also tells how parenting in America has changed, casting light on the transition between two generations of children—one raised on freedom, the other on fear. “Parents today can understand the love, hope, and fear Kushner so eloquently describes in this account of one family's transcendent courage in the face of

crushing pain” (Bookpage, “Top Ten Book of the Month”). *Alligator Candy* is a disturbing, insightful, and inspiring meditation on grief, growth, and what childhood has become: “not only a memorial to a brother tragically deprived of his right to live; but also a meditation on the courage necessary to live freely in a world riven by pain, suffering, and evil” (*Kirkus Reviews*).

Slip of the Tongue *Come Alive* Cityscape Affair, 2 Book two in the Cityscape Affair series from USA Today Bestselling author Jessica Hawkins Determined to move on with her life, Olivia Germaine has vowed to forget the enigmatic and irresistible David Dylan. Struggling to keep her head above water, she focuses on her new promotion and refuses to drown in the memory of their night together. But when Olivia realizes what life without David means, she must decide if she's willing to risk everything for him...and if she's ready to reopen the wounds of her past. Olivia knows she should forget her feelings for David and move forward with her marriage. If only David would stay away like he promised...*Come Alive*

Hone your drawing skills and your eye for design by learning to draw in black and white. Working with only positive and negative lines and shapes keeps the focus on the basics: composition, balance, and harmony. And using white and black gel, ink, and paint pens on black, tan, and gray papers allows you to experience drawing in a whole new way! *Drawing in Black & White* is a clever drawing and design book that contains 36 inspiring exercises, a gallery of artwork, and 16 black, gray, and tan sheets for drawing, doodling, and experimenting. You'll find lessons on drawing, pattern drawing, drawing with cut paper, and simple collage. Learn to see your drawings a new way by drawing in black and white!

Tokyo Before Tokyo *Open Road + Grove/Atlantic*

“This is the best slow-burn romance I have ever read.”—*New York Times* bestselling author, Penelope Ward If I closed my eyes, I could still see them—all blonde sunshine, ocean-blue eyes, and long limbs. The glint of Lake's gold bracelet. Pink cotton candy on Tiffany's tongue. My scenery may have changed from heaven to hell, but some things never would: my struggle to do right by both sisters. To let Lake soar. To lift Tiffany up. The sacrifices I made for them, I made willingly. A better man would've walked away by now, but I never claimed to be any good. I only promised myself I'd keep enough distance. If I'd learned one thing from my past, it was that love came in different forms. You could love passionately, hurt deep, die young. Or you could provide the kind of firm, steady support someone else could lean on. Lake was everything I wanted, and nothing I could ever have. I was nobody before I knew her and a criminal after. The way to love her was to let her shine—even if it would be for somebody else. Book two in a completed, USA TODAY bestselling love saga.

Power and Magic in the Shogun's City of Edo Simon and Schuster

Now in paperback, after five hardcover printings, Tommy James's wild and entertaining true story of his career—part rock & roll fairytale, part valentine to a bygone era, and part mob epic—that “reads like a music-industry version of *Goodfellas*” (*The Denver Post*). Everyone knows the hits: “Hanky Panky,” “Mony Mony,” “I Think We're Alone Now,” “Crimson and Clover,” “Crystal Blue Persuasion.” All of these songs, which epitomize great pop music of the late 1960s, are now widely used in television and film and have been covered by a diverse group of artists from Billy Idol to Tiffany to R.E.M. Just as compelling as the music itself is the life Tommy James lived while making it. James tells the incredible story, revealing his complex and sometimes terrifying relationship with Roulette Records and Morris Levy, the legendary Godfather of the music business. *Me, the Mob, and the Music* is a fascinating portrait of this swaggering, wildly creative era of rock 'n' roll, when the hits kept coming and payola and the strong-arm tactics of the Mob were the norm, and what it was like, for better or worse, to be in the middle of it.

Rebirth Harper Collins

Book two in the Cityscape Affair series from USA Today Bestselling author Jessica Hawkins Determined to move on with her life, Olivia Germaine has vowed to forget the enigmatic and irresistible David Dylan. Struggling to keep her head above water, she focuses on her new promotion and refuses to drown in the memory of their night together. But when Olivia realizes what life without David means, she must decide if she's willing to risk everything for him...and if she's ready to reopen the wounds of her past. Olivia knows she should forget her feelings for David and move forward with her marriage. If only David would stay away like he promised...

Cityscape Affair, 3 Joe DeMarco Thrillers (Paperba

Book three in the Cityscape Affair series from USA Today Bestselling author Jessica Hawkins With a single decision, Olivia Germaine's fantasy has become a reality. Now, she's faced with two commitments-one she must make, and one she must break. But in order to accept a love she never thought possible, Olivia will have to let go of the broken past that defines her...and of deeply rooted fears that could ruin everything. Everything is what David Dylan wants to give her, and it's what he demands in return. He'll do anything to prove to Olivia that despite his playboy ways, he's worth leaving behind the stable future her husband can offer her. But even though he's a man who always gets what he wants...this time, David may be fighting for something unattainable.

Lake + Manning Jessica Hawkins

"Far-ranging and deeply researched, *Urban Forests* reveals the beauty and significance of the trees around us." —Elizabeth Kolbert, Pulitzer Prize-winning author of *The Sixth Extinction* "Jonnes extols the many contributions that trees make to city life and celebrates the men and women who stood up for America's city trees over the past two centuries. . . . An authoritative account." —Gerard Helferich, *The Wall Street Journal* "We all know that trees can make streets look prettier. But in her new book *Urban Forests*, Jill Jonnes explains how they make them safer as well." —Sara Begley, *Time Magazine* A celebration of urban trees and the Americans—presidents, plant explorers, visionaries, citizen activists, scientists, nurserymen, and tree nerds—whose arboreal passions have shaped and ornamented the nation's cities, from Jefferson's day to the present As nature's largest and longest-lived creations, trees play an extraordinarily important role in our cities; they are living landmarks that define space, cool the air, soothe our psyches, and connect us to nature and our past. Today, four-fifths of Americans live in or near urban areas, surrounded by millions of trees of hundreds of different species. Despite their ubiquity and familiarity, most of us take trees for granted and know little of their fascinating natural history or remarkable civic virtues. Jill Jonnes's *Urban Forests* tells the captivating stories of the founding mothers and fathers of urban forestry, in addition to those arboreal advocates presently using the latest technologies to illuminate the value of trees to public health and to our urban infrastructure. The book examines such questions as the character of American urban forests and the effect that tree-rich landscaping might have on commerce, crime, and human well-being. For amateur botanists, urbanists, environmentalists, and policymakers, *Urban Forests* will be a revelation of one of the greatest, most productive, and most beautiful of our natural resources.

The Breaking Light Routledge

The final book in the *Something in the Way* series, a love saga. Now a USA Today and Google Play bestseller. Manning and I have what happily-ever-after is made of . . . A home he built us on the unshakeable foundation we fought for. A life of laughter carved out of heartache and betrayal. A love story to stand the test of time. But between a trust that can't be broken, joy that can't be bridled, and passion that would scorch the sun, the empty spaces are becoming more and more difficult to ignore . . . Fears that keep Manning up at night as he slips from our bed. Our complicated relationship with a man he respects and one I don't know how to forgive. And a sprawling, beautiful home with one small room I'm afraid I'll never be able to fill. Manning and I have what happily-ever-after is made of . . . but I'll beg the heavens for just one thing more.

Right Where I Want You Univ of California Press

Join our pyjama clad hero as he leaves his bedroom to see the sights of New York at night time.

Dodge the traffic, be dazzled by the lights on Broadway and take in the dizzying heights of the Big Apple's skyline.

A Novel Jessica Hawkins

FinnNo matter how cruel it's been in the past, I've never been able to flip fate the bird. I'm a romantic at heart. So when fate drops a leather-bound journal at my feet, I know I should walk away. I don't. I pick her up, bend her spine, spread her pages. From the first word, I'm a goner. The owner didn't give me access to her most intimate desires, but I devour them anyway. Her private darkness, her candid, explicit poetry—it all goes down like warm milk. And from that point forward, I drink, eat, and sleep her. HalstonI went to his apartment and let him take my picture. Just once, to see how it would feel. I'm not his to look at, to inspire, to touch, but when he watches me through his lens, it gives me a high I don't want to come down from... My journal is the one place I can be myself--as long as I can tie it up and put it away when I'm finished. But when Finn undoes the bow, he pulls strings that could unravel each of us.

Explicitly Yours Amazon Children's Publishing

Ever since the story of his transformation from homeless, single and struggling father to millionaire became known the world over, Chris Gardner --whose life story both inspired the movie *The Pursuit of Happyness* and became a #1 New York Times bestseller by the same name--has been inundated with two questions: "How Did You Do It" and "How Can I Do It Too?" Gardner's power-packed, transformational reply is the basis of this long-anticipated book. As a departure from standard self-

help tomes that promise overnight riches and exclusive secrets for success, Gardner avoids any tilt toward magical thinking by staying with real issues and solutions impacting individuals in all walks of life. If you've had the rug pulled out from under you, or have been dealing with the loss of a home, a job, a health or financial crisis, or simply can't find the motivation to pursue new challenges, *Start Where You Are* abounds with life lessons that offer hope and provide a road map for starting anew. This is also the book for anyone ready to launch a personal, professional undertaking, or break generational cycles that hem in their potential. Taking stock of his own credos, including "The Cavalry Ain't Coming," "Find Your Button," and "Seek the Furthest Star"-- Gardner's 44 life lessons are earthy, soulful, and always accessible. With an array of stories from the author's own life, as well as from those he has known or admired, both famous and not, *Start Where You Are* has arrived just in time to embolden and encourage all of us, even in our era of great global change, reminding us of the infinite resources we already have in our collective pursuit of happiness, and spurring us on in only one direction - forward!

Life Lessons in Getting from Where You Are to Where You Want to Be Jessica Hawkins

At once intimate and wide-ranging, and as enthralling, surprising, and vivid as the place itself, this is a uniquely eye-opening tour of one of the great metropolises of the world, and its largest Spanish-speaking city. *Horizontal Vertigo*: The title refers to the fear of ever-impending earthquakes that led Mexicans to build their capital city outward rather than upward. With the perspicacity of a keenly observant flaneur, Juan Villoro wanders through Mexico City seemingly without a plan, describing people, places, and things while brilliantly drawing connections among them. In so doing he reveals, in all its multitudinous glory, the vicissitudes and triumphs of the city 's cultural, political, and social history: from indigenous antiquity to the Aztec period, from the Spanish conquest to Mexico City today—one of the world's leading cultural and financial centers. In this deeply iconoclastic book, Villoro organizes his text around a recurring series of topics: "Living in the City," "City Characters," "Shocks," "Crossings," and "Ceremonies." What he achieves, miraculously, is a stunning, intriguingly coherent meditation on Mexico City's genius loci, its spirit of place.

A City Called Mexico Jessica Hawkins

In the de la Rosa family, old grudges run deeper than loyalty, and betrayal is a three-letter word: war. But this feud isn't between enemies. It's between brothers. And I'm the prize. I was born a princess among criminals. An untouchable among thieves. Heiress to a life others have killed for, and one I'm prepared to trade for my freedom. I vowed not to leave without Diego, my first love and best friend, but if his ruthless brother has his way, I won't leave at all. Cristiano de la Rosa is a man as big and bold as his legend. Once upon a time, he was our cartel's best soldier . . . until he became my family's worst enemy. A man like Cristiano will bend fate to his will to get what he wants. Even if it means dragging me to hell-and tearing me from his brother's arms. "She is mine." Three words from two different men. A life, future, and love I don't get to choose.

Mexican Los Angeles from the Great Migration to the Great Depression CreateSpace

Sadie Hunt isn't perfect-but her husband is. Nathan Hunt has her coffee waiting every morning. He holds her hand until the last second. He worships the Manhattan sidewalk she walks on. Until one day, he just...stops. And Sadie finds herself in the last place she ever expected to be. Lonely in her marriage. When rugged and sexy Finn Cohen moves in to the apartment across the hall, he and Sadie share an immediate spark. Finn reveals dreams for a different life. Sadie wants to save her marriage. Their secrets should keep them apart, not ignite a blistering affair. But while Sadie's marriage runs colder by the day, she and Finn burn hotter. Her husband doesn't want her anymore. The man next door would give up everything to have her. "Slip of the Tongue is a standalone forbidden romance. A Please note it contains adultery themes that may be triggers for some people."

The True Story of a Daughter Of 9/11 Jessica Hawkins

The "heartstopping" conclusion to the USA Today bestselling *White Monarch* series. I've become a queen to the forsaken, a leader to thieves, and the wife of a man who instills fear in all who cross his path. He was the husband I didn't want. Now, I can't fathom life without my king. I should've been ready for anything. Like the caterpillar that feeds on poison during metamorphosis, I was raised in the dangerous world of cartel crime. But nothing could've prepared me for Cristiano de la Rosa, his brother's poison, or the Calavera cartel. This is still a story about a love strong enough to topple households, unite enemies, and divide brothers. Resilient enough to bring down those who would try to destroy it . . . and selfless enough to make the ultimate sacrifice. But I was warned, and so were you. Death's day always comes. This time, it will find what was once a caterpillar is now a butterfly—and hell hath no fury like the *White Monarch*.

Machines Like Me Neurotica Books LLC.

Olivia Germaine has already found love. Devoted wife, loyal friend, determined career woman—she's created the life she always envisioned...until she locks eyes with a handsome stranger across a crowded room. David Dylan—alleged playboy and Chicago's most eligible bachelor—awakens a passion in Olivia she buried long ago. He'll do anything to prove to her that despite his playboy ways, he's worth leaving behind the stable future her husband can offer her. But in order to accept a love she never thought possible, with a man who could be her soul mate, Olivia will have to let go of deeply rooted fears that could ruin everything. Everything is what David wants to give her, and it's what he demands in return. But even though he's a man who always gets what he wants...this time, David may be fighting for something unattainable. The *Cityscape Affair* series box set includes three full-length novels: *Come Undone*, *Come Alive*, and *Come Together*.
