CAREY BRADSHAW

The Zombie Combat Manual Aquarius

Experience the zombie apocalypse with this illustrated survivor's journal full of chilling tales of terror. The year is 2012, and what starts as a pervasive and inexplicable illness ends up as a zombie infestation that devastates the world's population. Taking the form of a biologist's illustrated journal found in the aftermath of the attack, this pulse-pounding, suspenseful tale of zombie apocalypse follows the narrator as he flees from city to countryside and heads north to Canada, where he hopes the undead will be slowed by the colder climate. Encountering scattered humans and scores of the infected along the way, he fills his notebook with graphic drawings of the zombies and careful observations of their behavior, along with terrifying tales of survival that will keep readers on the edge of their seats right up to the very end. Praise for Zombies "Influenced by Richard Matheson's I Am Legend, Zombies is a genuinely chilling and logical look at a zombie invasion. The matter-of-fact descriptions of the symptoms and effects, coupled with the detailed drawings of both victims and scenarios make it a creepy read A tremendous addition to any zombie book collection."

—Sfcrowsnest

Surviving the Zombie Outbreak CreateSpace

"Outbreak: Undead is a Zombie Survival Simulation RPG that is not only fun, but an essential step in surviving the Undead. This book provides the most dramatic, effective, and above all realistic means in which to (safely) simulate the events of a zombie uprising and try your chances at survival!"--Cover.

SEAL Survival Guide Xlibris Corporation

Zombies hate clowns. They also hate hippies, not to mention zip lines, penguins, moon penguins, nudists, weddings, sharing, and

kittens. They really hate unicorns, strangely don't mind Canadians, and love YOU. Each of Greg Stones's ghoulishly colorful paintings reveal funny and unexpected scenes of zombie disgruntlement, cataloging the stuff that really riles up the walking dead (astronauts, rain, bagpipes, re-gifting, and more) with wit, humor, and, of course, brains. Zombies Hate Stuff offers an unexpected and irresistible perspective on the zombie apocalypse and the pop culture phenomenon that will not die.

Tallinn Manual 2.0 on the International Law Applicable to Cyber Operations Penguin

Think and act like a Navy SEAL, and you can survive anything.

The world is a dangerous place. You can live scared-or be prepared.

The Art of Eating Through the Zombie Apocalypse Chronicle Books
Former Ranger Jack Smith watched an Army bio-warfare experiment go horribly wrong in an Afghan village in 2001, escaping only after he turned to a makeshift mace and bayonet to destroy the skulls of the infected creatures that bullets to the chest could not stop. With the traumatic experience seared into his mind, he earned his Ph.D. in ancient history and began developing medieval weapons-making skills after he left the service. When the virus broke free from the Hindu-Kush Mountains a decade later and rapidly spread across the globe, Jack knew how to fight the monsters created by the infection: 21st century technology combined with deadly medieval tactics and weaponry. Jack and his former squad-mates lead a resistance against a zombie apocalypse in a crusade to ensure humanity's survival.

The Walking Dead: The Pop-Up Book BenBella Books, Inc.

The Zombie Combat Manual is a comprehensive guide that demonstrates how anyone, from seasoned fighter to average citizen, can become an effective warrior in the inevitable battle against the undead. With detailed illustrations and firsthand accounts from zombie combat veterans, this manual provides readers with the information they need to emerge victoriously

from a close combat encounter with a walking corpse. Now is the time to learn how to survive a hand-to-hand battle against the advancing army of the undead-before humans fall prey to their growing ranks.

Restless Heart Del Rey

Sequel to the thrilling zombie novel PLAGUE TOWN. Ashley Parker was a ordinary woman who was also a "wild card," immune to the emerging zombie plague, drawn unwillingly into a shadowy paramilitary organization. Having been ambushed in San Francisco, which is now fully engulfed in the zombie plague, Ashley and the wild cards must pursue the enemy to San Diego. There they will discover a dark organization which seeks to weaponize the plague. But that isn't the worst news. The plague itself has gone airborne, making it transferable without physical contact. It cannot be controlled by anyone, so reports of the zombie swarm are coming in from across the United States - and across the world.

Destroy All Zombies Penguin

Dark humor about those who have removed themselves from the gene pool. An original and irreverent compendium of accidental deaths caused by astonishing stupidity, embarrassing irony and/or really bad luck, in the tradition of The Darwin Awards.
Can You Survive the Zombie Apocalypse? Simon and Schuster
FM 999-4 Counter-Zombie Operations: Squad and Platoon is the standard to which all Zombie combat manuals and doctrine are measured. The FM 999 series of manuals are the first of its kind - a Zombie combat manual written by professionals. After reviewing a number of Zombie "survival" literature, it was obvious that there was no Zombie combat manual that was suitable for the military or paramilitary groups. The Zombie Combat Command was founded, and Counter-Zombie doctrine was born. FM 999-4 is not a survival manual. It will not cover subjects such as how to make fire, shelter, etc. Other manuals which cover this material already exist. FM 999-4 covers combat with squad and platoon sized units against the undead. At this, it is second to none. No

book shelf is ever complete without a copy of FM 999-4. FM 999-4 Contains:- Crucial intelligence on the nature of Zombies and the disease.- Phases of Counter-Zombie Operations.- Tactics with full diagrams.- Weather and Climate.- Civilian Considerations.- Battle Drills.- Equipment/Weapons.- Decontamination.Etc.It provides the full spectrum of information required to conduct effective Counter-Zombie Operations.

U.S. Army Zombie Combat Skills Skyhorse Publishing Inc.

An account of the decade-long conflict between humankind and hordes of the predatory undead is told from the perspective of dozens of survivors who describe in their own words the epic human battle for survival, in a novel that is the basis for the June 2013 film starring Brad Pitt. Reissue. Movie Tie-In.

Zombies: A Record of the Year of Infection Quirk Books

FM 999-3 is the first ever Zombie combat manual written by qualified professionals. FM 999-3 covers the basic knowledge required of every four man team operating in a Zombie infested environment. The Army Zombie Combat Command and the Army Zombie Combat School were established in 2010 as an answer to the growing fears of a Zombie infestation, commonly referred to as a Zombie apocalypse. The Army has often received criticism for preparing to fight the last war and the Zombie Combat Command and the Zombie Combat School were established to break this multi-generational habit. The Command and the School represent the new Army of forward thinking officers and enlisted men who work tirelessly to counter a threat that has yet to emerge. The Zombies' hopes of a successful campaign to exterminate the human species is fully dependent on its ability to hit the population with thunderclap surprise. Both the Command and the School will provide the Army and its soldiers the ability to deny the enemy this advantage and defeat them in tomorrow's battlefield.- Commandant, United States Army Zombie Combat School

The Zombie Survival Guide Harper Collins

When a zombie is taken prisoner by the Army, it need not be uselessly destroyed. In fact, just as our Army trains dogs for combat roles, it has a program to train the captured Undead for combat roles. No zombie that our Army can capture will go unutilized. This is our Army's "No Zombie Left Behind" policy. The manual in your hands is the Department of Defense's principal source of information on care, conditioning, training, and

operations of our Army's Working Zombies - such as Blech!, the brave zombie who served in a capacity similar to that of his canine comrade Cairo in the raid that killed Bin Laden. From basics, such as "HEEL" and "STAY" to negotiating obstacle courses, to tracking, searching, attacking, and even zombies working undercover in the real world, this manual shows readers how our military trains zombies to be soldier zombies. Illustrations depict the dos and don'ts of zombie care, training, and operations. Contents include: * Zombie-Veterinary Training Priorities * Principles of Conditioning and Behavior Modification * Patrol Zombie Training * Clear Signals Training Method * Deferred Final Response * Detector Zombie Training Validation * The Military Working Zombie Program (MWZ Program) * Facilities and Equipment * And more . . .

Paramilitary Zombie Survival Field Manual Berkley

A virus known as Vrykolakas-Romeros began infecting humans throughout eastern Pennsylvania on September 13, 2010, turning all who were infecting into savage Zombies intent on biting and infecting any human within reach. Within weeks, the virus spread throughout the continent and, within a month, the world. The government is working with experts to create a vaccine, but for now you are left to your own devices to survive for an indeterminate amount of time. This government-issued handbook contains vital information to help you survive in this unprecedented, hostile environment. Topics covered included: *Locating safe zones *Assembling a survival kit *Choosing weapons *Electing a leader *Securing a building *Communicating with survivors *Dealing with carriers of the virus *Finding supplies *Traveling through danger zones *Re-killing zombies *And much more!

The Zombie Combat Field Guide Michael O'Mara

We are at war with our fellow Man. These creatures called Zombies are no longer to be thought of in the Human classification, they are merely a shell of what was once a human.

Those not infected with this madness shall take arms against those who seek to harm us. Common sense techniques are necessary to prevent the further spreading of what many refer to as a Zombie Apocalypse. First aid, tips on warning devices, trapping strategies, tactical concealment, and firearm maintenance, as well as planning for future Zombie encounters and attacks are included. Do not take the contents of this Field Combat Manual lightly; it very well may help save your life. Within these pages you will find many valuable and useful resources put together to help you make it through these bad times.

Kill Six Billion Demons ECW Press

The snow is falling, the holidays are approaching and...It's Beginning to Look a Lot Like Zombies! This delightfully depraved book of classic Zombie Christmas carols by Michael P. Spradlin is guaranteed to spread Yuletide cheer to all those good boys and ghouls who devoured the monster New York Times bestsellers *Pride and Prejudice* and *Zombies* and *World War Z*, as well as fans of *28 Days Later* and *Shaun of the Dead*. With an introduction by the inimitable Christopher Moore—bestselling author of *Bloodsucking Fiends*, *You Suck*, and the classic "heartwarming tale of Christmas terror" *The Stupidest Angel—It's Beginning to Look a Lot Like Zombies* is a great gift for stuffing into a Christmas stocking...provided you remove the bloody severed foot first!

U.S. Army Zombie Combat Skills National Geographic Books
We've all seen *True Blood* (HBO). A vampire invasion isn't that unrealistic, is it? If and when it happens you'd better make sure you're ready. You'll need to know how to fight, where to hide and how to lure the undead into traps of your own making. In *The Vampire Combat Field Guide*, Roger Ma presents comprehensive instructions on how to beat the bloodsuckers. From detailed battle technique illustrations to (fairly grisly) anatomical diagrams to colour in, you'll be a master of vampire warfare in no time!

Pontypool Changes Everything CreateSpace

Just because the undead's taste buds are atrophying doesn't mean yours have to! You duck into the safest-looking abandoned house you can find and hold your breath as you listen for the approaching zombie horde you've been running from all day. You hear a gurgling sound. Is it the undead? No—it's your stomach. When the zombie apocalypse tears down life and society as we know it, it will mean no more take out, no more brightly lit, immaculately organized aisles of food just waiting to be plucked

effortlessly off the shelves. No more trips down to the local farmers' market. No more microwaved meals in front of the TV or intimate dinner parties. No, when the undead rise, eating will be hard, and doing it successfully will become an art. *The Art of Eating through the Zombie Apocalypse* is a cookbook and culinary field guide for the busy zpc survivor. With more than 80 recipes (from Overnight of the Living Dead French Toast and It's Not Easy Growing Greens Salad to Down & Out Sauerkraut, Honey & Blackberry Mead, and Twinkie Trifle), scads of gastronomic survival tips, and dozens of diagrams and illustrations that help you scavenge, forage, and improvise your way to an artful post-apocalypse meal. *The Art of Eating* is the ideal handbook for efficient food sourcing and inventive meal preparation in the event of an undead uprising. Whether you decide to hole up in your own home or bug out into the wilderness, whether you prefer to scavenge the dregs of society or try your hand at apocalyptic agriculture, and regardless of your level of skill or preparation, *The Art of Eating* will help you navigate the wasteland and make

the most of what you eat.

U.S. Army Hand-to-Hand Combat Penguin

Inside these pages lies unspeakable horror. Bloodsplattering, brain-impaling, flesh-devouring horror. You've probably read your fair share of zombie stories. But this time it's different. No longer can you sit idle as a bunch of fools make all the wrong moves. All hell is about to break loose—and YOU have a say in humanity's survival. You have choices to make. Moral dilemmas. Strategic decisions. Weapons. Vehicles. Will you be a hero? Or will you cover your own ass at all costs? Can you withstand the coming hours, days, weeks, and months? Or will you die amidst the chaos and violence of a zombie uprising? Or, worst of all, will you become one of them?
