 Nonprofit organizations are complex and distinctive organizational entities. The literature of strategic management poses some interesting challenges and is only partially developed to inform decision making for nonprofit managers. Strategic Management in Nonprofit Organizations uses a strategic management framework to consider key decisions that nonprofit managers and volunteer leaders confront as they plan and work to position their organizations for optimal success. Key Features - Fills a gap in the current literature by providing a thorough examination of management and planning issues experienced by nonprofit managers, including challenges such as muted markets and specific performance expectations. - Blends together theoretical, empirical, and normative literature with descriptive stories of managing in the sector. - Suggests some optimal practices for managers who want to strengthen their organizations. - Perfect for graduate students in nonprofit management programs. - Supported by a complete package of instructor ancillary materials including an Instructor's Manual, PowerPoints, and Test Bank Contents: Chapter 1 Nature of Nonprofit Organizations Chapter 2 Framing Strategic Choices Chapter 3 External Environment Chapter 4 Internal Capabilities Chapter 5 Public Benefit Strategies Chapter 6 Analysis of the Task Environment Chapter 7 Corporate Strategy, Structures, and Planning Chapter 8 Service Strategies Chapter 9 Social and

Political Strategies Chapter 10 Financial Resource Strategies Chapter 11 Inter-Organizational Relationships Chapter 12 Strategic Leadership

Case Studies in Strategic Management, 10/E, International Edition is comprised of 22 cases covering small, medium, and large companies of varying backgrounds. The cases selected for this edition appeal to students and professors alike, both because these cases are intrinsically interesting and because of the number of strategic management issues they illuminate. The organizations discussed in the cases range from large, well-known companies, for which students can do research to update the information, to small, entrepreneurial businesses that illustrate the uncertainty and challenge of the strategic management process. The selections include many international cases, and most of the other cases contain some element of global strategy.
