The Enlightenment *ELECTION ENLIGHTENMENT!!!!* | *The Enlightened Brothers Episode 008* Dorinda Outram The Enlightenment In the third edition of her acclaimed book, Dorinda Outram addresses these and other questions about the Enlightenment as controversy increases about its place at the foundation of modernity. She studies it as a global phenomenon, setting the period against broader social changes. The Enlightenment (New Approaches to European History ... In this important new textbook Dorinda Outram addresses these, and other, questions about the 'Enlightenment'. She sets the major debates of the period against the broader social changes such as the onset of industrialisation in Western Europe, the establishment of new colonial empires, and the exploration of hitherto unmapped portions of the world's surface. The Enlightenment - Dorinda Outram - Google Books The Enlightenment - Dorinda Outram - Google Books. Debate over the meaning of 'Enlightenment' began in the eighteenth century and still continues to this day. This period saw the opening of arguments on the nature of man, truth, the place of God, and the international circulation of ideas, people and gold. But did the Enlightenment mean the same for men and women, for rich and poor, for Europeans and non-Europeans? The Enlightenment -
