Master Budget Problems
And Solutions A budget is
usually more effective if
the lower-level managers
have input into the

budget process. Through
this process of
participatory budgeting,
the manager obtains
“ownership” in the budget
and is more likely to
achieve budgetary
success. Managers
frequently play games
with budgets and build in
budgetary slack. This is
the practice of Chapter 6:

Problems. When a
company implements a
master budget, there is a
strong tendency for senior
management to force the
organization to closely
adhere to it by including
budget goals in employee
compensation plans.
Doing so has the following
