Would You Kill the Fat Man? is a stimulating introduction to some key ethical issues and philosophers."—Peter Singer, author of *The Life You Can Save: How to Do Your Part to End World Poverty* "David Edmonds's new book, *Would You Kill the Fat Man?*, is both highly informative and a delight to read. Written in a clear, engaging, and witty style, it succeeds admirably in making various ... Would You Kill the Fat Man? | Princeton University Press Unless the train is stopped, it will inevitably kill all five men. You are standing on a footbridge looking down on the unfolding disaster. However, a fat man, a stranger, is standing next to you: if you push him off the bridge, he will topple onto the line and, although he will die, his chunky body will stop the train, saving five lives. Would ... Would You Kill The Fat Man? - PostDiscus | A critical eye ... Should You Kill the Fat Man? Preliminary Questions. This activity is a treatment of some of the issues thrown up by a thought experiment called 'The Trolley Problem', which was first outlined

by the philosopher Philippa Foot, and then developed by Judith Jarvis Thomson and others. But before we start properly, we need to ask you four preliminary questions so we get a sense of the way that you ... Should You Kill The Fat Man? - Philosophy Experiments In "Would You Kill the Fat Man?" David Edmonds, also a seasoned philosophy writer, tells the story more plainly, yet with wit and panache. Both books deal with difficult questions of reason ... 'Would You Kill the Fat Man?' and 'The Trolley Problem' ... Unless the train is stopped, it will inevitably kill all five men. You are standing on a footbridge looking down on the unfolding disaster. However, a fat man, a stranger, is standing next to you: if you push him off the bridge, he will topple onto the line and, although he will die, his chunky body will stop the train, saving five lives. Would you kill the fat man? Would You Kill the Fat Man? en Apple Books In *Would You Kill the Fat Man?* David Edmonds . . . a seasoned philosopher, tells the story . . . with wit and panache."---Sarah Bakewell, *New York Times Book Review* "Honorable

Mention for the 2015 PROSE Award in Philosophy, Association of American Publishers" "A lucid account of a famous thought experiment in moral philosophy." --- Editors' Choice, *New York Times Book Review* "Informative ... Would You Kill the Fat Man?: The Trolley Problem and What ... You could consider sacrificing yourself by jumping onto the tracks in front of trolley, but, because you are small and slender, you would be killed, and the trolley would still run over the five people, killing them all. Should you push the fat man? Would you push the fat man? (Again, I ask readers to try to answer these questions honestly before reading on). *The Ethicist: Would You Kill the Fat Man? - The Cape* ... *The Fat Man on the Bridge Variation* . The situation is the same as before: a runaway tram threatens to kill five people. A very heavy man is sitting on a wall on a bridge spanning the track. You can stop the train by pushing him off the bridge onto the track in front of the train. He will die, but the five will be saved. (You can't opt to ... *Trolley Dilemma: Kill One Person to Save Five?* Would you kill the fat man? The

question may seem bizarre. But it's one variation of a puzzle that has baffled moral philosophers for almost half a century and that more recently has come to preoccupy neuroscientists, psychologists, and other thinkers as well. In this book, David Edmonds, coauthor of the best-selling Wittgenstein's Poker, tells the riveting story of why and how philosophers ...Would You Kill the Fat Man? by David Edmonds | WaterstonesWould you kill the fat man? David Edmonds says he would. For all their moralising, or perhaps because of it, philosophers are a politically incorrect bunch. Here and there are flashes of the insight that made Edmonds' Wittgenstein's Poker (co-authored with John Eidinow) briefly light up the philosophical firmament - to the extent to which (to my irritation) I was obliged to have a book ...Would You Kill the Fat Man?, by David Edmonds | Times ...You are standing on a footbridge looking down on the unfolding disaster.
