Take Me With You

iUniverse
USA TODAY bestselling
author Cherry Adair
delivers a sexy, snappy

story... Business exec Joshua Falcon is used to getting his way in the boardroom—and in the bedroom. And when he meets gorgeous Jessie Adams at a party, he wants her. Now. Naked in his four-poster. Together the two of them could have a hot sexual affair—with no commitments. She's his for the taking... That suits

Jessie to a T. Long nights of incredible sex. No ties. All she wants is a baby by the man she's always secretly hungered for...and then she's moving on. Except Jessie and Joshua share a surprising past. One that's about to take them where they never ever expected to go...

TAKE ME TO BED Spend the night with not one, but six leading men from BESTSELLING & AWARD WINNING AUTHORS Michelle Windsor | Lydia Michaels | Melanie Moreland Desiree Holt | Ainsley Booth | Sienna Snow The Winning Bid by Michelle Windsor Billionaire Drew is rich, handsome, and dominant, runs an international chain of resorts and has little time to pursue pleasure so he buys it at an auction held at a secret club. The last thing he expected was to fall in

love with a sub for hire. Almost Priest by Lydia Michaels Colin is making his Holy Orders at the end of summer. But when his brother brings home a woman, he's suddenly rethinking his devotion to the church and his loyalty to his family. Big drama in a small town leads to one scandalous, taboo summer... The Boss by Melanie Moreland Terrified and on the run, I was lost. He found me. I witnessed his crime and he gave me a choice. Marriage or death. I never expected to love him. But

the choices were never really mine. Personal Delivery by Ainsley Booth Jana's got a crush on the new SwiftEx delivery guy, Jake. What they don't know--what nobody knows--is that Jake Aston is not a regular delivery driver. When the billionaire goes undercover on the front lines to better understand his new company, the last thing expects is to fall for the cute illustrator on his new route. Runaway Billionaire by Desiree Holt When Kyle is sent to scope out a tiny B&B on

the beach, he's hardly prepared for Pepper, who launches herself at him with a hot kiss and introduces him as her intended. Maybe she can save him from his matchmaking parents before reality rears its ugly head and nearly destroys it all. Sweetest Sin by Sienna Snow She's the woman of my dreams. The one I never should have touched. The one who owns my soul. There is nothing I wouldn't do to keep her. Even play a game, where the winner takes all.

Take Me Fishing UNC Press Books
As Deirdre Clemente shows in this lively history of fashion on American college campuses, whether it's jeans and sneakers or khakis with a polo shirt, chances are college kids made it cool. The modern casual American wardrobe, Clemente argues, was born in the classrooms, dormitories, fraternity and sorority houses, and gyms of universities and colleges across the country. As young people gained increasing social

and cultural clout during the early twentieth century, their tastes transformed mainstream fashion from collared and corseted to comfortable. From east coast to west and from the Ivy League to historically black colleges and universities, changing styles reflected new ways of defining the value of personal appearance, and, by extension, new possibilities for creating one's identity. The pace of change in fashion options, however, was hardly equal. Race, class, and

gender shaped the adoption of casual style, and young women faced particular backlash both from older generations and from their male peers. Nevertheless, as coeds fought dress codes and stereotypes, they joined men in pushing new styles beyond the campus, into dance halls, theaters, homes, and workplaces. Thanks to these shifts, today's casual style provides a middle ground for people of all backgrounds, redefining the meaning of appearance in American

culture.

 From pictures of dressed-up dogs to Bond Girls, and extreme sports to extreme weather, *Take Me To Your Leader* is packed with information that is curious, compelling, intriguing, and indispensable. With its innovative visual take on trivia, pop culture, and strange-but-true tales, this is an exciting, original, and hilarious look

at humans and the world they've created. Ian Harrison is a part-time inventor and the author of numerous books on a variety of subjects ranging from ancient battlefields to modern inventions. His books have been translated into numerous languages, including Dutch, French, Norwegian, South Korean, Greek, Italian, Bulgarian, Afrikaans, and Estonian. *The Book of Firsts*, which was published in hardback in 2003, has sold over 100,000 copies and been translated into 14

languages. Illustrated by some of today's hottest illustrators and featuring specially commissioned artworks and photographs. It contains things you need to know and a lot you probably don't, but interesting anyway. The ideal gift book for list-lovers and trivia hounds. Associated websites link features in the book to the internet. It covers everything from urban myths to the best and worst of pop, rock, sports, and politics.

Take Me to Bed Harlequin
A smart comedy of

manners, a satire on celebrity and a warning on the dangers of getting naked in Williamsburg. Jane Shore, flippant and world-weary heroine, lives in New York City, works in PR and is officially Ugly On The Inside. An unpromising encounter with a bitter stranger, who shouts at her, 'Did anyone ever tell you that you're ugly? Ugly on the inside,' sets the scene for the next few months of her life. As if Ugly On The Inside wasn't bad enough, Jane's being sidelined at work by the ambitious

fashion-victim Lee Munroe; her West Village apartment's being sold; her cousin Frances is going out with her megalomaniac boss; and she's still single - the gorgeous Guy Weaver being taken already. Is it time for Jane to acknowledge that the Holy Trinity of job, house and man might not pan out quite how she expected? Is it time for her to accept Mr Not-quite-right, a Brooklyn postcode, and that she's reached the less-than-lofty ceiling of her PR

career? Jane's search for love and success takes the reader on a madcap ride through the PR scene of hip-hopera and porn entrepreneurs, and the bars and clubs of Manhattan.

The sweetest surrender Casual comes easy to Angela Brown. Her three-dates-max rule lets her have fun without getting burned again. But now Cameron Stewart is back in her life. The high-flying corporate lawyer is the one man who answers a deep need within her. No

woman could resist his hot, sultry, sensual assault--and Angela doesn't intend to try. She just won't let it go beyond the physical. It's not enough for Cam to get Angela into his bed.

They're perfect for each other, and he's sure she knows it, too. And when she's evasive, Cam's persuasive, chipping away at her defenses. One tender, soulful seduction at a time, he'll coax her out of her shell--and into his waiting, loving arms....

Hank Hoppin never fully appreciated it as it was happening, but he reaped the rewards of mentorship throughout his life. His father died when Hank was twelve years old, and his mother began mentoring him—reminding him that Dad would not be happy, if still alive, to witness the boy's misbehavior. She also kept him busy with a paper route to teach him the value of hard work. Once he entered the professional ranks, he was mentored by others and enjoyed twenty-five years

of success as district manager at one of America's leading pharmaceutical companies. He traces what he learned about mentoring in this memoir. Learn how to: adapt mentoring practices to help people of all ages; create and develop a mentoring program; modify mentoring approaches to fit different leadership styles; incorporate storytelling into mentoring. Filled with case studies and inspirational quotes, you'll also learn ten advantages

to a casual mentoring relationship, the top ten key attributes of the most influential corporate mentors, five undeniable benefits of highly functional teams, and the top five advantages of informal partnerships. Get your team on the right track and enhance business operations with the revealing insights in *The Casual Mentor*.

The Roaring Twenties. A decade freed from the horrors of the Great War. A time of economic prosperity, technological advances, jazz music, wild youth, and Prohibition. A time where vast fortunes were made and a new sense of entitlement arose among the elite of society. And with that entitlement, a thirst for

more power. A federal agent working for an agency tasked with investigating financial crimes has been found brutally murdered in a Washington, D.C. hotel. His mistake? Investigating the shady dealings of one of the most powerful men on Wall St. Alone. Fellow agents Charlie Postlethwaite and Gretchen Retrum have now been thrown headlong into an investigation they are ill-prepared for. Far from the world of bank ledgers and files, they're now forced

to get to the bottom of the mystery while avoiding the discovery of their secret agency and the associated problems of juggling their relationship. From the city streets of Washington D.C. and New York City, to the countrysides of upstate New York, and to a small town in Wisconsin, Charlie and Gretchen are in a desperate race to bring those responsible to justice before they become the next on the list to die.

Here is great angling writing from the best

writers in the business—from Tom McGuane to John McPhee to Lefty Kreh. With proceeds going to FishAmerica, to help keep waters and fish healthy, and the Future Fisherman Foundation for education programs for children, these articles include Joan Wulff’s look at the stages in an angler’s lifetime; John McPhee’s passage on our country’s “Founding Fish”—the American Shad; Dave Barry’s not-so-reverent take on fishing; Dave DiBenedetto on migrating stripers; Monte

Burke on record bass; President Jimmy Carter on his youth; and Ted Williams on the environment. And there are many more, every one a joy to read.

Casual Hex Skyhorse Publishing Inc.

Serafino is a typical Pirandellian anti-hero, a spectator rather than a participant in the tragedy-comedy of human existence. Indeed he has the perfect job for it, that of a film cameraman. Serafino is an observer, an impersonal tool of a new industry based on

make-believe. All he has to do is turn the handle of his camera and watch. He has no part in what is going on and is so removed from life that the mauling of an actor by a tiger cannot deflect him from filming the action. The Notebooks of Serafino Gubbio is set in Rome circa 1915, partly on a film set, partly in the city. 'Pirandello's critique of industrial-technological advance and the human toll such work takes was not entirely novel, even in his time, but is still powerful and well-

presented. As far as his analysis of the film-industry goes, it's remarkable for its times -- and not without relevance even today. The Notebooks of Serafino Gubbio is a slightly strangely-woven story, meandering in its reflection and action at times, but all the more striking in those blows it does deliver -- against dehumanizing industrial advances, and the loss of the human element. It has one hell of a conclusion, too. All in all, it's still well worth reading.' M.A.

Orthofer in The Complete Review 'Though Pirandello first published this book on the heels of the Edwardian era, it remains curiously relevant to the modern-day reader - who, like Gubbio, will likely be familiar with the numbness of discerning the world through a lens or a screen.' Naomi Griffiths in Buzz Magazine
Against All Odds Jen Trinh
 LOVE, though a four letter word contains so much in it. Emotions, feelings, pain, and most of all tears. If love gives you

happiness, it gives pain too. If love gives you smile, it gives you tears too. Love is divine, love is hellish. Every love story isn't complete, every love story doesn't have a happy ending. Half Baked Love consists of 25 such stories, which are incomplete, which would show you the dark side of love. The stories which would make you feel the pain which love gives. Some stories would bring tears to your eyes while some would make your heart skip a beat. A complete package to

show how love is!

Take Me in the Night First, he took my heart. It started as a high school romance, both of us planning to escape after graduation. He, from his family's reputation, and me, from my father's control. But all that changed the summer before college. Charged with a crime he hadn't committed, he was whisked away from life, never to be heard from again. Then, he takes my

body. Twelve years later, he's back—bigger, tougher, and harder around the edges. He's no longer the boy I fell in love with. And I'm no longer the girl who gave him her heart... Everything's changed between us. But when darkness falls, he comes to me at night, taking what is still his. Now, he's going to take my soul. When the lines between our old love and our new hate begin to blur, I know that, this time, I might not survive if he leaves. Take Me in the Dark Olivia

When I met Tommy, I knew he was a grade-A jerk. After all, the first thing he said to me was that my orgasms must suck and be super boring. I didn't even know the guy. And he certainly didn't know me. Tommy I might not have known Olivia, but I knew her kind. Strong and confident to the world, but behind closed doors, she needed a good, hard f*ck. Several years later, we meet up again, and I offer to be the man to do that for her. But is she ready for all I have to give?

Because I want her to take it all.

Take Me to Your Leader

Against All Odds

Follows the life and career of Sally Benson, acclaimed writer of New Yorker fiction and Hollywood screenplays. In Casual Affairs, Maryellen V. Keefe vividly follows the life and career of Sally Benson, the New Yorker writer remembered by generations of moviegoers for Meet Me in St. Louis, the film that brought her family to life. Keefe traces Benson's life from her childhood in St.

Louis to marriage and motherhood to her award-winning fiction career and her success as a Hollywood screenwriter. Through the Jazz Age and into the 1930s and '40s, Benson negotiated the transition from domesticity to the marketplace, becoming a full-fledged career woman while juggling her responsibilities as a wife and mother and indulging in several "quiet little affairs." She succeeded early in a profession dominated by men, forging her way in a

largely male world and winning the support and friendship of colleagues and editors. Benson established herself as a writer known for brutally honest portraits of middle-class women much like herself. "Impeccably researched and highly entertaining, this long-awaited biography of Sally Benson will find an important place in the history of American theater, film, and belles lettres." "Donald Spoto, biographer of Alfred Hitchcock, Tennessee Williams, Laurence Olivier,

and others "Finally a biographer capable of bringing the brilliant and outrageous Sally Benson to life! And what a life it was for a woman, who began a long career writing for the New Yorker in 1929 and Hollywood in the forties. Keefe's vivid account, which draws on family papers as it traces Benson's personal and professional ups and downs, is also the story of a generation of young women eager to balance work and family. Readers who know Benson primarily from the film

Meet Me in St. Louis will come to know her as a stylist every bit as talented as Dorothy Parker and with the same wonderful flair. □ □ Susan Goodman, author of Republic of Words: The Atlantic Monthly and Its Writers, 1857-1925 *Murder Made Casual* Westminster John Knox Press "Casual Gardening" is a how-to, experienced based book packed with fun tidbits and surprises. Tom's version of simple and effective gardening is a no-fuss version of doing

things the right way. This wise guy's tried and true methods are a little bit research and the rest self-taught. His efficient, 'don't hesitate, just get it in the ground' approach will get your garden loving you back with treasures in no time. Remember, it's an on-the-go read and meant to get a little dirty, so take it along and watch your garden grow. *Punch* XinXii In 1999, Eric Garcia made his mark with one of the most striking mystery debuts of the year,

Anonymous Rex, hailed as a dino-mite detective yarn by People, inventive and imaginative by USA Today, and a fresh and antic comic thriller by The Seattle Times. Now, with Casual Rex, the sharpest dinosaur-detective in Los Angeles is back, funnier and grittier than ever, for the next tale in this acclaimed series. Vincent Rubio is a private eye, working the angles in Los Angeles with his partner, Ernie. They've got the usual problems bills, bum cases, woman troubles. But being dinosaurs is not

a problem, as long as their latex disguises fit properly. Not all dinosaurs agree. Some have joined a mysterious back-to-basics movement led by a beautiful and beguiling Velociraptor to help dinosaurs find themselves, let their tails hang out, and roam about

as they really are. When a member of this cult dies under suspicious circumstances, Vincent and Ernie must investigate, while simultaneously handling the case of the missing Mussolini the theft of a rare and priceless prosthetic penis treasured

in the dinosaur community. With Casual Rex, Eric Garcia takes readers even more deeply into this warped underworld and succeeds in making it all believable. The result is a novel that is as hilarious and entertaining as it is original.
