RHYS DAPHNE

Adapted for Young People University of Georgia Press

A serial killer is loose inside a world of powerful magic and high-tech where Earth's legends, myths, and monsters now live. Only Maia Anemois, a consultant from Earth, and a group of demigod detectives led by Kai and Aidan Eurus can stop him.

[Bending Toward Justice](#) Revell

The book that inspired the documentary *A Crime on the Bayou* 2021 Chautauqua Prize Finalist The "arresting, astonishing history" of one lawyer and his defendant who together achieved a "civil rights milestone" (Justin Driver). In 1966 in a small town in Louisiana, a 19-year-old black man named Gary Duncan pulled his car off the road to stop a fight. Duncan was arrested a few minutes later for the crime of putting his hand on the arm of a white child. Rather than accepting his fate, Duncan found Richard Sobol, a brilliant, 29-year-old lawyer from New York who was the only white attorney at "the most radical law firm" in New Orleans. Against them stood one of the most powerful white supremacists in the South, a man called simply "The Judge." In this powerful work of character-driven history, journalist Matthew Van Meter vividly brings alive how a seemingly minor incident brought massive, systemic change to the criminal justice system. Using first-person interviews, in-depth research and a deep knowledge of the law, Van Meter shows how Gary Duncan's insistence on seeking justice empowered generations of defendants—disproportionately poor and black—to demand fair trials. Duncan v. Louisiana changed American law, but first it changed the lives of those who litigated it.

Detroit's Hidden Channels Michigan's War

NEW YORK TIMES BESTSELLER • Pierce Brown's relentlessly entertaining debut channels the excitement of *The Hunger Games* by Suzanne Collins and *Ender's Game* by Orson Scott Card. "Red Rising ascends above a crowded dystopian field."—USA Today NAMED ONE OF THE BEST BOOKS OF THE YEAR BY ENTERTAINMENT WEEKLY, BUZZFEED, AND SHELF AWARENESS "I

live for the dream that my children will be born free," she says. "That they will be what they like. That they will own the land their father gave them." "I live for you," I say sadly. Eo kisses my cheek. "Then you must live for more." Darrow is a Red, a member of the lowest caste in the color-coded society of the future. Like his fellow Reds, he works all day, believing that he and his people are making the surface of Mars livable for future generations. Yet he toils willingly, trusting that his blood and sweat will one day result in a better world for his children. But Darrow and his kind have been betrayed. Soon he discovers that humanity reached the surface generations ago. Vast cities and lush wilds spread across the planet. Darrow—and Reds like him—are nothing more than slaves to a decadent ruling class. Inspired by a longing for justice, and driven by the memory of lost love, Darrow sacrifices everything to infiltrate the legendary Institute, a proving ground for the dominant Gold caste, where the next generation of humanity's overlords struggle for power. He will be forced to compete for his life and the very future of civilization against the best and most brutal of Society's ruling class. There, he will stop at nothing to bring down his enemies . . . even if it means he has to become one of them to do so. Praise for *Red Rising* "[A] spectacular adventure . . . one heart-pounding ride . . . Pierce Brown's dizzyingly good debut novel evokes *The Hunger Games*, *Lord of the Flies*, and *Ender's Game*. . . . [Red Rising] has everything it needs to become meteoric."—Entertainment Weekly "Ender, Katniss, and now Darrow."—Scott Sigler "Red Rising is a sophisticated vision. . . . Brown will find a devoted audience."—Richmond Times-Dispatch Don't miss any of Pierce Brown's *Red Rising* Saga: RED RISING • GOLDEN SON • MORNING STAR • IRON GOLD • DARK AGE [Clarence Darrow in Defense of the American Dream](#) Random House A Choice Magazine "Outstanding Academic Book for 1996" "Kevin Boyle has done a masterful job of identifying the unique contribution of the UAW, not only to American Liberalism, but also to the nation and to all people. As contemporary labor and society at large search for new directions, this book should be required reading."—Victor G. Reuther "One of the many virtues of Kevin Boyle's brilliant and important history, *The UAW and the Heyday*

of American Liberalism, is that it provides a clear picture of the road not taken."—The American Prospect "Intelligent, well written, and exhaustively researched, . . . Boyle's work . . . is part of an important and increasingly favorable reevaluation of the character of late New Deal social democracy."—Journal of American History "[Boyle's] book presents, with a remarkably assured tone and a mastery of materials, a persuasive narrative of the shortcomings of postwar liberalism from the labor perspective that was so important then and is so often ignored today."—American Political Science Review *The Hard Tomorrow* University of Pennsylvania Press It was a crime that shocked the nation, a brutal murder in Chicago in 1924 of a child, by two wealthy college students who killed solely for the thrill of the experience. Nathan Leopold and Richard Loeb had first met several years earlier, and their friendship had blossomed into a love affair. Both were intellectuals—too smart, they believed, for the police to catch them. However, the police had recovered an important clue at the scene of the crime—a pair of eyeglasses—and soon both Leopold and Loeb were in the custody of Cook County. They confessed, and Robert Crowe, the state's attorney, announced to newspaper reporters that he had a hanging case. No defense, he believed, would save the two ruthless killers from the gallows. Set against the backdrop of the 1920s, a time of prosperity, self-indulgence, and hedonistic excess, *For the Thrill of It* draws the reader into a lost world, a world of speakeasies and flappers, of gangsters and gin parties, that existed when Chicago was a lawless city on the brink of anarchy. The rejection of morality, the worship of youth, and the obsession with sex had seemingly found their expression in this callous murder. But the murder is only half the story. After Leopold and Loeb were arrested, their families hired Clarence Darrow to defend their sons. Darrow, the most famous lawyer in America, aimed to save Leopold and Loeb from the death penalty by showing that the crime was the inevitable consequence of sexual and psychological abuse that each defendant had suffered during childhood at the hands of adults. Both boys, Darrow claimed, had experienced a compulsion to kill, and therefore, he appealed to the judge, they should be spared capital punishment. However, Darrow faced a worthy adversary in his prosecuting

attorney: Robert Crowe was clever, cunning, and charismatic, with ambitions of becoming Chicago's next mayor—and he was determined to send Nathan Leopold and Richard Loeb to their deaths. A masterful storyteller, Simon Baatz has written a gripping account of the infamous Leopold and Loeb case. Using court records and recently discovered transcripts, Baatz shows how the pathological relationship between Leopold and Loeb inexorably led to their crime. This thrilling narrative of murder and mystery in the Jazz Age will keep the reader in a continual state of suspense as the story twists and turns its way to an unexpected conclusion.

Stres in die werkplek Little, Brown

Recounts a famous kidnapping that took place in New Orleans in 1870, in which a seventeen-month-old white child was taken by two African-American women, and the resulting public hysteria that led to racial tensions, political divisions, and false accusations and arrests.

Devil in the Grove University of Pennsylvania Press

Now adapted for readers ages 12 and up, the award-winning biography that examines Parks's life and 60 years of radical activism and brings the civil rights movement in the North and South to life Rosa Parks is one of the most well-known Americans today, but much of what is known and taught about her is incomplete, distorted, and just plain wrong. Adapted for young people from the NAACP Image Award—winning *The Rebellious Life of Mrs. Rosa Parks*, Jeanne Theoharis and Brandy Colbert shatter the myths that Parks was meek, accidental, tired, or middle class. They reveal a lifelong freedom fighter whose activism began two decades before her historic stand that sparked the Montgomery bus boycott and continued for 40 years after. Readers will understand what it was like to be Parks, from standing up to white supremacist bullies as a young person to meeting her husband, Raymond, who showed her the possibility of collective activism, to her years of frustrated struggle before the boycott, to the decade of suffering that followed for her family after her bus arrest. The book follows Parks to Detroit, after her family was forced to leave Montgomery, Alabama, where she spent the second half of her life and reveals her activism alongside a growing Black Power movement and beyond. Because Rosa Parks was active for 60 years, in the North as well as the South, her story provides a broader and more accurate view of the Black freedom struggle

across the twentieth century. Theoharis and Colbert show young people how the national fable of Parks and the civil rights movement—celebrated in schools during Black History Month—has warped what we know about Parks and stripped away the power and substance of the movement. *The Rebellious Life of Mrs. Rosa Parks* illustrates how the movement radically sought to expose and eradicate racism in jobs, housing, schools, and public services, as well as police brutality and the over-incarceration of Black people—and how Rosa Parks was a key player throughout. Rosa Parks placed her greatest hope in young people—in their vision, resolve, and boldness to take the struggle forward. As a young adult, she discovered Black history, and it sustained her across her life. *The Rebellious Life of Mrs. Rosa Parks* will help do that for a new generation.

A Black Teen, His Lawyer, and Their Groundbreaking Battle for Civil Rights in the South Little, Brown Books for Young Readers

An electrifying story of the sensational murder trial that divided a city and ignited the civil rights struggle In 1925, Detroit was a smoky swirl of jazz and speakeasies, assembly lines and fistfights. The advent of automobiles had brought workers from around the globe to compete for manufacturing jobs, and tensions often flared with the KKK in ascendance and violence rising. Ossian Sweet, a proud Negro doctor-grandson of a slave—had made the long climb from the ghetto to a home of his own in a previously all-white neighborhood. Yet just after his arrival, a mob gathered outside his house; suddenly, shots rang out: Sweet, or one of his defenders, had accidentally killed one of the whites threatening their lives and homes. And so it began—a chain of events that brought America's greatest attorney, Clarence Darrow, into the fray and transformed Sweet into a controversial symbol of equality. Historian Kevin Boyle weaves the police investigation and courtroom drama of Sweet's murder trial into an unforgettable tapestry of narrative history that documents the volatile America of the 1920s and movingly re-creates the Sweet family's journey from slavery through the Great Migration to the middle class. Ossian Sweet's story, so richly and poignantly captured here, is an epic tale of one man trapped by the battles of his era's changing times. *Arc of Justice* is the winner of the 2004 National Book Award for Nonfiction.

The Shattering: America in the 1960s Scribes Unlimited

On a planet far from Earth, descendants of marooned space

travelers fight a decades-long war. Shy scholar Victoria knows nothing of this conflict until pirates kidnap and sell her to the sadistic tyrant behind it. He keeps her naked and locked in a tower, subjecting her to months of psychological torture. After seizing an opportunity to escape, Vic joins the fight against her former captor and begins walking a bloody path toward revenge. As the Blade, Vic gains glory raiding her enemy's forces, but the ordeal in his tower haunts her. Bitter memories keep her from returning the love of the kindhearted Prince Ashel, whose family has fended off the tyrant's invading army for a generation. When enemy soldiers capture Ashel, Vic embarks on a quest to rescue him and, on the journey, discovers a source of spectacular power. With wizardry, Vic can rescue the prince, end the war, and wreak the vengeance she craves, but she might also destroy her only chance for peace.

A Chronicle of Slavery and Freedom in the City of the Straits Oxford University Press, USA

Focuses on a crucial two-day battle in Vietnam that was also marked by an ill-fated protest by University of Wisconsin students at the Dow Chemical Company, in an hour-by-hour narrative.

Vinland Saga Back Bay Books

Martin Luther King, Jr., is widely celebrated as an American civil rights hero. Yet King's nonviolent opposition to racism, militarism, and economic injustice had deeper roots and more radical implications than is commonly appreciated, Thomas F. Jackson argues in this searching reinterpretation of King's public ministry. Between the 1940s and the 1960s, King was influenced by and in turn reshaped the political cultures of the black freedom movement and democratic left. His vision of unfettered human rights drew on the diverse tenets of the African American social gospel, socialism, left-New Deal liberalism, Gandhian philosophy, and Popular Front internationalism. King's early leadership reached beyond southern desegregation and voting rights. As the freedom movement of the 1950s and early 1960s confronted poverty and economic reprisals, King championed trade union rights, equal job opportunities, metropolitan integration, and full employment. When the civil rights and antipoverty policies of the Johnson administration failed to deliver on the movement's goals of economic freedom for all, King demanded that the federal government guarantee jobs, income, and local power for poor people. When the Vietnam war stalled domestic liberalism, King

called on the nation to abandon imperialism and become a global force for multiracial democracy and economic justice. Drawing widely on published and unpublished archival sources, Jackson explains the contexts and meanings of King's increasingly open call for "a radical redistribution of political and economic power" in American cities, the nation, and the world. The mid-1960s ghetto uprisings were in fact revolts against unemployment, powerlessness, police violence, and institutionalized racism, King argued. His final dream, a Poor People's March on Washington, aimed to mobilize Americans across racial and class lines to reverse a national cycle of urban conflict, political backlash, and policy retrenchment. King's vision of economic democracy and international human rights remains a powerful inspiration for those committed to ending racism and poverty in our time.

They Marched Into Sunlight Woern Saga

In the midst of a superhero takeover with groundbreaking films bringing comic books to the big screen on an unprecedented scale, one cinematic saga would forever alter the landscape of superhero movies and Hollywood ... Batman. Superman. Wonder Woman. As three of the most iconic heroes of all time, the task of translating these beloved DC Comics characters and their stories to film would be the ultimate challenge for any director. By embracing this challenge, Zack Snyder—who gained popularity following successes with *300* and *Watchmen*—would find himself at the epicenter of controversy. Shaped by studio conflicts, creative differences, increasingly divisive public opinion, social media, the COVID-19 pandemic, and personal tragedy, the making of Snyder's films (*Man of Steel*, *Batman v Superman: Dawn of Justice*, *Justice League*) would come together to form a remarkable tale. In *The Snyderverse Saga*, entertainment journalist Daryn Kirscht chronicles the epic behind-the-scenes true story of Snyder's DC Comics films, their revolutionary impact on superhero movies and Hollywood, and the power of the fandom in fighting for creative freedom. After achieving victory following the #ReleaseTheSnyderCut movement, a new wave is on the rise with #RestoreTheSnyderVerse to adapt the cinematic landscape to the modern world... a "Nightmare" world. Will the "Snyderverse" continue? Only time will tell...

Transcending the Racial Past Modern Library

The year is 1854. In Paris, Francisco Solano -- the future dictator of Paraguay -- begins his courtship of the young, beautiful Irish

courtesan Ella Lynch with a poncho, a Paraguayan band, and a horse named Mathilde. Ella follows Franco to Asunción and reigns there as his mistress. Isolated and estranged in this new world, she embraces her lover's ill-fated imperial dream -- one fueled by a heedless arrogance that will devastate all of Paraguay. With the urgency of the narrative, rich and intimate detail, and a wealth of skillfully layered characters, *The News from Paraguay* recalls the epic novels of Gabriel García Márquez and Mario Vargas Llosa.

Arc of Justice Harper Collins

Immerse yourself in the world of *Twilight* with the official illustrated guide to the #1 New York Times bestselling series featuring exclusive illustrations, character profiles, and more! This must-have edition -- the only official guide -- is the definitive encyclopedic reference to the *Twilight* Saga and provides readers with everything they need to further explore the unforgettable world Stephenie Meyer created in *Twilight*, *New Moon*, *Eclipse*, *Breaking Dawn*, and *The Short Second Life of Bree Tanner*. This comprehensive handbook -- essential for every *Twilight* Saga fan -- is full-color throughout with nearly 100 gorgeous illustrations and photographs and with exclusive material, character profiles, genealogical charts, maps, extensive cross-references, and much more. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of *Twilight* with the highly anticipated companion, *Midnight Sun: the iconic love story of Bella and Edward told from the vampire's point of view*. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- *Time* "A literary phenomenon." -- *The New York Times*

The Literature of Crime, Detection, and Espionage W. W. Norton & Company

The compelling real-life story of the criminal investigation, indictment, and trial of Edgar Ray Killen, the preacher and former Ku Klux Klansman finally convicted in June 2005 for the deaths of three civil rights workers--forty-one years after their brutal murders. A stunning final chapter to the case immortalized in the movie *Mississippi Burning*.

Jones in *The Chronicle of Higher Education* "A necessary work of powerful, probing scholarship." -- *Publisher Weekly* (starred) "A book likely to stand at the head of further research into the problem of Native and African-American slavery in the north country." -- *Kirkus Reviews* The prizewinning, nationally celebrated account of the slave origins of a major northern city A brilliant paradigm-shifting book that "transports the reader back to the eighteenth century and brings to life a multiracial community that began in slavery" (*The New York Times*), *The Dawn of Detroit* reveals for the first time that slavery was at the heart of the Midwest's iconic city. Hailed by *Publishers Weekly* in a starred review as "a necessary work of powerful, probing scholarship," *The Dawn of Detroit* meticulously uncovers the experience of the unfree--both native and African American--in a place wildly remote yet at the center of national and international conflict. Tiya Miles has skillfully assembled fragments of a distant historical record, introducing new historical figures and unearthing struggles that remained hidden from view until now. "In her eloquent account," the *Washington Post* declared, "Miles conjures up a city of stark disparity and lives quashed." A message from the past for our troubled present, *The Dawn of Detroit* is "an outstanding contribution that seeks to integrate the entirety of U.S. history, admirable and ugly, to offer a more holistic understanding of the country" (*Booklist*, starred review). *The Snyderverse Saga* Kodansha Comics "The gorgeous and empathetic story of one couple's search for hope and a peaceful future Hannah is a thirty-something wife, home-health worker, and antiwar activist. Her husband, Johnny, is

a stay-at-home pothead working—or ""working""—on building them a house before the winter chill sets in. They're currently living and screwing in the back of a truck, hoping for a pregnancy, which seems like it will never come. Legs in the air for a better chance at conception, Hannah scans fertility Reddits while Johnny dreams about propagating plants—kale, tomatoes—to ensure they have sufficient sustenance should the end-times come, which, given their fragile democracy strained under the weight of a carceral state and the risk of horrible war, doesn't seem so far off. Helping Hannah in her fight for the future is her best friend, Gabby, a queer naturalist she idolizes and who adores her. Helping Johnny build the house is Tyler, an off-the-grid conspiracy theorist driven sick by his own cloudy notions of reality. Told with tenderness and care in an undefined near future, Eleanor Davis's *The Hard Tomorrow* blazes unrestrained, as moments of human connection are doused in fear and threats. Her astute projections probe at current anxieties in a cautionary tale that begs the question: What will happen after tomorrow?"

The Dawn of Detroit Vintage

NEW YORK TIMES BOOK REVIEW EDITORS' CHOICE • In this "spellbinding memoir" (*The Washington Post*), a private investigator revisits the case that has haunted her for decades and sets out on a deeply personal quest to sort truth from lies. "Beautifully written."—Heather Ann Thompson, Pulitzer Prize-winning author of *Blood in the Water* In 1990, Ellen McGarrahan was a young reporter for the *Miami Herald* when she covered the execution of Jesse Tafero, a man convicted of

murdering two police officers. When it later emerged that Tafero may have been innocent, McGarrahan was appalled by her unquestioning acceptance of the state's version of events. The revelation propelled her into a new career as a private investigator. Decades later, McGarrahan finally decides to find out the truth of what really happened in Florida. Her investigation plunges her back into the Miami of the 1960s and 1970s, a dangerous world of nightclubs, speed boats, and cartels, all awash in violence. She combs through stacks of court files and interviews everyone involved in the case. But even as McGarrahan circles closer to the truth, the story of guilt and innocence becomes more complex, and she gradually discovers that she hasn't been alone in her need for closure. Because whenever a human life is forcibly taken—by bullet, or by electric chair—the reckoning is long and difficult for all. A fascinating glimpse into the mind of a private investigator, *Two Truths and a Lie* is ultimately a deeply personal exploration of one woman's quest to find answers in a chaotic world.

Campaign of the Century Arc of Justice A Saga of Race, Civil Rights, and Murder in the Jazz Age

Devil in the Grove, winner of the Pulitzer Prize for general nonfiction, is a gripping true story of racism, murder, rape, and the law. It brings to light one of the most dramatic court cases in American history, and offers a rare and revealing portrait of Thurgood Marshall that the world has never seen before. As Isabel Wilkerson's *The Warmth of Other Suns* did for the story of

America's black migration, Gilbert King's *Devil in the Grove* does for this great untold story of American legal history, a dangerous and uncertain case from the days immediately before *Brown v. Board of Education* in which the young civil rights attorney Marshall risked his life to defend a boy slated for the electric chair—saving him, against all odds, from being sentenced to death for a crime he did not commit.

The Twilight Saga: The Official Illustrated Guide W. W. Norton & Company

A masterpiece of reporting on the Supreme Court's most divisive case, *Roe v. Wade*, and the unknown lives at its heart. Despite her famous pseudonym, no one knows the truth about "Jane Roe," Norma McCorvey (1947–2017), whose unwanted pregnancy in 1970 opened a great fracture in American life. Journalist Joshua Prager spent years with Norma, discovered her personal papers, a previously unseen trove, and witnessed her final moments. With an explosive revelation at the core of the case, he tells her full story for the first time. Prager also traces Roe's fifty-year trajectory through three compelling figures: feminist lawyer Linda Coffee, who filed the original Texas lawsuit yet now lives in obscurity; Curtis Boyd, a former fundamentalist Christian, today a leading provider of third-trimester abortions; and Mildred Jefferson, the first Black female Harvard Medical School graduate, who became a pro-life leader with great secrets. Essential to our understanding of this key debate, the right to choose or the right to life, *The Family Roe* will change the way you think about our enduring American divide.
