 A tumultuous tale of the student-led 1956 Hungarian revolution set in a colorless post-WWII Budapest—where the magical Danube river has plans of its own—from Sydney Taylor Honor winner Katherine Locke. "A haunting, beautiful read that centers queer Jewish characters."
 —BuzzFeed In the middle of Budapest, there is a river. Csilla knows the river is magic. During WWII, the river kept her family safe when they

needed it most--safe from the Holocaust. But that was before the Communists seized power. Before her parents were murdered by the Soviet police. Before Csilla knew things about her father's legacy that she wishes she could forget. Now Csilla keeps her head down, planning her escape from this country that has never loved her the way she loves it. But her carefully laid plans fall to pieces when her parents are unexpectedly, publicly exonerated. As the protests in other

countries spur talk of a larger revolution in Hungary, Csilla must decide if she believes in the promise and magic of her deeply flawed country enough to risk her life to help save it, or if she should let it burn to the ground. With queer representation, fabulist elements, and a pivotal but little-known historical moment, *This Rebel Heart* is Katherine Locke's tour de force.

Clockwork Angel is a Shadowhunters novel.
When Tessa Gray crosses

the ocean to find her brother, her destination is England, the time is the reign of Queen Victoria, and something terrifying is waiting for her in London's Downworld, where vampires, warlocks, and other supernatural folk stalk the gaslit streets. Only the Shadowhunters, warriors dedicated to ridding the world of demons, keep order amidst the chaos. Kidnapped by a secret organization called The Pandemonium Club, Tessa learns that she herself is a Downworlder with a rare

ability: the power to transform into another person. What's more, the Magister, the shadowy figure who runs the Club, will stop at nothing to claim Tessa's power for his own. Friendless and hunted, Tessa takes refuge with the Shadowhunters of the London Institute, who swear to find her brother if she will use her power to help them. She soon finds herself fascinated by—and torn between—two best friends: James, whose fragile beauty hides a

deadly secret, and Will, whose caustic wit and volatile moods keep everyone in his life at arm's length...everyone, that is, but Tessa. As their search draws them deep into the heart of an arcane plot that threatens to destroy the Shadowhunters, Tessa realizes that she may need to choose between saving her brother and helping her new friends save the world...and that love may be the most dangerous magic of all.
