The Complete Border Collie Crowood

A revolutionary new look into everything "Border Collie"; a MUST-READ that includes practical tips, tricks, and insights to help a new (or seasoned) Border Collie owner. Using interviews with 6 top Border Collie breeders, author David Anderson has created an in-depth look at what it REALLY takes to successfully live with, raise, and train a Border Collie. Covering all the Border Collie-specific topics you NEED TO KNOW, such as: The unique characteristics and quirks of the Border Collie breed Early training (including housebreaking) strategies for Border Collies Choosing the proper supplies and food for a Border Collie puppy Helpful strategies for socializing a Border Collie with other dogs Health care advice for each stage of your Border Collies life Grooming tips that a Border Collie owner needs to know! If you are considering bringing a Border Collie into your home (or already have!) then you need to read this book as soon as possible! "An absolute gem of a book. The Complete Guide to Border Collies has in-depth knowledge and advice from the first time you get your pup, right up to their later years. No matter if you are an experienced or a new owner; it has everything that you will need to know throughout the whole life of your Border Collie." - Dawson McClements, Border Collie Owner If you've ever seen a dog in a television commercial, there's a pretty good chance it was a Border Collie. Or, if you've watched herding competitions, you've probably seen a Border Collie controlling the herd. First and foremost, Border Collies are sheep herders. But when they're not on the clock, they can make excellent companions. They're energetic, playful, and extremely intelligent. They're also sensitive, affectionate, and adorable. Even though this breed is still vital to livestock owners, we will focus on the Border Collie as a pet in this book. Intelligence is perhaps the most prominent trait of the Border Collie. In the pasture, this dog can understand specific commands and respond accordingly. They also excel at obedience competitions and agility runs because they can pick up new skills quickly and respond to challenging commands. This book will give you the information you need to jump-start your ownership journey, including: Border Collie History Choosing a Border Collie Preparing your Home for your Border Collie Bringing Home your Border Collie Being a Puppy Parent Housetraining Socializing with People and Animals Border Collies and Your Other Pets Physical and Mental Exercise Training your Border Collie Basic Commands Dealing With Unwanted Behaviors Traveling with Border Collies Nutrition Grooming your Border Collie Basic Health Care Advanced Border Collie Health and Aging Dog Care This book will become your go-to guide throughout your BC's life, as it has helpful hints and reminders that will prove to be practical far into their adulthood. Border Collies are an absolute joy to have as pets. These dogs are beautiful, intelligent, and silly. They love to test their owners and call the shots, but at the end of the day, they're capable of following orders. You'll never find another dog quite like them, as they're capable of running around one minute and snuggling up beside you the next. All your Border Collie wants is a purpose. While they may drive you nuts when they're bored, it's amazing to watch them work. Whether your Border Collie's "job" is to tend livestock, chase the rabbits and birds from your garden, or just be a loving companion, you'll find that your Border Collie will do anything for the love and affection with which you pay them.

Do you know that Lassie was a Collie?And do you know that Border Collies will stare down sheep to establish dominance?It is sometimes difficult to make our children understand the beauty of nature, to make them appreciate the small things, the beauty of a flower, the freshness of the air, the scent of grass. Many times we are not fortunate to be in contact with nature, far from a meadow, closed in the cities. Still, so often, while looking out from our balcony in a beautiful country house, we know how to observe but do not appreciate creation's beauty.Know the details and habits of a Border Collie as common as it is surprising, through a simple path, which fuels your child's interest and curiosity. That's the purpose of this book.But beware, prepare for the challenge!You will have to be able to answer the questions that your child will ask you by showing off their deep knowledge in the microworld of the Border Collie: -Mom, do you know what the name Collie means? I do!-Hey dad, do you know where Border Collies came from? I do!-Grandpa, do you know how many walks a Border Collie needs daily to release their energy? I do!-Grandma, do you know what the eye color of Border Collies can be? I do!-Sarah, you're my big sister, and you've studied a lot, but I bet you don't know what is the name for the Border Collie that recognize over 1,000 different objects! I know that.You don't need anything else; just one click on "Buy Now," and you will let your child live a magical new adventure with their new friend Border Collie and the magic natural world of Dogs.

Border Collie Training - Dog Training for your Border Collie puppy The training of dogs is often... ... confused with classical dog training drills ... only considered necessary for demanding dogs ... mocked by other dog owners ... replaced by anti-authoritarian methods ... considered too difficult to achieve without experience. What constitutes dog training and what is it good for? And how can you and your Border Collie profit from it without having any experience? The most important thing is to understand how a dog sees his world, what is "normal" for him and how you can use this to your advantage. In addition, the characteristics of each breed are significant when you get beyond the basic training phase. Your Border Collie will show characteristics which are different to those of a Pug, for example, and this is predominantly what you need to consider during training. This book is vol. 2 of the Border Collie training books. Vol. 1 for you Border Collie puppy is also available with the title "Border Collie Training Vol. 2: Dog Training for your grown-up Border Collie" Author Claudia Kaiser says about her book: "It was my desire to let other dog owners profit from the knowledge I have gained over many years, and after making many mistakes. I love my dog and know how important it is to adapt the training to suit each breed. It is exactly this desire that prompted me to write this book. My aim is to help every beginner, not only to understand his dog better, but also to know exactly how to get the best results, step-by-step, so that you can achieve a close, positive and trusting human-dog relationship." Quench your curiosity to know about background information, read reports on other experiences and obtain step-by-step instructions and secret tips which are tailor-made for your Border Collie. Get your copy of this book today and experience... ... how your Border Collie sees his world ... and how you can progressively train your dog to receive the best results. Your Border Collie will appreciate it... ... so this is my advice: Don't hesitate to buy this book! Content of this book: About the Author Preface What you need to know about your Border Collie Cornerstones of training puppies Before the puppy arrives The first few weeks The first commands Training basic knowledge Special Chapter - The hunting instinct Check list for the start Conclusion
