Bju Economics introduces and explores key
principles of economics from household
purchases to the stock market. Each
chapter includes personal finance sections
which explain important economic
principles and provide practical
information about budgeting, banking,
debt, credit and interest. Students will also
learn about issues related to national

economic systems and policies. Economics | BJU Press SSE 200: Foundations of Economics 3 credits. Blends the core concepts of both microeconomics (structure of markets, factors of production, elasticities) and macroeconomics (economic systems; public policy, including fiscal and monetary policy; supply and demand analysis of national income, inflation and unemployment) with personal responsibility as a citizen (credit, interest, banking ... Courses | Bob Jones University Economics for Distance Learning In this one-semester course, your student will survey basic economic topics with Mrs. Bullock, focusing on a biblical view of stewardship. Your student will be encouraged to think critically about the world of finances on international, national, and personal levels. Economics Online with Books | Homeschool - BJU Press BJU Press's Economics text is designed for use in the twelfth grade, although it could be used in the eleventh grade as well. It deals with economics in business, government, the marketplace, and the home. The ideas taught reflect a limited-government approach to

economics and Christian values, although students do learn about conflicting ideas. Economics, BJU Press, third edition Courses | Bob Jones University Start studying Economics: BJU Chapter 2.
