"This heartfelt, witty addition to women's fiction will appeal to fans of Elizabeth Berg and Anna Quindlen." (Booklist) Georgia Waltz has things many people only dream of: a plush Manhattan apartment overlooking Central Park, a Hamptons beach house, valuable jewels and art, two bright daughters, and a

husband she adores, even after decades of marriage. It's only when Ben suddenly drops dead from a massive coronary while training for the New York City Marathon that Georgia discovers her husband—a successful lawyer—has left them nearly penniless. Their wonderland was built on lies. As the family attorney scours emptied bank accounts, Georgia must not only look for a way to support her family, she needs to face the revelation that Ben was not the perfect husband he appeared to be, just as her daughters—now ensconced back at home with secrets of their own—have to accept that they may not be returning to their lives in Paris and at Stanford subsidized by the Bank of Mom and Dad. As she uncovers hidden resilience, Georgia's sudden midlife shift forces her to consider who she is and what she truly values. That Georgia may also find new love in the land of Spanx and stretch marks surprises everyone—most of all, her. Sally Koslow's fourth novel is deftly told through the alternating viewpoints of her remarkable female protagonists as they plumb for the grit required to reinvent their lives. Inspiring, funny, and deeply satisfying, *The Widow Waltz* explores in a profound way the bonds between mothers and daughters, belligerent siblings, skittish lovers, and bitter rivals as they discover the power of forgiveness, and healing, all while asking, "What is family, really?"

Kabbalah for Beginners: An Introduction to Jewish Mysticism Julia Sykes

The Kabbalah has long languished in darkness, unknown outside the confines of Jewish Mysticism and the communities who practiced it. But today, the Kabbalah is well-known but often misunderstood. The story of Kabbalah is as old as Judaism itself, with many of the ideas present in the Hebrew Scriptures interpreted in the canon of Kabbalah. Applying Jewish theological premises and Neo-Platonist cosmology, the Kabbalists created a systematic interpretation of familiar Creation Narrative in the Book of Genesis, which today illuminates and serves Judaism. At the same time, Kabbalistic concepts have entered mainstream consciousness with great interest expressed in mainstream Christianity and even in modern science.

To Mr. Tate Howard, You are quite possibly the most infuriating, annoying and grumpy man I’ve ever met in my life. I know you think that you’re God’s gift to women, but I have a secret to let you in on: you’re not. You’re God’s gift to yourself. Get over your wanna-be cool surfer self and grow up. I thought it was time that someone addressed your big head and told you straight to your face that you’re not all that. Just because you have an Ivy league education doesn’t mean you’re the smartest man in the world. In fact, I’m not even sure if you would have gotten in if you didn’t have rich parents. Yes, I went there. Every woman doesn’t want to sleep with you and I’m sure you’re not even good in bed. And I’m someone that would know.

The Button Man BoD - Books on

Eliza Knight's bestselling Scottish
 historical romance series, The Stolen
 Bride Series, is back with another
 amazing tale of adventure, passion and
 love! Ceana Montgomery had notions of
 marrying for love after her first
 disastrous marriage ended in
 widowhood. But now Robert the Bruce
 has ordered her to marry a stranger,
 securing a strong alliance and ending a
 decades-old feud. Already used as a
 pawn once in marriage, she is
 devastated that she will once more have
 to give up her happiness in order to
 please the edicts of men. And while the

braw warrior standing before her might
 incite feelings inside her she thought
 long since buried, desire is a far cry from
 love. The rivalry between Brochan
 Lamont and his twin brother, John,
 began in the womb, and only grew worse
 from there. They were pitted against
 each other in childhood, and their father
 left them with a legacy that was a race
 to the finish-whoever has an heir first
 inherits the lands. The only problem is
 that Brochan has given his loyalty to the
 Scots, and his brother to the English. In
 order to keep the lands and ships under
 Scottish control, Robert the Bruce
 demands Brochan marry to break the
 iron-clad will. His new bride harbors a
 fiery temperament that lures Brochan
 into stoking her passions instead of her
 ire. Aligned to strengthen the Scottish
 claims on the realm, Brochan and Ceana
 must work together to overcome the
 obstacles that bind them. But perhaps
 seeing their duties through does not
 have to be as painful as they both
 predicted. Is it possible that love can be
 forged from a union born in alliance?
 Maybe Fate knew all along just who was
 meant for who...
