A Golf Journey Jones & Bartlett Publishers

When PGA Tour commercials tout These Guys Are Good, they're referring to the players on the Tour. But, as The Tour illustrates, the phrase also applies to the behind-the-scenes people who help make the PGA Tour the most successful it's ever been. From greens keepers and Tour organizers to trainers and the professional golfers themselves, no golf ball is left unturned in this comprehensive collection of images and essays. Through black-and-white photography and one-on-one interviews, renowned photojournalist Dick Durrance II presents an insider's view of the human story behind the PGA Tour. Readers get a firsthand account of the PGA Tour from perspectives rarely heard, such as those of the wives of top PGA players, the Tour's best course superintendents, and the TV crews who televise each Tour event. The book also includes a section on Tigermania from the viewpoint of the loyal fans trying to catch up with golf's youngest legend, Tiger Woods. The Tour provides golf enthusiasts with a rich treasure of photos and stories, making this a must-have collection for fans of golf's most significant event

The Business of Sports Routledge

The PGA Tour's beginnings can be traced to 1895, when Willie Dunn battled Willie Park, Jr. for an unprecedented \$200 purse. By the mid-70s, the Tour was Big-Money Golf--huge purses, endorsement contracts, and all the celebrity of modern-day sport. 35 b&w photos.

Q School Confidential Taylor Trade Publishing

Updated and revised with the latest data in the field, *Principles and Practice of Sport Management, Sixth Edition* provides students with the foundation they need to prepare for a variety of sport management careers. Intended for use in introductory sport management courses at the undergraduate level, the focus of the Sixth Edition is to provide an overview of the sport industry and cover basic fundamental knowledge and skill sets of the sport manager, as well as to provide information on sport industry segments for potential employment and career opportunities.

City of Champions ABRAMS

"The Ultimate PGA TOUR Book of Trivia tests even the most committed golf fan's knowledge of the game. From little-known facts and figures to famous courses and players' quirks, this book provides insight into the archive of stories and stats of the PGA TOUR. Divided into six sections, it covers the basics of the game from equipment and general stats to rules and etiquette; the origins of golf, highlighting famous golfers throughout time, dates, and historical anecdotes; milestones in golf regarding players, courses, history, tournaments, and records; profiles of hundreds of professional golfers, both famous and lesser known, including nicknames, handicaps, triumphs, and gaffes; numbers on everything from wins and losses from the early 20th century to modern day stats; and specifics on dozens of courses, their various holes and course terrain, tournaments, and even clubhouses.

Links, Lore, & Legends iUniverse

The author explores the history of the Augusta National Golf Club and its connection with the rich and famous. "Behind the wondrous scenes and memorable tournament play, however, resides a secretive and clannish club with a gentlemen-only membership of three hundred."--Jacket

The Comprehensive Guide to Careers in Sports Macmillan

Byron Nelson, Ben Hogan, Lee Trevino, Dave Marr, Ben Crenshaw, Lanny Wadkins, Sandra Haynie, Rick Beem—names known to golfers everywhere—populate Texas golf history. This book chronicles the development of golf in Texas decade by decade focusing on highlighted events, players, pros, teachers, courses, and tournaments. It includes "10 Historic Events You Don't Know About."

The Golfer of the Decade on the Pga Tour St. Martin's Press

NEW YORK TIMES BESTSELLER • In *Slaying the Tiger*, one of today's boldest young sportswriters spends a season inside the ropes alongside the rising stars who are transforming the game of golf. For more than a decade, golf was dominated by one galvanizing figure: Eldrick "Tiger" Woods. But as his star has fallen, a new, ambitious generation has stepped up to claim the crown. Once the domain of veterans, golf saw a youth revolution in 2014. In *Slaying the Tiger*, Shane Ryan introduces us to the volatile, colorful crop of heirs apparent who are storming the barricades of this traditionally old-fashioned sport. As the golf writer for Bill Simmons's *Grantland*, Shane Ryan is the perfect herald for the sport's new age. In *Slaying the Tiger*, he embeds himself for a season on the PGA Tour, where he finds the game far removed from the genteel rhythms of yesteryear. Instead, he discovers a group of mercurial talents driven to greatness by their fear of failure and their relentless perfectionism. From Augusta to Scotland, with an irreverent and energetic voice, Ryan documents every transcendent moment, every press tent tirade, and every controversy that made the 2014 Tour one of the most exciting and unpredictable in recent memory. Here are indelibly drawn profiles of the game's young guns: Rory McIlroy, the Northern Irish ace who stepped forward as the game's next superstar; Patrick Reed, a brash, boastful competitor with a warrior's mentality; Dustin Johnson, the brilliant natural talent whose private habits sabotage his potential; and Jason Day, a resilient Aussie whose hardscrabble beginnings make him the Tour's ultimate longshot. Here also is the bumptious Bubba Watson, a devout Christian known for his unsportsmanlike outbursts on the golf course; Keegan Bradley, a flinty New Englander who plays with a colossal chip on his shoulder; twenty-one-year-old Jordan Spieth, a preternaturally mature Texan carrying the hopes of the golf establishment; and Rickie Fowler, the humble California kid striving to make his golf speak louder than his bright orange clothes. Bound by their talent, each one hungrier than the last, these players will vie over the coming decade for the right to be called the next king of the game. Golf may be slow to change, but in 2014, the wheels were turning at a feverish pace. *Slaying the Tiger* offers a dynamic snapshot of a rapidly evolving sport. Praise for *Slaying the Tiger* "This book is going to be controversial. There is no question about it. . . . It is the most unvarnished view of the tour—the biggest tour in the world—that I've ever read. And it's not close."—Gary Williams, Golf Channel "A must-read for PGA Tour fans from the casual to the most dedicated . . . This book is certain to be as

important to this era as [John] Feinstein's [A Good Walk Spoiled] was two decades ago. . . . A well-researched, in-depth look at the men who inhabit the highest levels of the game."—Examiner.com "A masterfully written account of an important time in golf history."—Adam Fonseca, *Golf Unfiltered* "Absolutely marvelous . . . Ryan's writing flows and his reporting turns pages for you."—Kyle Porter, CBS Sports "A riveting read."—Library Journal "Ryan's fresh look is just what we golfer/readers want."—Curt Sampson, New York Times bestselling author of *Hogan* "Ryan does a fantastic job painting a thoughtful and accurate portrait of the new crop of heirs apparent."—Stephanie Wei, *Wei Under Par*

Tournament Management Simon and Schuster

The success of the PGA Tour lies in the compelling stories of the individual quests for achievement—making the tournament cut, winning a tournament, qualifying for the FedEx Cup Playoffs, and the ultimate challenge of making it onto the Tour, where victory is often determined by a single stroke. Based on interviews with more than twenty professional golfers, this book provides new insight into the PGA Tour system, the events affecting tournament outcomes, and the career-changing opportunities that result.

Golf's Golden Grind Andrews McMeel Publishing

The Golfer of the Decade is a prize that has never been awarded, even though the Golfer of the Century was so honored. This book tells the story of the PGA Tour as a battle between the greatest golfers of the game for the prize of The Golfer of the Decade throughout its history. I define The Golfer of the Decade as that golfer who won the most tournaments on the PGA Tour in each calendar decade. In case of tie, the winner would be that golfer, among those tied, who won the most majors. The year 2006 was the 90th anniversary of the PGA Tour and the 10th anniversary of Tiger Woods's membership on the PGA Tour. This book provides an opportunity to compare the accomplishments of Tiger Woods with the greatest players in the game who preceded him. This book is not only about Walter Hagen, Paul Runyan, Ben Hogan, Sam Snead, Arnold Palmer, Jack Nicklaus, Tom Watson, Nick Price, and Tiger Woods. It is also about the battles they fought and the players with whom they competed to earn the title of The Golfer of the Decade on the PGA Tour.

A Good Walk Spoiled Little, Brown

How did Jack Nicklaus become a legend? Nicklaus's life is one of extraordinary achievement: Not only did Jack Nicklaus win eighteen PGA Tour Majors, and eight Senior PGA Tour Majors during his one hundred victories worldwide, but he also gained fame as a golf course designer and goodwill ambassador. Internationally acclaimed speaker and specialist medical practitioner Dr. John Tickell was one of millions in awe of the achievements of Jack Nicklaus. He wanted to know the secrets of the great man's enormous success in golf and life. When Dr. Tickell met Jack Nicklaus, he was given many insights into both the physical and mental demands of Nicklaus's accomplishments. In this book Dr. Tickell interviews Jack Nicklaus about his remarkable success and illustrates the how and the why of that success. Dr. Tickell asked Jack Nicklaus to help him design a golf course. They combined their talents to build a championship course at the Heritage Golf and Country Club in Melbourne, Australia. During their time together, Nicklaus shared with Dr. Tickell the Four Principles of Greatness and other pointers to success. They spent many hours together discussing life and golf, golf and life, and now share with you those lessons on how to become a better golfer and, more

important, a better human being. This book presents seventy-two lessons on golf and life from a man who has consistently reached the top of the mountain in all aspects of life. It will motivate and uplift you—and quite possibly shave a few strokes off your game as well.

Golfwatching Macmillan

This book explores the business aspect of sports with an orientation to those topics that are most relevant to journalists, providing the foundation for understanding the various parts of the sports business. Moving beyond sports writing, this text offers a distinct perspective on professional, college, and international sports organizations – structure, governance, labor issues, and other business factors within the sports community. Written clearly and compellingly, *The Business of Sports* includes cases (historical, current, and hypothetical) to illustrate how business concerns play a role in the reporting of sports. New features for the second edition include: updates throughout, including disciplinary policies throughout the major sports leagues expanded discussion of intellectual property issues and merchandising new sections on ethical issues in sports, aimed at journalists. Offering critical insights on the business of sports, this text is a required resource for sports journalists and students in sports journalism.

Tournaments & Events William Morrow & Company

Bestselling sports writer Feinstein tells the story of the one event in golf guaranteed to break hearts: the PGA Tour Qualifying Tournament.

Making the Cut Jones & Bartlett Learning

This is a NGF InfoPac publication. InfoPacs are bound collections of full-text articles, compiled & copied from various golf industry magazines, newsletters, & journals.

Principles and Practice of Sport Management Simon and Schuster

How Mike Weir became a Canadian hero, winning the 2003 Masters Tournament and proving that sometimes nice guys finish first Lorne Rubenstein has been following Mike Weir's career since the slim kid from Brights Grove, Ontario, near Sarnia, started winning amateur tournaments. Weir was a star on the Brigham Young University golf team before turning professional in 1992. It was clear to Lorne Rubenstein that the gentlemanly left-hander had what it takes to make it to golf's pinnacle. But there's a world of difference between being a pro golfer who is good enough to make a living on the tour and the elite group that wins one of the majors: the Masters, the U.S. Open, the British Open, and the PGA Championship. Mike had done well on the PGA Tour in the past, winning three tournaments in his first few years there. Then came 2002, a season that began with great hopes that he would make it to the top flight. But the season proved a disappointment, and some golf observers whispered that Weir did not have what it takes to withstand the pressure and win a major. Lorne Rubenstein never wavered in his belief. Having followed Mike for so many years, he still felt

that Weir could win a major. After Mike began the 2003 season with two wins, Lorne decided to write a book about his quest to win a major. Mike agreed to cooperate, and so Lorne followed his every shot at the Augusta National Golf Club during the 2002 Masters. After Tiger Woods has slipped the green jacket over Mike Weir's shoulders, in the midst of one of the many press conferences, Mike smiled at Lorne and said, "I guess this will help the book, right, Lorne?" We guess so, too. We're guessing that this chronicle of Mike Weir's journey, with a heavy emphasis on the Masters win that set millions of Canadians cheering, will be a major sports gift book this Christmas. From the Hardcover edition.

Augusta John Wiley & Sons

Sportswriter Tim Rosaforte presents an eye-opening account on the life and times of Tiger Woods with *Raising the Bar*. The Masters, the U.S. Open, the British Open, the PGA Championship. The Career Grand Slam. At age 24. He could very well be the greatest golfer to ever play the game. *Raising the Bar* is the story of how Tiger Woods changed his life, his game, and the way America views golf. There have been many biographies written about Tiger's life and early days with the PGA, but each ends with his triumphant victory in the 1997 Masters Championship. In the last few years Tiger has endured a lifetime of experiences, including his growing pains, his perceived slump in 1998, his incredible winning streak from 1999-2000, culminating in his career grand slam. Critically acclaimed golf writer and commentator Tim Rosaforte has watched Tiger since he burst onto the golfing scene and been an up-close observer of the Tiger's life both on and off the course. Totally revised and updated, *Raising the Bar* includes Tiger's latest victories—including his historic 2001 Masters victory that completed the Tiger slam—and provides intense insight into his amazing career.

Walking with Friends Little Brown

Recounts the origins of the PGA tour in 1916 and its development up to the present, highlighting the finest players and notable contests, with statistics for all tournaments through 1988.

Mike Weir ABRAMS

In 1999, the PGA TOUR Qualifying Tournament—known to many as Q School—found itself sitting on 35 years of unique history. *Q School Confidential* chronicles this tournament's deep, dense story of heartbreak, black humor, back-room politics and magnificent golf under dire circumstances. Using

the 1998 PGA TOUR Qualifying School finals as his backdrop, golf writer David Gould recounts for the first time ever the history of the pro tour's annual qualifier, with revealing anecdotes about raw rookies, aging veterans and every dreamer in between. The vintage stories in the Q School's near and distant past tell of emotional and physical breakdown—and courage, as well—under pressure: Jim Carter's self-confessed "choke stories" of 1990 and 1992; Mark McCumber's recurring lost-scorecard nightmare; Peter Jacobsen's ordeal with a cheater on the Mexican border; Jim McLean's bizarre arrest on the qualifier's eve; and Mac O'Grady's violent celebration of his long-awaited Q School success. The players captured in these pages turn white with panic, vomit their breakfast, sleep in their cars, practice on interstate ranges, lose golf shoes, forget contact lenses and make fateful decisions based on faulty information. Sifting back through several eras, Gould explains the innocent aims of the first Q Schools and uncovers the tournament's pivotal role in the momentous split-up of the PGA and the PGA TOUR. He examines the difficult question of how professional golf should go about bringing in new players and letting former players regain their privileges. In the voices of forgotten or never-known tour pros from the 1970s, he narrates the frustrating "rabbit era" that Q School helped create, and revisits the infamous "breakaway Q School" of 1968. In notes that accompany this book's exclusive year-by-year scoring records, the author picks out hidden turning points, bits of trivia and strange coincidences in the lives of tour players past and present. These profiles and snapshots of the earliest Q School survivors and the most recent graduates, as well, are woven together in a warm, engaging and insightful narrative. *Q School Confidential*, sometimes bleak, sometimes triumphant, provides the first and only inside look at a cruel and unusual tournament that many consider golf's toughest test of all.

These Guys are Good Union Square & Co.

As lush as the gorgeously landscaped courses it covers, this completely new edition, lavishly illustrated with 250 full-color photographs, takes readers on a highly entertaining tour of the 2005 PGA Tour. In addition to an anecdotal history of each tournament, the author—a noted authority who was editor-in-chief of "Golf Magazine" for 25 years—also provides valuable tips on how to play certain shots. 0-8109-4950-4 \$50.00 / Harry N. Abrams, Inc.

PGA Tour, 1996 M&S

"Provides an overview of what students should consider and expect from the varied career options available to them in the sports industry. This book answers the questions students are most likely to have, including what courses they should take, the areas of study available to them, the salary they can expect to earn after graduation, and how they can get the job of their dreams. This essential guide will help increase students' likelihood of finding careers in the highly competitive sports industry."--
