The third in a bestselling series of inspiring quotes from business leaders The Mark Zuckerberg most people know is the one depicted in Academy Award-winning film *The Social Network*: a nerdy, insecure and socially awkward young man - hardly the image of a top-flight CEO in command of one of the world's largest and most successful companies. Achieving the

growth of Facebook as fast as Zuckerberg has is no mean feat, especially when you consider that he had never raised a dollar from investors, nor managed a single employee before. At the helm of Facebook, Zuckerberg not only has to run fast to maintain the company's high-profile success, but also needs to fight to stay ahead of some of the richest, most talented and most aggressive companies in the world. In this collection of quotations taken from interviews, presentations, media announcements and

more, we see a new breed of business leader with a new way of thinking about business and success in a constantly changing world.
