HEAVEN DEANNA

Père riche père pauvre - édition 20e anniversaire Vintage
 The phenomenal New York Times bestseller that “explores the upstairs-downstairs goings-on of a posh Parisian apartment building” (Publishers Weekly). In an elegant hôtel particulier in Paris, Renée, the concierge, is all but invisible—short, plump, middle-aged, with bunions on her feet and an addiction to television soaps. Her only genuine attachment is to her cat, Leo. In short, she’s everything society expects from a concierge at a bourgeois building in an upscale neighborhood. But Renée has a secret: She furtively, ferociously devours art, philosophy, music, and Japanese culture. With biting humor, she scrutinizes the lives of the tenants—her inferiors in every way except that of material wealth. Paloma is a twelve-year-old who lives on the fifth floor. Talented and precocious, she’s come to terms with life’s seeming futility and decided to end her own on her thirteenth birthday. Until then, she will continue hiding her extraordinary intelligence behind a mask of mediocrity, acting the part of an average pre-

teen high on pop culture, a good but not outstanding student, an obedient if obstinate daughter. Paloma and Renée hide their true talents and finest qualities from a world they believe cannot or will not appreciate them. But after a wealthy Japanese man named Ozu arrives in the building, they will begin to recognize each other as kindred souls, in a novel that exalts the quiet victories of the inconspicuous among us, and “teaches philosophical lessons by shrewdly exposing rich secret lives hidden beneath conventional exteriors” (Kirkus Reviews). “The narrators’ kinetic minds and engaging voices (in Alison Anderson’s fluent translation) propel us ahead.” —The New York Times Book Review “Barbery’s sly wit . . . bestows lightness on the most ponderous cogitations.” —The New Yorker

Rich Dad's Rich Kid, Smart Kid Un monde different

Rich Dad's Rich Kid, Smart Kid is a story of two dads with very different opinions of money. One is a highly educated professor; the other dad is an eighth grade drop out. The highly educated dad passed away leaving his family with nothing except some unpaid bills. The eighth grade drop out dad became one of the richest men in Hawaii and left a business empire to his son. The educated dad would say "I can't afford this". The drop out dad would ask himself "How can I afford this?". Robert writes how the rich dad teaches two boys invaluable lessons about money by making them experience the lessons for themselves. The key concept of this book is to realize how to use your mindset and your time to create your personal wealth, free yourself from the "rat race", open your eyes to the opportunities around you, create solutions and ultimately "mind your own business". This book will teach you how to make money work for you and how not to become a slave to it.

Why the Rich Are Getting Richer MacMillan

This exquisite novel tells the story of one of the most compelling heroines in modern literature--Emma Bovary. "Madame Bovary has a perfection that not only stamps it, but that makes it stand almost alone; it holds itself with such a supreme unapproachable assurance as both excites and defies judgement." - Henry James Unhappily married to a devoted, clumsy provincial doctor, Emma revolts against the ordinariness of her life by pursuing voluptuous dreams of ecstasy and love. But her sensuous and sentimental desires lead her only to suffering corruption and downfall. A brilliant psychological portrait, Madame Bovary searingly depicts the human mind in search of transcendence. Who is Madame Bovary? Flaubert's answer to this question was superb: "Madame Bovary, c'est moi." Acclaimed as a masterpiece upon its publication in 1857, the work catapulted Flaubert to the ranks of the world's greatest novelists. This volume, with its fine translation by Lowell Bair, a perceptive introduction by Leo Bersani, and a complete supplement of essays and critical comments, is the indispensable Madame Bovary.
