Allison Westfahl's Core Envy will tone and sculpt your abs, back, stomach, and sides—and build a strong, sexy core you'll love showing off. Her Core Envy program solves the problems other abs programs ignore with a three-part approach to slim down and tone up. You'll clean up your diet, fire up your metabolism, and tighten up all the muscles of your core without a gym or equipment. In just three weeks, you'll start seeing results. Westfahl is an acclaimed personal trainer who developed her effective core sculpting program for women at several of the nation's most prestigious health clubs. Her clients came to her because they were frustrated by traditional abs programs that involved impossible diets, endless cardio and crunches, sketchy supplements, and tedious calorie counting. Allison's 8-week Core Envy program is a better way to tone and sculpt. Core

Envy lays out a triple threat of cardio workouts, sculpting routines, and a diet makeover. It's a balanced approach that promotes both fitness and weight loss, and you won't need a gym to make it happen. Allison's cardio and sculpting workouts average just 30 minutes and don't require special equipment. Her high-intensity cardio workouts coupled with full core functional exercises will make sure you slim down while you sculpt all the muscle groups you need for a sleek, toned core. Three levels let you amp it up or tone it down to match your current fitness level. Allison streamlines dieting with healthy, flavorful foods and snacks that will keep you energized as you rev up your metabolism. Her tasty recipes and complete meal plans simplify calorie counting and make weight loss painless. Core Envy will help you get the sleek, sculpted core you want. After Westfahl's 8-week program, you'll look great and feel confident rocking a fit and feminine look. Allison Westfahl is an exercise physiologist, certified personal trainer, and fitness nutrition

specialist. After earning an undergraduate degree from Yale, Westfahl moved to Denver to pursue a career in helping people live a healthy, active lifestyle. She quickly made her mark on the industry, becoming the youngest-ever Director of Personal Training at a nationally top-rated health club. She has managed and directed personal training teams at high-end health clubs in Boulder and Denver since 2003. Westfahl is known for creating innovative, effective core strength and sculpting routines. She has trained elite professional athletes, helped choreograph workout videos for Gaiam, and been featured in publications ranging from Shape to Bicycling to the Denver Post. She holds an MS in exercise science and a coaching certification from USA Triathlon, and has earned a CPT, PES, and FNS from the National Academy of Sports Medicine.

For years experts have been telling Americans what to eat and what not

to eat. Fat, they told us, was the enemy. Then it was salt, then sugar, then cholesterol... and on it goes. Americans listened and they lost -- but not their excess fat. What they lost was their health and waistlines. Americans are the fattest people on earth... and why? Mainly because of the food they eat. In this scientific and revolutionary book, based on Nobel Prize-winning research, medical visionary and former Massachusetts Institute of Technology researcher Dr. Barry Sears makes peak physical and mental performance, as well as permanent fat loss, simple for you to understand and achieve. With lists of good and bad carbohydrates, easy-to-follow food blocks and delicious recipes, *The Zone* provides all you need to begin your journey toward permanent fat loss, great health and all-round peak performance. In balance, your body will not only burn fat, but you'll fight heart disease, diabetes, PMS, chronic fatigue, depression and cancer, as well as alleviate the painful symptoms of diseases such as multiple sclerosis and HIV. This *Zone* state of exceptional health is well-known to

champion athletes. Your own journey toward it can begin with your next meal. You will no longer think of food as merely an item of pleasure or a means to appease hunger. Food is your medicine and your ticket to that state of ultimate body balance, strength and great health: the *Zone*.

Dr Mike Moreno's 17 Day Diet is a revolutionary new weight-loss programme that activates your skinny gene so that you burn fat day in and day out. The diet is structured around four 17-day cycles: Accelerate- the rapid weight loss portion that helps flush sugar and fat storage from your system; Activate-the metabolic restart portion with alternating low and high calorie days to help shed body fat; Achieve - this phase is about learning to control portions and introducing new fitness routines; Arrive - A combination of the first three cycles to keep good habits up for good. Each cycle changes your calorie count and the food that you're eating. The

variation that Dr. Mike calls 'body confusion' is designed to keep your metabolism guessing. This is not a diet that relies on a tiny list of approved foods, gruelling exercise routines, or unrealistic calorie counts that leave you hungry and unfulfilled. Each phase comes with extensive lists of what dieters can and can't eat while on the phase, but also offers acceptable cheats. He advises readers not to drink while on the diet, but concedes that if they absolutely have to then they should at least drink red wine. Dr Mike knows that a diet can only work if it's compatible with the real world, and so he's designed the programme with usability as a top priority.

The Easy, Fast Way to Weight Loss!: Lose Up to 25 Pounds in 2 Short Weeks! Penguin

Research shows that although people can lose 5 to 10 percent of their body weight on any given diet, dieting itself is a consistent predictor of future weight gain. Why? At some point, everyone stops dieting. The Lean Muscle Diet solves the sustainability problem while offering immediate results. It's simple: act as if you already have the

body you want. If a reader is, say, a 220-pound man who wants to become a muscular 180-pounder, he then uses The Lean Muscle Diet's formula to eat and train to sustain a 180-pound body. The transformation begins immediately, and the results last for life. Lou Schuler, who has sold more than one million copies of his fitness books worldwide, and Alan Aragon, nutrition advisor to Men's Health, have created an eating and "metabolically expensive" exercise plan designed to melt fat while building muscle. The best part? The plan allows readers to eat their favorite foods, no matter how decadent. With full support from Men's Health, The Lean Muscle Diet delivers a simple--and simply sustainable--body transformation plan anyone can use.

Are you tired of diets that don't work? Tired of being put in a box of eating dos and don'ts? The world is full of mixed messages when it comes to our health, and it can be hard to know who or what to trust. But what if the one source we trust the most—God and his Word, the Bible—could also teach us about how to live healthy and love ourselves, both spiritually and physically? TRUE Health is your complete guide to recognizing and releasing health struggles, embracing who you are, and stepping fully into your God-given potential. Author and certified health and life coach Julie Watson shows you how to achieve better health without depriving yourself or trying to adopt practices you don't enjoy. It's your life and your personal journey. Health is about having the mindset, nourishment, and self-understanding that will set you up for success. You need a strategy for your health and for your life that is true to you—and to the woman God is calling you to be. With sound, practical strategies and the spiritual and

emotional encouragement you can receive from faith in God, you will learn how to create true health so you can show up fully in this world, stop playing small, and live the life you are meant to live!
