Mrs. Piggie Wiggle. Features charming illustrations. Marge the babysitter might look like a very tiny elfin grandmother at first, but in these three hilarious stories, she's letting down her rainbow hair and getting in a brand-new heap of trouble. Siblings Jemima and Jake Button are used to things being very sensible: their babysitters always follow the lists of rules from Mommy and Dad. But sometimes sensible isn't very fun—and with Marge around, you've got to stay on your toes! Before you can say Kalamazoo!, there's a pirate baby on the loose, lost treasure at the neighborhood pool, and chaos at a very important wedding. When Marge is in

charge, you truly never know what will happen next!

Jane Austen's Emma

HarperCollins

Pug and Lady Miranda are off to the seaside! Pug is dreaming of naps under the beach umbrella, but when a little mishap means he has to wear an eyepatch, things quickly get a lot less snoozy! Soon Pirate Pug and his ragtag crew of friends find themselves on the trail of buried treasure. They have to reach the island where X marks the spot before the other pirates beat them to it. There's just one problem – Pug is scared of water! Laura James's fourth book about a roly-poly pug and his best friend, Lady Miranda, is perfect for fans of Claude and Squishy

The blue box Elfangor used to create the Animorphs has been found by a kid named David. David has no idea what he has -- or what it can do. But Marco does. And when he sees David with it, he knows the Animorphs have to get

that box. At any cost. But what should have been a simple plan ends up going horribly wrong, leaving David on the run with the Animorphs. Now they have only two choices: turn David over to the Yeerks or make him an Animorph. Part one of a trilogy.

Tales from Outer Suburbia Bantam

A fresh, funny and accessible retelling of Jane Austen's classic story, with witty black and white illustrations throughout. Emma Woodhouse is pretty, clever and rich, and sees no reason why she would ever need to get married. But she loves matchmaking for her neighbours, despite the advice of her friend Mr Knightley, who warns her against meddling. Her latest success - the wedding

of her governess - makes her certain that she can find the right match for anyone. Can Emma's lucky streak continue? Or will best laid plans unravel... as they always seem to do? Katy Birchall is the author of the IT Girl and Secrets of a Teenage Heiress series. An Austen obsessive, she's incredibly excited to introduce Emma Woodhouse to a whole new raft of readers. Églantine Ceulemans captures all of Austen's satire and wit, bringing her colourful casts to life with warm and funny black and white illustrations. Illustrated and retold editions are also available for: Pride and Prejudice, Persuasion, Sense and Sensibility, Mansfield Park and Northanger Abbey. The perfect way

to discover Austen for the first time, this bright and bold collection features some of the most inspiring and famous heroines in English literature. For readers aged eight and up.

Excuse Me!

Bloomsbury Publishing
This is the story of how one family survives the Guatemalan army's 'scorched earth' campaign in the 1980s and how, in the midst of tragedy, suspicion and fear, their resilient love and loyalty - and Papa's storytelling - keeps them going. On their harrowing journey as refugees to the United States, the dramatic ebb and flow of events are mirrored in the tapestries of one daughter's dreams.  'Mark Lowery is far too funny' Jonathan Meres, author of THE WORLD OF NORM The fourth book in the hilarious and anarchic ROMAN GARSTANG ADVENTURE series
 Incredibly, unbelievably, Roman's cousin is marrying the cousin of Rosie Taylor (AKA The Worst Person Who Ever Lived) cousin. Roman can't believe this (as Rosie says: "How can we be in the same family, we're barely in the same species"). Rosie's parents decide they should go along together and "make a weekend of it". Roman's plus one is his best friend Gamble (probably the

naughtiest kid in Europe) - and it's the beginning of another big, messy, catastrophic and uproarious adventure for Roman - with Winnebagos, illegal thrash metal festivals and campsite beauty contests all thrown into the mix ...

Journey of Dreams

Meghan March LLC

"A triumph of the imagination. Rich, complex, impossible to put down."—Alice Hoffman
 In the middle of the twenty-first century, life as we know it has changed for all time. Shira Shipman's marriage has broken up, and her young son has been taken from her by the corporation that runs her zone, so she has returned to Tikva, the Jewish free town where she grew up. There,

she is welcomed by Malkah, the brilliant grandmother who raised her, and meets an extraordinary man who is not a man at all, but a unique cyborg implanted with intelligence, emotions—and the ability to kill. . . . From the imagination of Marge Piercy comes yet another stunning novel of morality and courage, a bold adventure of women, men, and the world of tomorrow.

Marge and the Great Train Rescue

HarperCollins

Mike Leonard is a lucky man. It's not everyone who gets parents like Jack and Marge. At eighty-seven, Jack is a pathological optimist with an inexhaustible gift of gab. Marge, Jack's bride of sixty years, though cut from

the same rough bolt of Irish immigrant cloth, is his polar opposite—pessimistic and proud of it. What was their son, Mike, thinking when he took a sabbatical from his job with NBC News so he could pile these two world-class originals along with three of his grown kids and a daughter-in-law into a pair of rented RVs and hit the road for a month? Mike was thinking that he wanted to give his parents the ultimate family reunion. And so, one February morning, three generations of Leonards set out on their journey under the dazzling Arizona sky. Thirty minutes later, one of the humongous recreational vehicles has an unplanned meeting with a concrete island at a

convenience store. Thus begins the adventure of a lifetime—and an absolute gem of a book. In the course of their humorous, often poignant cross-country tour, from the desert Southwest to the New England coastline, the Leonards reminisce about their loves, their losses, and their rich and heartwarming (and sometimes heartbreaking) lives, while encountering a veritable Greek chorus of roadside characters along the way. The home stretch finds the clan racing back to Chicago, hoping to catch the arrival of the next generation, Jack and Marge's first great-grandchild. Through it all, Mike pieces together a century of family lore and lunacy—and discovers

surprising sides to his parents that allow him to see them in a whole new light. Mike Leonard has captivated millions of television viewers with his wry and witty feature stories for NBC's Today. Now he brings that same engaging charm and keen insight to the foibles and passions of his own blessedly unique family. By turns uproariously funny and deeply moving, *The Ride of Our Lives* delivers a lifetime of laughs, lessons, and priceless memories. This edition's exclusive DVD features never-before-seen footage from the trip as well as candid family video and photographs. *Safari Pug* Simon and Schuster
A fresh, funny and accessible retelling of

Jane Austen's best-known story, with witty black and white illustrations throughout. Elizabeth Bennet is the second eldest in a family of five daughters. Although their mother is very keen to see them all married to wealthy men, Elizabeth is determined that she will only ever marry for love. At a ball, Elizabeth meets Mr Darcy, who at first she believes is proud and haughty. But perhaps there is more to him than first meets the eye... Katherine Woodfine is best known for her historical series, The Sinclair Mysteries, which includes The Clockwork Sparrow. A huge fan of Jane Austen from a young age, she's perfectly placed to bring the Bennet

sisters to a new audience. Eglantine Ceulemans captures all of Austen's satire and wit, bringing her colourful casts to life with warm and funny black and white illustrations. Illustrated and retold editions are also available for: Emma, Persuasion, Sense and Sensibility, Mansfield Park and Northanger Abbey. The perfect way to discover Austen for the first time, this bright and bold collection features some of the most inspiring and famous heroines in English literature. For readers aged eight and up. [Mazy the Movie Star](#) Bonnier Publishing Fiction Ltd. Fiction. These quirky, exuberant stories range from the Caribbean to small-town Pennsylvania to a

post-apocalyptic state forest. A noted psychologist and lifelong religious skeptic is scolded by tiny statues of the Virgin Mary. Remedios, a recent college graduate, explores the Afro-Puerto Rican spirituality of her grandparents and discovers a history book that is writing itself. Dissident geologist Pilar Quinones is shut out of a shelter during a biochemical attack and winds up in a forest presided over by a joyful Devil. In the story cycle "The Wives," we hear from the exiled ex-wife of a 20th-Century revolutionary-turned-dictator, the abandoned wife of an 18th-Century pirate, the restless wife of a 10th-Century priest,

and the deposed, indignant wife of God himself. Veering between the realistic and the fabulist, these tales might best be described as whimsical-realist or magic-absurdist. A number of them have been published in literary journals such as *Painted Bride Quarterly*, *Natural Bridge*, *Terrain*, *Specs*, *Segue*, and *Fringe*. "The Associated Virgins" earned a Special Mention in the 2013 Pushcart Prize volume.

In this modern

reimagining of Great Expectations, Korean American Pippa Park struggles to manage her grades, basketball,

friendship and cyberbullying. A True Story Marge and the Pirate Baby Breathtakingly illustrated and hauntingly written, Tales from Outer Suburbia is by turns hilarious and poignant, perceptive and goofy. Through a series of captivating and sophisticated illustrated stories, Tan explores the precious strangeness of our existence. He gives us

a portrait of modern suburban existence filtered through a wickedly Monty Pythonesque lens. Whether it's discovering that the world really does stop at the end of the city's map book, or a family's lesson in tolerance through an alien cultural exchange student, Tan's deft, sweet social satire brings us face-to-face with the humor and absurdity of modern life.
