The Darkest Pleasure

HQN Books
New York
Times
bestselling
author Gena Showalter has enthralled thousands of readers with her Lords of the

Underworld series. Delve into this darkly sensual world with The Darkest Facts, a companion guide.... I, Cronus, King of the Titans, powerful warrior god, defender of the people, hereby command you to read and enjoy this Lords of the Underworld guide. I am not mentioned nearly enough, but that is neither here nor there. What you will find in this guide includes: notes from those vile

fools, the Hunters; interviews with the Lords of the Underworld, as organized by that irreverent whelp William the Ever Randy; a candid discussion about the Lords of the Underworld among their women; answers to questions readers have been dying to know; and an intimate look at my very own sacred scrolls. As I said, you will read and you will enjoy. That is your

mission. Nay, your honor. Do not disappoint me. You will not like the results. Just ask Aeron, keeper of the demon of Wrath. Bad things tend to happen. This Lords of the Underworld guide is also available in the anthology Into the Dark. Discover how the Lords of the Underworld series began in The Darkest Night, and look for the latest novel, The Darkest Seduction, available now. Lothaire

After the death of his half brother, Stefan, at the hands of Vlad Tsepesh--also known as Dracula--and after the destruction of his vampire father, Arkady, also at the hands of Vlad, Abraham van Helsing has traveled the world slaying many vampires. With every vampire he destroys, Bram becomes stronger and Vlad weaker, and soon Bram hopes

he will be able to finally kill the fearsome vampire who has kept the Tsepesh family enslaved through a centuries-old blood ritual. But a desperate Vlad and his vampire great-niece, Zsuzanna, summon help from the most powerful, brutal, and beautiful vampire of all--Countess Elizabeth of Bathory. Bram learns of their plot to destroy him, and makes his own move to strike out at Vlad

before Vlad can put him to death. He teams up with a courageous band of humans as he hunts Vlad-- including Mina Harker and John Seward-- and they finally succeed in killing the head of the Tsepesh clan, just as Bram Stoker foretold in *Dracula*. But the terror does not end with the death of Vlad, for there is another force that drives Vlad, Zsuzanna, Elizabeth and all the

vampires, an ancient entity more evil than anything Bram has ever encountered: the Lord of the Vampires. And for Bram to defeat this dark lord, he must once again risk losing his very soul, to save not only his family, but humanity as well. In her final book in *The Diaries of the Family Dracul* trilogy, Jeanne Kalogridis brilliantly melds her own fascinating story of the Tsepesh family with that of Bram

Stoker's classic, *Dracula*. Told in diary form like the first two books and Stoker's own chilling tale, *LORD OF THE VAMPIRES* reveals the dark, startling truths behind the original *Dracula*. Showalter begins a dark, sexy new series—Rise of the Warlords—with a fan-favorite character from her beloved Lords of the Underworld series, Taliyah Skyhawk. The ice maiden faces off with her greatest enemy, a villain brutal beyond imagining. For centuries, Taliyah Skyhawk has prepared to become Harpy General, leader of the deadliest female army in existence.

One of the requirements? Remain a virgin. But, for a chance to save her people, she must wed the fearless leader of the Astra Planeta, Alaroc Phaethon. The time has come for Roc to sacrifice another virgin bride to his god. There has never been a woman alluring enough to tempt him from his path. No warriorress powerful enough to overcome his incredible strength. No enchantress

desirable enough to make him burn beyond reason. Until now. With the clock ticking, war between husband and wife ignites. Except Taliyah never expected the merciless king to challenge the future she once envisioned. She certainly never anticipated the thrill of their battles turning into games... The problem is, only one spouse can survive. Love is a battlefield in Showalter's The Warlord.
