The 1920 Diary is the most significant contemporary account of the tragedy of Eastern European Jewry during this period. The Diary also yields important insights into Babel's personal evolution, showing his youthful curiosity and his anguish as, frequently concealing his own Jewish identity, he mingled with the victimized Jews of the region's shtetls and with his Cossack comrades. Finally, the Diary sheds light on Babel's artistic development, revealing the path from observations recorded in excitement and despair to the painstakingly crafted narratives of the Red Cavalry cycle.

A literary cult figure on a par with Franz Kafka, Isaac Babel has remained an enigma ever since he disappeared, along with his archive, inside Stalin's secret police headquarters in May of 1939. Made famous by *Red Cavalry*, a book about the Russian civil war (he was the world's first "embedded" war reporter), another book about the Jewish gangsters of his native Odessa, and yet another about his own Russian Jewish childhood, Babel has been celebrated by generations of readers, all craving fuller knowledge of his works and days. Bringing together scholars of different countries and areas of specialization, the present volume is the first examination of Babel's life and art since the fall of communism and the opening of Soviet archives. Part biography, part history, part critical examination of the writer's legacy in Russian, European, and Jewish cultural contexts, *The Enigma of Isaac Babel* will be of interest to the general reader and specialist alike.

In this powerful and virtuosic collection of interlocking stories, each one "a marvel of concision and compassion" (*Washington Post*), a National Book Critics Circle Award finalist and "master of his form" (*New York Times*) takes the short story to new heights. Through forty-four compressed gems, Peter Orner, a writer who "doesn't simply bring his characters to life, he gives them souls" (*NYT Book Review*), chronicles people whose lives are at inflection points, gripping us with a series of defining moments. Whether it's a first date that turns into a late-night road trip to a séance in an abandoned airplane hangar, or a

family's memories of the painful mystery surrounding a neglected uncle's demise, Orner reveals how our fleeting decisions between kindness and abandonment chase us across time. These stories are anchored by a poignant novella that delivers not only the joys and travails of a forty-year marriage, but an entire era in a working-class New England city. Bristling with the crackling energy of life itself, *Maggie Brown & Others* marks the most sustained achievement to date for "a master of his form" (*New York Times*). NEW YORK TIMES BESTSELLER • From the Booker Prize-winning author of *Lincoln in the Bardo* and *Tenth of December* comes a literary master class on what makes great stories work and what they can tell us about ourselves—and our world today.

LONGLISTED FOR THE PEN/DIAMONSTEIN-SPIELVOGEL AWARD • ONE OF THE BEST BOOKS OF THE YEAR: *The Washington Post*, *NPR*, *Time*, *San Francisco Chronicle*, *Esquire*, *Milwaukee Journal Sentinel*, *Town & Country*, *The Rumpus*, *Electric Lit*, *Thrillist*, *BookPage* • "[A] worship song to writers and readers."—*Oprah Daily* For the last twenty years, George Saunders has been teaching a class on the Russian short story to his MFA students at Syracuse University. In *A Swim in a Pond in the Rain*, he shares a version of that class with us, offering some of what he and his students have discovered together over the years. Paired with iconic short stories by Chekhov, Turgenev, Tolstoy, and Gogol, the seven essays in this book are intended for anyone interested

in how fiction works and why it's more relevant than ever in these turbulent times. In his introduction, Saunders writes, "We're going to enter seven fastidiously constructed scale models of the world, made for a specific purpose that our time maybe doesn't fully endorse but that these writers accepted implicitly as the aim of art—namely, to ask the big questions, questions like, How are we supposed to be living down here? What were we put here to accomplish? What should we value? What is truth, anyway, and how might we recognize it?" He approaches the stories technically yet accessibly, and through them explains how narrative functions; why we stay immersed in a story and why we resist it; and the bedrock virtues a writer must foster. The process of writing, Saunders reminds us, is a technical craft, but also a way of training oneself to see the world with new openness and curiosity. *A Swim in a Pond in the Rain* is a deep exploration not just of how great writing works but of how the mind itself works while reading, and of how the reading and writing of stories make genuine connection possible.

Collected Stories of Isaac Babel Signet Classics

I WISH TO RESTORE to public memory certain features of a man endowed with great goodness of spirit, a passionate interest in people, and a miraculous gift for depicting them." So begins A. N. Pirozhkova's moving memoir of her life with Isaac Babel, perhaps the Soviet Union's greatest writer, and one of the literary world's most lively and endearing characters. Pirozhkova was the only female engineer working on Stalin's grand Moscow subway project when she met Babel in 1932 and they spent the next eight years as husband and wife. *At His Side* is populated with Babel's wide circle of friends - among them Maxim Gorky, Sergey

Eisenstein, and André Malraux - and includes some wonderful vignettes, as when Babel accompanies a cantankerous Boris Pasternak on a long train ride to Germany to receive a literary prize. But it is Babel himself, the affable and always witty writer, who is given vivid life on this pages. And then, in 1940, Stalin's secret police arrive at the door to take Babel away, and there begins the long and sorrowful aftermath to the story. After a mock trial, Babel was summarily executed, but his fate was kept from Pirozhkova and for years she was led to believe he was alive - and writing - in a Siberian prison camp. It was not until 1952 that she learned that Babel was dead, but even then the authorities played with the truth, claiming he'd died of a heart attack. It was only after the collapse of the Soviet Union that Pirozhkova learned the true circumstances of Babel's murder. "Babel lives in his wife's lucid yet adoring prose. We are with her, at his side"--New York Times Book Review "This glimpse into Babel's last few years on earth, written by the person closest to him, will be a treasured possession" --Richard Bernstein The New York Times

[Red Cavalry and Other Stories](#) New York Review of Books

"In these 35 stories, one struggles to find a sentence that is anything less than jewel-box perfect." —The New York Times Book Review Gina Berriault is known for the complexity and compassion with which she weaves her characters, and her stories are such models of economy that they seem almost telepathic. In this reissue of her collected stories—twenty years after its first publication—with a new introduction by renowned author and devoted Berriault advocate Peter Orner—we see the deft hand of this well-loved master of the short story at its best.

Berriault employs her vital sensibility—sometimes subtly ironic and sometimes achingly raw—to touch on the inevitability of suffering and the nature of individuality, daring to see into the essence of our predicaments. What moves us? What dictates our behavior? What alters us? Her writing is spare, evanescent, pulsing with life and shimmering with life's strange hope. Her stories illustrate the depth of her emotional understanding. "Half the women in the world are right now in bed, theirs or somebody else's, whether it's night or day, whether they want to be or not..." With *Women in Their Beds*, Berriault's prose—moving, honest, and wise—achieves a mastery of the short story form that was in evidence every step of her long career. She was a completely modern writer, blessed with an exquisite sense of the potency of words and the ability to create moments of empathy that are both disturbing and mysteriously amusing.

At His Side National Geographic Books

A new selection of Isaac Babel's 26 most vital and beautiful stories, in acclaimed translations by Boris Dralyuk Isaac Babel honed one of the most distinctive styles in all Russian literature. Brashly conversational one moment, dreamily lyrical the next, his

stories exult in the richness of everyday speech and sensual pleasure only to be shaken by brutal jolts of violence. These stories take us from the underworld of Babel's native Odessa, city of gangsters and lowlives, of drunken brawls and bleeding sunsets, to the terror and absurdity of life as a soldier in the Polish-Soviet War. Selected and translated by the prize-winning Boris Dralyuk, this collection captures the irreverence, passion and coarse beauty of Babel's singular voice.

Based on Babel's own diaries that he wrote during the Russo-Polish war of 1920, *Red Cavalry* is a lyrical, unflinching and often startlingly ironic depiction of the violence and horrors of war. A classic of modern fiction, the short stories are as powerful today as they were when they burst onto the Russian literary landscape nearly a century ago. The narrator, a Russian-Jewish intellectual, struggles with the tensions of his dual identity: fact blends with fiction; the coarse language of soldiers combines with an elevated literary style; cultures, religions and different social classes collide. Shocking, moving and innovative, *Red Cavalry* is one of the masterpieces of Russian literature.

MELANCHOLICALLY! BEAUTIFULLY!—TO THE RUSSIAN CLASSICS
No one who read Elif Batuman's first article (in the journal *n+1*) will ever forget it. "Babel in California" told the true story of various human destinies intersecting at Stanford University during a conference about the enigmatic writer Isaac Babel. Over the course of several pages, Batuman managed to misplace Babel's last living relatives at the San Francisco airport, uncover Babel's secret influence on the making of King Kong, and introduce her readers to a new voice that was unpredictable, comic, humane, ironic, charming, poignant, and completely, unpretentiously full of love for literature. Batuman's subsequent pieces—for *The New Yorker*, *Harper's Magazine*, and the *London Review of Books*—have made her one of the most sought-after and admired writers of her generation, and its best traveling companion. In *The Possessed* we watch her investigate a possible murder at Tolstoy's ancestral estate. We go with her to Stanford, Switzerland, and St. Petersburg; retrace Pushkin's wanderings in the Caucasus; learn why Old Uzbek has one hundred different words for crying; and see an eighteenth-century ice palace reconstructed on the Neva. Love and the novel, the individual in history, the existential plight of the graduate student: all find their place in *The Possessed*. Literally and metaphorically following the footsteps of her favorite authors, Batuman searches for the answers to the big questions in the details of lived experience, combining fresh readings of the great Russians, from Pushkin to Platonov, with the sad and funny stories of the lives they continue to influence—including her own.

You Must Know Everything Collected Stories of Isaac Babel

"Amazing not only as literature but as biography." —Richard

Bernstein, *The New York Times* One of the great masterpieces of Russian literature, the Red Cavalry cycle retains today the shocking freshness that made Babel's reputation when the stories were first published in the 1920s. Using his own experiences as a journalist and propagandist with the Red Army during the war against Poland, Babel brings to life an astonishing cast of characters from the exuberant, violent era of early Soviet history: commissars and colonels, Cossacks and peasants, and among

them the bespectacled, Jewish writer/intellectual, observing it all and trying to establish his role in the new Russia. Drawn from the acclaimed, award-winning *Complete Works of Isaac Babel*, this volume includes all of the Red Cavalry cycle; Babel's 1920 diary, from which the material for the fiction was drawn; and his preliminary sketches for the stories—the whole constituting a fascinating picture of a great writer turning life into art.
