August Turak is a successful entrepreneur, corporate executive, and award-winning author who attributes much of his success to living and working alongside the Trappist monks of Mepkin Abbey for seventeen years. As a frequent monastic guest, he learned firsthand from the monks as they grew an incredibly successful portfolio of businesses. Service and selflessness are at the heart of the 1,500-year-old monastic tradition's remarkable business success. It is an ancient though immensely relevant economic model that preserves what is positive and productive about capitalism while transcending its ethical limitations and internal contradictions. Combining vivid case studies from his thirty-year business career with intimate portraits of the monks at work, Turak shows how Trappist principles can be successfully applied to a variety of secular business settings and to our personal lives as well. He demonstrates that monks and people like Warren Buffett are wildly successful not despite their high principles but because of them. Turak also introduces other "transformational organizations" that share the crucial monastic business strategies so critical for success.

Song of Myself RDR Books

The perfect conversation for men with little to say can be summed up in eight words; Can you believe the weather at that game? Author Wes Yoders words are humorous. Yet, beyond the sports and weather chatter and silence that characterize many male conversations, there is brokenness. Emptiness. Shame. That's not funny. For Yoder, addressing th...

Spiritual Terrorism St Macrina Press

Hearing from God is extraordinary. But the circumstances He uses to reveal Himself may be more ordinary than we think. Neighbors and Wise Men introduces captivating dialogues and unexpected moments with God that go beyond the confines of a conventional religious system and offer the chance for powerful life transformation. Get to know Tony Kriz (known by many as "Tony the Beat Poet" in Donald Miller's best-selling book *Blue Like Jazz*) through his real-life conversations and experiences that prove that God can and will use anyone and anything— from Muslim lands to antireligious academics to post-Christian cultures—to make Himself known. Through his own prodigal-son backstory and return to faith, Tony presents biblical truth in a conversational, but bold light that offers readers the courage to open their eyes to the unlikely encounters that are all around us every day; chance run-ins that turn out to be anything but chance. Have we limited God's ability to speak in our world today? Have we relegated God's creative voice to the select persons who share our particular religious system? Kriz himself felt like he was falling out of faith until non-Christians encouraged him to "fall toward Christ."

The Making of Us FaithWords

Many Christians believe that they have to understand everything about their faith for that faith to be genuine. This isn't true. There are many things we don't understand about God, His Word, and His works. And this is actually one of the greatest things about the Christian faith: that there are areas of mystery that lie beyond the keenest scholarship or even the most profound spiritual exercises. Sadly, for many people these problems raise so many questions and uncertainties that faith itself becomes a struggle. But questions, and even doubts, are part of faith. Chris Wright encourages us to face the limitations of our understanding and to

acknowledge the pain and grief they can often cause. In *The God I Don't Understand*, he focuses on four of the most mysterious subjects in the Bible and reflects upon why it's important to ask questions without having to provide the answer: The problem of evil and suffering. The genocide of the Canaanites. The cross and the crucifixion. The end of the world. "However strongly we believe in divine revelation, we must acknowledge both that God has not revealed everything and that much of what he has revealed is not plain. It is because Dr. Wright confronts biblical problems with a combination of honesty and humility that I warmly commend this book." —John Stott

From Salman Rushdie to John Grisham, Crace retells the big books in just 500 biting satirical words, pointing his pen at the clunky plots, stylistic tics and pretensions of Big Ideas, as he turns publishers' golden dream books into dross.

One of the Greatest Poems in American Literature Walt Whitman (1819-1892) was considered by many to be one of the most important American poets of all time. He had a profound influence on all those who came after him. "Song of Myself", a portion of Whitman's monumental poetry collection "Leaves of Grass", is one of his most beloved poems. It was through this moving piece that Whitman first made himself known to the world. One of the most acclaimed of all American poems, it is written in Whitman's signature free verse style, without a regular form, meter, or rhythm. His lines have a mesmerizing chant-like quality, as he sought to make poetry more appealing. Few poems are as fun to read aloud as this one. Considered to be the core of his poetic vision, this poem is an optimistic and inspirational look at the world in 1855. It is exhilarating, epic, and fresh in its brilliant and fascinating diction and wordplay as it tries to capture the unique meaning of words of the day, while also embracing the rapidly evolving vocabularies of the sciences and the streets. Far ahead of its time, it was considered by many social conservatives to be scandalous and obscene for its depiction of sexuality and desire, while at the same time, critics hailed the poem as a modern masterpiece. This first version of "Song of Myself" is far superior to the later versions and will delight readers with the playfulness of its diction as it glorifies the self, body, and soul. "I am large, I contain multitudes,"

God in My Everything Wnd Books

Spiritual Terrorism is about the impact of fear-based religion on

people's lives who have been spiritually abused by a negative conception of God through eternal hell-fire preaching and teaching. The doctrine of eternal punishment in literal fire is at the heart of many forms of spiritual abuse and all forms of spiritual terrorism which is the most extreme form of spiritual abuse. This book effectively explains the symbolic use of fire in the Holy Bible and other Holy Books. The common misunderstanding of the metaphorical usage of fire is the primary cause of spiritual terrorism. Dr. Purcell clarifies the confusion over the Christian doctrine of salvation by grace and judgment which is based on the deeds of lifegood or bad. This allows readers to grasp the liberating truth that people are totally free to live their lives but are also totally accountable, at the end of life, for how they have lived their lives. God will ultimately teach universal empathy and bring about perfect justice for all without violating anyone's free will. Spiritual abuse has the potential to affect all stages of life: in the womb, childhood, youth, young adults, older adults, end of life, and bereavement after the deaths of loved ones. Spiritual abuse may also affect all areas of life: marriage/divorce, emotional/mental/physical abuse, medical treatment or refusal of such treatment for self and children, and domestic and international terrorism. All major world religions are addressed: Judeo/Christianity, Islam, and the Eastern Religions Buddhism and Hinduism. Included as well are Native American Beliefs. There is a theme running through all major religions of God's unconditional love, amazing grace, infinite mercy, perfect justice, and a universal homecoming.

The Divine Dance Zondervan

A beautiful commemorative edition of Dr. Martin Luther King's essay "Letter from Birmingham Jail," part of Dr. King's archives published exclusively by HarperCollins. With an afterword by Reginald Dwayne Betts On April 16, 1923, Dr. Martin Luther King Jr., responded to an open letter written and published by eight white clergymen admonishing the civil rights demonstrations happening in Birmingham, Alabama. Dr. King drafted his seminal response on scraps of paper smuggled into jail. King criticizes his detractors for caring more about order than justice, defends nonviolent protests, and argues for the moral responsibility to obey just laws while disobeying unjust ones. "Letter from Birmingham Jail" proclaims a message - confronting any injustice is an acceptable and righteous reason for civil disobedience. This

beautifully designed edition presents Dr. King's speech in its entirety, paying tribute to this extraordinary leader and his immeasurable contribution, and inspiring a new generation of activists dedicated to carrying on the fight for justice and equality.

The Night Portrait Columbia University Press

The Divine Dance has become a classic for fans of Richard Rohr and an important book on Christian mysticism, it provides a fresh perspective for anyone studying or teaching the trinity. The Trinity is the central doctrine of Christianity, but it is still widely considered a mystery we won't ever fully understand. Should we still try to understand it, even so? If we could, how would it transform our relationship with God? In this stimulating and thought-provoking book, internationally recognized teacher Richard Rohr explores the nature of God and the paradoxical idea of the Holy Trinity as both three and one. With clear, surefooted wisdom, he encourages us to build on the early Christian understanding of the relationship between Father, Son and Spirit as a flow and dance - a Divine Dance - that we are invited to join in. An engaging, accessible look at the nature of God, The Divine Dance will challenge the way you think about the Trinity and give you a much fuller understanding of the triune relationship that is at the heart of Christian doctrine. It will leave you with a faith that is renewed and strengthened, and show you how you can engage more deeply in your relationship with God and the world through the Trinity.

Congressional Record Simon and Schuster

The authors of the popular *Jim and Casper Go to Church* are back! An unlikely friendship began when former pastor Jim Henderson brought atheist Matt Casper with him to visit a series of churches and give his honest feedback on the services. Since then, Casper has spent a lot of time deeply engaging with Jim and other Christians. And the burning question on everyone's minds is whether Casper has been saved. In *Saving Casper*, Jim and Casper engage in a new conversation about that question. Most Christians have friends like Casper—people who've heard the gospel but still say no—so what happens next? Jim and Casper reveal the surprising answers to questions like: What can an atheist teach us about how to share God with those who don't believe? What have well-meaning Christians said to Casper that has helped-or hurt-their cause? What, if anything, might bring Casper and other nonbelievers to faith . . . and why does Casper say he's closer to God now than ever before? *Saving Casper* is a groundbreaking, game-changing look at evangelism and the "conversion conversation."
