Millions of people are Netfiling - using tax software and the click of a mouse to file their tax returns. It's seductively simple but are "do-it-yourselfers" leaving money on the table because they don't know their tax filing rights? This year, save both time and money by understanding your own return and take better control of your family's financial affairs, too, with Canada's most trusted, best-selling tax author, Evelyn Jacks. This best-selling tax guide has been updated to the new tax filing rules. "Evelyn Jacks makes a compelling case for doing your taxes with tax software and electronic filing. Key benefits include speed, accuracy, peace of mind and a faster refund." Jonathan Chevreau, Editor, MoneySense Magazine. "You may be a do-it-yourselfer but you are not alone with Jacks in your corner. Jacks helps ensure my money works as hard for me as I'm out there working for it. You have to pay taxes, just not more than your fair share. Patricia Lovett-Reid, Sr. Financial Commentator, CTV News Channel. Jacks on Tax will guide you in doing your return, line-by-line. But it will also help you have a better relationship with your financial advisors and a tax pro - if you decide you need help. After all, filing an audit-proof return is important and if you need peace of mind in knowing you have filed correctly, knowledge is power. Jacks on Tax is a book for every Canadian tax filer because its premise is simple: a more informed taxpayer, working in collaboration

Miller Test Prep's study guide for the PERT is the solution for students who want to maximize their score and minimize study time. Our study guides are carefully designed to provide only that clear and concise information you need. That's precisely why we put "Clear & Concise" on our cover. The standard for the study guide industry is to "throw in the kitchen sink" when it comes to making a book, meaning you are stuck with hundreds of pages of repetitive information, redundant and confusing examples, and more practice questions than any person could be expected to work through. This results in students feeling overwhelmed, leading to reduced self-confidence, which leads to lower scores! Instead, Miller Test Prep has worked specifically with tutors. Why tutors you ask? Tutors specialize in helping students comprehend information that has already been presented by a teacher. That means they see time and again what students struggle with and what actually works to help them. They specialize in helping students who have previously failed, to succeed. We compiled their decades of experience helping students just like you into this study guide, so you pass the first time! In this PERT book, we ensure you are thoroughly prepared for this critically important test: Comprehensive review of all PERT exam sections: Reading Mathematics Writing Step-by-step examples for every concept tested Practice test questions like the real exam Detailed, thorough answer key explanations
