Navarro, a former FBI counterintelligence officer and a recognized expert on nonverbal behavior, explains how to "speed-read" people: decode sentiments and behaviors, avoid hidden pitfalls, and look for deceptive behaviors. You'll also learn how your body language can influence what your boss, family, friends, and strangers think of you. Read this book and send your nonverbal intelligence soaring. You will discover: The ancient survival instincts that drive body language Why the face is the least likely place to gauge a person's true feelings What thumbs, feet, and eyelids reveal about moods and motives The most powerful behaviors that reveal our confidence and true sentiments Simple nonverbals that instantly establish trust Simple nonverbals that instantly communicate authority Filled with examples from Navarro's professional experience, this definitive book offers a powerful new way to navigate your world.

Meeting the Shadow Hispabooks

Searching for her missing brother, Grace Carlyle never dreamed she would discover a secret world populated by mythological monsters—or find herself facing a sword-wielding being whose looks put mortal men to shame. But there he was, Darius en Kragin, one of a race of shape-shifting warriors bound to guard the gates of Atlantis, and kill all travelers who strayed within its borders. Now Grace's life was in his hands, and Darius had to choose between his centuries-old vow and the woman who had slipped beneath his defenses and stolen the heart of Atlantis's fiercest dragon.

Fangirl Clarkenhome Press

"As well as the American setting, the ups and downs of our protagonist recall

comparable arcs in the novels of Paul Auster and Philip Roth. . . . The plot is compressed and the prose tight. . . . In his sixth novel Martín has delivered a clever and pacy modern fable."—Ben Bollig, Times Literary Supplement In the midst of a midlife crisis Brandon Moy bumps into a long-lost friend. Since they last met, their lives have diverged, and despite being happily married and well-off, Moy yearns for the excitement and adventure his friend, still a bachelor, enjoys. The next day, after his wife and son have headed out, Moy leaves late for the law firm where he works in the World Trade Center. His delay will save his life, for it is September 11, 2001, and the attacks take place when he is just a few blocks away from his office. After spending the day tending to the wounded he tries to call his wife, to tell her he is alright, but the phone system has collapsed. Brandon Moy then and there realizes he will be left for dead, a 9/11 victim—his chance to vanish and pursue his dreams. Luisgé Martín is a Spanish writer born in Madrid in 1962. He has published short story collections, nonfiction works, and over five novels. He also contributes occasionally to Spanish publications, and has been awarded several literary prizes. Tomasz Dukanovich is a British translator who lives in Madrid.

The Vision of Hell Penguin

The Little Prince puts on his tie is a fable based on real events that tells the story of Pablo Príncipe, a young nonconformist and visionary, who, after returning from an epic trip through Madagascar, becomes the new person responsible for people and values of the SAT consultant, a company marked by conflict, dissatisfaction and suffering. Through his innovative conceptions of self-knowledge and personal growth, he will lead the

process of change and transformation of this company, developing the potential, talent and creativity of its employees. In parallel, it will inspire the managers to change its mindset, rediscovering what really matters: that the objective of companies is to create wealth, earning money as a result. «The whole world moves away when appears a man who knows where he is going» ANTOINE DE SAINT-EXUPÉRY

Walt Disney's Disneyland Harlequin

Explains what the mind is, how it evolved, and how it allows us to see, think, feel, laugh, interact, enjoy the arts, and ponder the mysteries of life.

Second Generation Hispabooks

"A novel of satisfying depth and breadth, written in good, clean, forceful prose."—Chicago Tribune A new edition of the New York Times bestselling second book in Howard Fast's powerful historical family saga, *Second Generation* follows the Lavette immigrants through the challenges of the Great Depression and World War II. Desperate for independence and scornful of the hypocrisy of the upper class, Barbara Lavette is determined to make her own way in the world. After abandoning her privileged life in San Francisco to disguise herself as a poor volunteer down on the wharf, Barbara journeys to France to report on the onset of Nazi terror and the coming of World War II. But when tragedy strikes deep at the heart of the life Barbara has built for herself in Europe, she is forced to return to San Francisco heartbroken and alone and face the family she ran away from. Continuing the epic Lavette family saga, Howard Fast's fascinating historical fiction vividly depicts the struggles to persevere in Immigrant America.

A Bite to Remember Running Press Adult

The surprising, magnificent story of a Panamanian government employee who, one day, after a series of troubles, writes the celebrated masterwork of modern Central American poetry. Unmistakably the work of César Aira, Varamo is about the day in the life of a hapless government employee who, after wandering around all night after being paid by the Ministry in counterfeit money, eventually writes the most celebrated masterwork of modern Central American poetry, *The Song of the Virgin Boy*. What is odd is that, at fifty years old, Varamo “hadn’t previously written one sole verse, nor had it ever occurred to him to write one.” Among other things, this novella is an ironic allegory of the poet’s vocation and inspiration, the subtlety of artistic genius, and our need to give literature an historic, national, psychological, and aesthetic context. But Aira goes further still — converting the ironic allegory into a formidable parody of the expectations that all narrative texts generate — by laying out the pathos of a man who between one night and the following morning is touched by genius. Once again Aira surprises us with his unclassifiable fiction: original and enjoyable, worthy of many a thoughtful chuckle, Varamo invites the reader to become an accomplice in the author’s irresistible game.

Woman in Darkness Deadite Press

Do you want to avoid falling victim to malicious and manipulative people? Do you have people in your home life, work life, or social life that are overbearing and controlling? Do you feel like there are people who are taking advantage of you, and you want to understand how they are able to do it? If you want to regain control of your life, then keep reading. *Dark Psychology* is becoming

more and more used by those who want to control your actions, to get what they want. The current structure of society contributes to the increase in manipulation through the use of intimidation, non-verbal cues, hypnosis and more. All in all, it is quite clear that the knowledge of this subject is necessary for daily survival. If the dark psychology techniques are used by manipulative and toxic people, they can have devastating effects on the minds and lives of their victims. So, it's very important that we know what kinds of traits malicious and exploitative people have, and understand the psychological drives that lead the people to act in ways that are against social norms and are harmful to others. *Dark Psychology and Manipulation* is written in a simple and clear language, and it doesn't waste your time with technical jargon or long winding anecdotes. This book goes directly to the point, and it teaches you valuable skills which you can apply every single day as you try to keep people from taking advantage of you. *You Will Learn:* - The meaning and the roots of dark psychology so that you have a foundational understanding of why people act in evil ways towards each other. - The dark traits so that you understand the characteristics and motivations of Machiavellians, narcissists, and psychopaths. - All the techniques and tricks that malicious people use to control others and to exploit them. - How manipulative people talk, act, and behave so that you can see them come from a mile away and avoid falling into their traps. - Which personality traits make you more vulnerable to manipulation. - Various defense techniques that you can use to keep manipulators at bay, and how you can boost your self-esteem and

willpower so that when manipulators come knocking, you will be prepared for them. If you need the tools to keep others from taking advantage of you using psychological tricks, *Dark Psychology and Manipulation* is a must read for you. Would You Like to Know More? Varamo Harlequin

Willow Taylor lives in a castle with large walls and iron fences. But this is no ordinary castle. It's called Heartstone Psychiatric Hospital and it houses forty other patients. It has nurses with mean faces and techs with permanent frowns. It has a man, as well. A man who is cold and distant. Whose voice drips with authority. And whose piercing gray eyes hide secrets, and maybe linger on her face a second too long. Willow isn't supposed to look deep into those eyes. She isn't supposed to try to read his tightly-leashed emotions. Neither is she supposed to touch herself at night, imagining his powerful voice and that cold but beautiful face. No, Willow Taylor shouldn't be attracted to Simon Blackwood at all. Because she's a patient and he's her doctor. Her psychiatrist. The medicine man.

Ulysses Speak

Harlan Brown and Billy Sive, two gay men, two gifted athletes, confront prejudices, as they prepare for the Olympics.

Where She Went Dirty Sweet

How much can we ever really know about the people we are closest to? And when we change our lives, how much do we retain of our former identities? These themes are central to "Woman in Darkness", an erotic, shadowy tale of pleasure, love, and trust, where the

protagonist will try to find out who his wife really is.

A God of Hungry Walls Giramondo Publishing

When you are within my walls, I am God. I have always been here and I will always be. I have complete dominion. I control what you see, what you feel, and how you think. I will bend reality to whatever I wish. I will show you your worst fears and make you indulge in your darkest desires. Your pain is my pleasure. Your tears are my ambrosia. Your despair is my joy. I will break you. I will ruin you. Once you enter me, there is no escape. I will own you, forever. From Wonderland Book Award winning author, Garrett Cook, comes a haunted house novel unlike any you've ever read. Told entirely from the perspective of the haunting, *A GOD OF HUNGRY WALLS* is a perverse, violent, and soul-crushing take on supernatural horror.

His Light in the Dark Farrar, Straus and Giroux

Audrey Whitticomb has nothing to fear. Her mother is the superhero Morning Star, the most deadly crime-fighter in the Twin Cities, so it's hard for Audrey not to feel safe. That is, until she's lured into the sweet night air by something human and not human—something with talons and teeth, and a wide, scarlet smile. Now Audrey knows the truth: her mom doesn't fight crime at night. She fights Harrowers—livid, merciless beings who were trapped Beneath eons ago. Yet some have managed to escape. And they want Audrey dead, just because of who she is: one of the Kin. When an unthinkable betrayal puts Minneapolis in terrible danger, Audrey discovers a wild, untamed power within herself. It may be the key to saving her herself, her family, and her city. Or it may be the force that destroys everything—and everyone—she

loves.

Zodiac Sierra Simone

Stephen, an elbow rested on the jagged granite, leaned his palm against his brow and gazed at the fraying edge of his shiny black coat-sleeve. Pain, that was not yet the pain of love, fretted his heart. Silently, in a dream she had come to him after her death, her wasted body within its loose brown graveclothes giving off an odour of wax and rosewood, her breath, that had bent upon him, mute, reproachful, a faint odour of wetted ashes. Across the threadbare cuffedge he saw the sea hailed as a great sweet mother by the wellfed voice beside him. The ring of bay and skyline held a dull green mass of liquid. A bowl of white china had stood beside her deathbed holding the green sluggish bile which she had torn up from her rotting liver by fits of loud groaning vomiting. Buck Mulligan wiped again his razorblade. —Ah, poor dogsbody! he said in a kind voice. I must give you a shirt and a few noserags. How are the secondhand breeks? —They fit well enough, Stephen answered. Buck Mulligan attacked the hollow beneath his underlip. —The mockery of it, he said contentedly. Secondleg they should be. God knows what poxy bowsy left them off. I have a lovely pair with a hair stripe, grey. You'll look spiffing in them. I'm not joking, Kinch. You look damn well when you're dressed. —Thanks, Stephen said. I can't wear them if they are grey ...

The Invention of Solitude Little, Brown Books for Young Readers
Breaking the tenets of Special Forces means one thing. Death. Thorrn has his life mapped out - be the best swordsman in the king's army and become Captain one day. What doesn't fit in with his plans is some short, unimpressive waif claiming to be his soul

companion, the platonic other half of his spirit. But when the king demands that he hand Eryn over, Thorrn is confronted with a choice: protect Eryn and keep her secret from the magical community who would drain her for the power resonating inside her, or turn her over to save his career, family name, and reputation. When a powerful mage moves against the kingdom, Thorrn and Eryn will have to summon all their courage and find allies from unexpected corners - including different worlds and times. For alongside the realms of Oberrot and Earth are the multiverses, and one of them should surely be able to help... A swordsman, an apothecarist, a shy librarian ("I'm beginning to think being underestimated is kind of my superpower"), and a powerful mage. Only they can save the kingdom. A page-turning new adventure awaits, from a fresh voice in fantasy. Contains twinned souls with a twist, enemies to inseparable friends, coming of age, learning to accept yourself and others, some epic swordfights, and a smattering of romance. "The plot is gripping, but it's a solid combination between a solid plot and a downright fabulous character development, as well as an absolutely beautiful narrative, that turns this debut into an addictive, practically unputdownable read." - The Magic Book Corner "An action-packed adventure...The storyline is ambitious in its scope and really is one for fans of fantasy and science fiction, with multiple tropes all utilised to great effect as Thorrn and Eryn's path unfolds." - LoveBooks.co.uk "I found myself laughing and, at times, having tears in my eyes." - Reedsy Discovery Reviewer "James has created a unique, new twist on soulmates that was refreshing and genius! James' world building is

exceptional as it sucks you right in and is executed perfectly." - J.A. Culican, USA Today Bestselling Author

A Manual for Cleaning Women Harper Collins

Modern audiovisual media have spawned a 'plague of fantasies', electronically inspired phantasms that cloud the ability to reason and prevent a true understanding of a world increasingly dominated by abstractions-whether those of digital technology or the speculative market. Into this arena, enters Zizek: equipped with an agile wit and the skills of a prodigious scholar, he confidently ranges among a dazzling array of cultural references-explicating Robert Schumann as deftly as he does John Carpenter-to demonstrate how the modern condition blinds us to the ideological basis of our lives.

The Front Runner Basic Books

The stories are wrapped in a romantic atmosphere and try to describe characters whose most conspicuous element is being subjected to the influence of strong passions, which sometimes give rise to supernatural or extremely extraordinary events, or are

the product of this type of event . Thus, in *The transformation*, a strong pride becomes the tyrant that moves all the actions of the protagonist of the story, which leads him to an extraordinary situation, in whose description all the elements abound that give the reader the aesthetic sensation of the sublime. In another story, *The Dream*, what leads to the extraordinary act is an intense conflict between two opposing passions, and in *The Immortal Mortal* it is jealousy that leads the protagonist to commit an act that will lead him to a more conflictive and intense sentimental situation, which marks the end of the story. Both the exposition of characters constituted by an abnormal and deformed passionate structure and the description of the extraordinary and horrible situations that these characters bring about, which tend to impress the reader, place all these stories at the very center of the Gothic.

Gothic Tales St. Martin's Griffin

Adam, now a rising rock star, and Mia, a successful cellist, reunite in New York and reconnect after the horrific events that tore them apart when Mia almost died in a car accident three years earlier.
