*21 Great Ways to Stop Procrastinating and Get More Done in Less Time* John Wiley & Sons

Brian Tracy is one of the world's leading authorities on success and personal achievement, addressing more than 100,000 men and women each year in public and private seminars. In *Maximum Achievement*, he gives you a powerful, proven system -- based on twenty-five years of research and practice -- that you can apply immediately to get better results in every area of your life. You learn ideas, concepts, and methods used by high-achieving people in every field everywhere. You learn how to unlock your individual potential for personal greatness. You will immediately become more positive, persuasive, and powerfully focused in everything you do. Many of the more than one million graduates of the seminar program upon which this book is based have dramatically increased their income and improved their lives in every respect. The step-by-step blueprint for success and achievement presented in these pages includes proven principles drawn from psychology, religion, philosophy, business, economics, politics, history, and metaphysics. These ideas are combined in a fast-moving, informative series of steps that will lead you to greater success than you ever imagined possible -- they can raise your self-esteem, improve personal performance, and give you complete control over every aspect of your personal and professional life.

*Changing the Way Businesses Create Experiences* John Wiley & Sons

"The first book of its kind, written by an acclaimed futurist, to help us not only envision what is possible in the next few months, years, decades, but to enact those plans and create the future we want Whether we want to or not, all of us think about the future constantly. These thoughts produce fear and anxiety that interfere with how we make decisions every day. We spend our days living in the past and the present with no understanding of how to get to that future we want so badly. That is, until now. Acclaimed futurist, Brian David Johnson has spent the last quarter century helping governments, Fortune 500 corporations, and other organizations chart successful paths forward by showing them what the world will look like 10 to 15 years down the line. With *Future Casting*, Johnson brings that prognosticator's eye to the individual, helping readers from all walks of life discover their best selves by seeing the future, and their place within it, in a whole new light. Johnson's method is highly scientific and practical. He shares a series of pragmatic steps that anyone can take to understand today and envision their tomorrow. The book will empower readers with the realization that, not only do they have control over their own future, they are the ones most responsible for its creation"--

*Goals!* John Wiley & Sons

"Save yourself ten years of hard work. Read Brian's powerful book and let him show you the shortcut to success. He'll show you the fastest way for you to get rich." -Robert Allen bestselling author, Multiple Streams of Income "Millions of people start with nothing and become wealthy as the result of doing certain things in a certain way, over and over again. This book by Brian Tracy shows you how you can achieve all your financial goals, starting from wherever you are today." -Jack Canfield coauthor, Chicken Soup for the Soul(r) series and The Success Principles "This is the only book you need to read to become wealthy! It is loaded with practical ideas and strategies to propel you onwards and upwards." -Nido Qubein Chairman, Great Harvest Bread Company, and founder, National Speakers Association Foundation "Another great book from Brian Tracy. Tangible, practical ideas that will make you money and make you rich!" -Bill Bachrach President, Bachrach & Associates, Inc. "Brian Tracy has put together a masterpiece of common sense for getting rich. If you wish a different life, commit now to different actions-read this book!" -H. J. (Jim) Graham President and CEO, Cyber Broadcast One, Inc. "Brian Tracy shows you how unlimited wealth starts in the mind, and how anyone can focus their time and energy to earn millions. It's the readable, riveting primer for countless new American fortunes." -Peter Montoya CEO, Peter Montoya Inc.

*Future Man* Simon and Schuster

You don't need to have been born under a lucky star, or with incredible wealth, or with terrific contacts and connections, or even special skills...but what you do need to succeed in any of your life goals is self-discipline. Unfortunately, most people give in to the two worst enemies of success; they take the path of least resistance (in other words, they're lazy) and/or they want immediate gratification; they don't consider the long-term consequences of the actions they take today. No EYescuses! shows you how you can achieve success in all three major areas of your life; 1. Your personal goals.2. Your business and money goals.3. Your overall happiness. Each of the 21 chapters in this book shows you how to be more disciplined in one aspect of your life, with end-of-chapter eYescuses to help you apply the no eYescuses approach to your own life. With these guidelines, you can learn how to be more successful in everything you do - instead of wistfully envying others who you think are just luckier than you. A little self-discipline goes a long way...so stop making eYescuses and read this book!

Science fiction is the playground of the imagination. If you are interested in science or fascinated with the future then science fiction is where you explore new ideas and let your dreams and nightmares duke it out on the safety of the page or screen. But what if we could use science fiction to do more than that? What if we could use science fiction based on science fact to not only imagine our future but develop new technologies and products? What if we could use stories, movies and comics as a kind of tool to explore the real world implications and uses of future technologies today? Science Fiction Prototyping is a practical guide to using fiction as a way to imagine our future in a whole new way. Filled with history, real world examples and conversations with experts like best selling science fiction author Cory Doctorow, senior editor at Dark Horse Comics Chris Warner and Hollywood science expert Sidney Perkowitz, Science Fiction Prototyping will give you the tools you need to begin designing the future with science fiction. The future is Brian David Johnson's business. As a futurist at Intel Corporation, his charter is to develop an actionable vision for computing in 2021. His work is called "future casting"—using ethnographic field studies, technology research, trend data, and even science fiction to create a pragmatic vision of consumers and computing. Johnson has been pioneering development in artificial intelligence, robotics, and reinventing TV. He speaks and writes extensively about future technologies in articles and scientific papers as well as science fiction short stories and novels (*Fake Plastic Love* and *Screen Future: The Future of Entertainment, Computing and the Devices We Love*). He has directed two feature films and is an illustrator and commissioned painter. Table of Contents: Preface / Foreword / Epilogue / Dedication / Acknowledgments / 1. The Future Is in Your Hands / 2. From the bestselling author of Eat That Frog!, a motivational guide to using the Psychology of Achievement to banish negative thoughts and behaviors and unlock your full potential for success. Letting go of negative thoughts is one of the most important steps to living a successful, fulfilling life, but also often the most difficult. In this practical, research-based guide, bestselling authors Brian Tracy and psychotherapist Christina Stein present their "Psychology of Achievement" program to help you identify and overcome detrimental patterns and ideas preventing you from achieving your goals or feeling happy and satisfied in your life. Whether this negativity stems from a past relationship that ended badly, a childhood trauma, a business or career failure, or general insecurity, Tracy and Stein help you recognize how conscious--and more oftentimes unconscious--negativity

affects your personality, your outlook and your decisions. Along the way, they show you how to regain control of your thoughts, feelings, and actions, turn negatives into positives, and learn to accept unexpected life changes without falling back into old negative patterns. Essential reading for anyone feeling stuck, BELIEVE IT TO ACHIEVE IT offers an important roadmap to conquer negativity and embrace the power of positive thinking to live a happy, successful life.
