Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in Arrow of God and No Longer at Ease.

The Assessor's Guide, Containing Those Portions of the Assessment Act, Chap. 23, 4 Ed, VII. Alba Dase Publishing

The Newbery Honor Book and New York Times Bestseller that is historical fiction with a hint of mystery about living at Alcatraz not as a prisoner, but as a kid meeting some of the most famous criminals in our history. Al Capone Does My Shirts has become an instant classic for all kids to read! Today I moved to Alcatraz, a twelve-acre rock covered with cement, topped with bird turd and surrounded by water. I'm not the only kid who lives here. There are twenty-three other kids who live on the island because their dads work as guards or cooks or doctors or electricians for the prison, like my dad does. And then there are a ton of murderers, rapists, hit men, con men, stickup men, embezzlers, connivers, burglars, kidnappers and maybe even an innocent man or two, though I doubt it. The convicts we have are the kind other prisons don't want. I never knew prisons could be picky, but I guess they can. You get to Alcatraz by being the worst of the worst. Unless you're me. I came here because my mother said I had to. A masterpiece of Biblical scope, and the magnum opus of one of America's most enduring authors, in a commemorative hardcover edition In his journal, Nobel Prize winner John Steinbeck called *East of Eden* "the first book," and indeed it has the primordial power and simplicity of myth. Set in the rich farmland of California's Salinas Valley, this sprawling and often brutal novel follows the intertwined destinies of two families—the Trasks and the Hamiltons—whose generations helplessly reenact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel. The masterpiece of Steinbeck's later years, *East of Eden* is a work in which Steinbeck created his most mesmerizing characters and explored his most enduring themes: the mystery of identity, the inexplicability of love, and the murderous consequences of love's absence. Adapted for the 1955 film directed by Elia Kazan introducing James Dean, and read by thousands as the book that brought Oprah's Book Club back, *East of Eden* has remained vitally present in American culture for over half a century.
