The NorthStar video program includes ten engaging video

segments, including segments from ABC News, featuring topics correlated to the themes in the NorthStar 3 listening and speaking, and reading and writing, student books. Each video segment is from 2 to 5 minutes long and incorporates key vocabulary from the student books. The DVD guide contains unit-by-unit video scripts, as well as vocabulary for comprehension and background notes to enhance the accessibility and enjoyment of the video material. Each of the ten video segments has an optional corresponding video activity that is designed for students to use in class before, during, and after viewing the video. The activities can be downloaded from the NorthStar companion website.

National Geographic Reading and Vocabulary Focus is an all-new, four-level reading series that provides the essential reading skills and vocabulary development for maximum academic readiness. Readings grounded in rich National Geographic content tap into learners' curiosity about the world, naturally encouraging inquiry and opportunities to synthesize information. - A comprehensive, three-part vocabulary development program builds student confidence as learners encounter new or unfamiliar words in

academic texts: - Academic Vocabulary sections develop the language that students will encounter in academic readings. - Multiword Vocabulary sections identify words that are commonly grouped together and then prompt learners to work with them in different contexts for enhanced comprehension. - Topic Vocabulary is presented as a reading preview strategy to enhance learner comprehension of the text. Inside Listening and Speaking, Level 3 Oxford University Press, USA

Part of a three-volume series of compact English textbooks for GCSE studies, this book covers the major areas of the GCSE examination. It contains clear explanations and advice for study, many examples and varied exercises and coursework opportunities. This volume contains a wide variety of writing which is presented as a basis for examination and analysis, such as advertisements, newspaper reports and editorials, letters, extracts from novels and plays, travel brochures, information leaflets and official documents. Advice is given on, and practice provided in, the development of skills necessary to respond to and evaluate all types of writing. The book has been divided into two parts. The first section deals with matters that affect an understanding of all writing, while the second section examines specific examples. Some of the work is designed to produce a written response, but much of it can be undertaken orally.
