Louis van Gaal
is a paradox
from top to
toe. This is the
man who,
when unveiled
as Bayern
Munich
manager in
2009,
described
himself like

this: "I am
what I am;
self-confident,
arrogant,
dominant,
honest,
industrious,
innovative."
Former
players have
described him
as "scary," as
a "volcano."

The former Barcelona president described him as "the devil himself." At Bayern, they said he "vaangalised" their team. And yet at the same time, he is "warm-blooded." He openly admits: "I cry almost every day. There's always something that touches me." Barcelona's Xavi says of him: "People see him as arrogant and aloof but he's really not." Dutch Courage is a detailed dissection of

the truth behind the myth of Van Gaal, studying his philosophy and his character, as well as some of the excellent football teams he has produced. This Dutch master has been the head of some of the greatest dynasties in European football - Ajax, Barcelona, Bayern Munich, and Manchester United - as well as the boss of the Netherlands national team (twice). Along the way, he has won a

combined seven league championships across Europe. He has also been successful in continental competitions, listing the Champions League, the UEFA Cup, and the UEFA Super Cup amongst his honours. As head coach of the Netherlands in the 2014 World Cup, he led them to within a whisker of the final, beating world champions Spain 5-1 along the way, before his young Dutch

charges were finally beaten on penalties by Argentina in the semi-final. But in 2014 he took on arguably his greatest challenge: restoring Manchester United to their perch after a year in the doldrums. Christian Nerlinger predicts that Van Gaal's United reign will be anything but predictable: "one thing is for sure: it will not be boring." And this book is anything but boring. It is the exciting

tale which supporters of Ajax, Barcelona, AZ Alkmaar, Bayern Munich, Manchester United and the Netherlands national team will want to read. Andrew J Kirby is a season-ticket holder at Old Trafford, and writes about United for a number of fanzines and blogs. He is the author of Fergie's Finest: Sir Alex Ferguson's Greatest Manchester United x11, and The Pride of all Europe:

Manchester United's Greatest Seasons in the European Cup. PRAISE FOR THE BOOK "From Ajax to Man United, via Bayern Munich, Andrew J Kirby plots the rise of this indomitable, complex figure with verve and great insight. Despite not being a Manchester United fan, Van Gaal's extreme personality has long intrigued me. Kirby captures it on the page with an uncanny

accuracy. This book is exhaustively researched, and offers great psychological insights into the man, as well as the world of football. Most books about football are poor- Kirby's is an exception, and is written with a ferocious intellect that matches its subject matter. A must-read for fans of United, and those of us interested in this colossus of football." - Guy Mankowski,

author of 'How I Left the National Grid' PRAISE FOR ANDREW J KIRBY'S SPORTSWRITING "The author knows his stuff," Angela Bowman, Manchester United fan "The perfect gift for the red devil in your life!" Sam Sharp, Manchester United fan "A good read for United fans young and old," AJ Hellina, Amazon reader "A must read for any red," Scott the Red, Republik of

Mancunia on Fergie's Finest **Butterfly Swag** Createspace Independent Publishing Platform NAMED A MOST ANTICIPATED BOOK OF FALL 2021 BY: NEW YORK TIMES ● VULTURE ● BOSTON GLOBE ● OPRAH DAILY SHEREADS ● KIRKUS REVIEWS ● HEY ALMA ● LITHUB ● AND MORE "Reveals on every page how love can persevere and take shape over time and space."—Bost on Globe "One

of the most inventive and talented stylists of her generation.” —Vulture

From the award-winning author of *Land of Love and Drowning*, an electric new novel that maps the emotional inheritance of one couple newly in love. When Fly and Stela meet in 21st Century New York City, it seems like fate. He's a Black American musician from a mixed-religious background who knows all about

heartbreak. She's a Catholic science teacher from the Caribbean, looking for lasting love. But are they meant to be? The answer goes back decades—all the way to their parents' earliest loves. Vibrant and emotionally riveting, *Monster in the Middle* moves across decades, from the U.S. to the Virgin Islands to Ghana and back again, to show how one couple's romance is intrinsically influenced by

the family lore and love stories that preceded their own pairing. What challenges and traumas must this new couple inherit, what hopes and ambitions will keep them moving forward? Exploring desire and identity, religion and class, passion and obligation, the novel posits that in order to answer the question “who are we meant to be with?” we must first understand who we are and how we

came to be. <i>A Story of Second Chances</i> Createspace Independent Pub Craig Carson is a substitute teacher with an active imagination. While studying butterfly effect concepts was a hobby, he had no idea that it would lead him through adventures that he would have never dreamed. Or, perhaps he would. <u>The Lost Choice</u> Thomas Nelson "Say Not What	If" is a nearly 10,000 word story written as a long rhyming poem. It is about a man on death row, and has as its theme the concept that time is our most valuable commodity. As someone once said, "waste anything but time, because we really are promised no tomorrows." This theme is explored through the life of a man who sacrifices his marriage and everything else for his career. He	realizes much too late the terrible consequences of this decision, and then desperately tries to regain those lost years by making a much worse choice. The resolution of this latter choice involves an additional examination of the concepts of accountability and responsibility, redemption, and the morality of the death penalty. The story has a better than
---	---	---

average rating of 4/5 stars on Goodreads and Amazon. There are currently fifty-six ratings and forty-one written reviews on Goodreads at <http://www.goodreads.com/book/show/12788920-say-not-what-if>. Another thirteen ratings and reviews are on Amazon. Reviewers have described the story as “exceptional,” “amazing,” “incredibly special,” “borderline genius,” “a lyrical

masterpiece,” “gripping and compelling,” “thought provoking,” and a “beautifully written piece of literature.” Many enjoyed the story so much that they intend to share it with their family and friends. I have never seen a story written in this format. It has characters and dialogue just like a regular story, and is extremely easy to read and understand, regardless of whether you have a GED or

a PHD. You should therefore not be concerned that the format makes the story hard to understand. Many reviewers had the same initial concern, but then pleasantly discovered that the story is very easy to follow. But you can further allay any such fears by reading the first few pages of the story on my website, www.ascensionenterprise.com. This story will tear at your soul. As many of the reviewers

said, it only requires an hour or so to read, but will keep you thinking about its message long after you are finished. Time is quintessentially important and valuable. Who knows how much time anyone has? Would you trade ten or even five years of your life for a million dollars? The story can be purchased from many booksellers, including Amazon and Barnes & Noble. It can also be

purchased for only 0.99 as an ebook for Kindle. Best wishes and good luck in all your reading endeavors. Just Jones Thomas Nelson Inc Tiffany Noboru has just awakened from her death, only to discover she has been drafted into the Gargoyle Ghost Hunter Corps. Soon she is fighting jealous rivalries within her own ranks, struggling to unravel the mystery of her recent death, and trying to

avoid being killed a second time by a maniacal ghost named Bones who is seeking the destruction of the gargoyle world. In this full-length novel, appropriate for teens and young adults, a new twist on the role of gargoyles is imaginatively brought to life in spellbinding fashion. Woven into the pages are twenty original works of art by Miimork, which breathe life into this ghostly tale. *Monster in the*

Child Finder*,

Naomi—the
investigator
with an
uncanny
ability for
finding
missing
children—retu
rns, trading
snow-covered
woods for
dark, gritty
streets on the
search for her
missing sister
in a city where
young,
homeless girls
have been
going missing
and turning up
dead. From
the highly
praised author
of *The Child
Finder* and
*The
Enchanted*
comes *The
Butterfly Girl*,
a riveting
novel that

ripples with
truth,
exploring the
depths of love
and sacrifice
in the face of
a past that
cannot be left
dead and
buried. A year
ago, Naomi,
the
investigator
with an
uncanny
ability for
finding
missing
children,
made a
promise that
she would not
take another
case until she
finds the
younger sister
who has been
missing for
years. Naomi
has no
picture, not
even a name.

All she has is a vague memory of a strawberry field at night, black dirt under her bare feet as she ran for her life. The search takes her to Portland, Oregon, where scores of homeless children wander the streets like ghosts, searching for money, food, and companionship. The sharp-eyed investigator soon discovers that young girls have been going missing for

months, many later found in the dirty waters of the river. Though she does not want to get involved, Naomi is unable to resist the pull of children in need—and the fear she sees in the eyes of a twelve-year old girl named Celia. Running from an abusive stepfather and an addict mother, Celia has nothing but hope in the butterflies—her guides and guardians on the dangerous streets. She sees them all

around her, tiny iridescent wisps of hope that soften the edges of this hard world and illuminate a cherished memory from her childhood—the Butterfly Museum, a place where everything is safe and nothing can hurt her. As danger creeps closer, Naomi and Celia find echoes of themselves in one another, forcing them each to consider the question: Can you still be lost even when you've been found?

But will they
find the
answer too
late?

A fascinating,
entertaining
dive into the
long-standing
relationship
between
humans and
insects,
revealing the
surprising
ways we
depend on
these tiny, six-
legged
creatures.
Insects might
make us
shudder in
disgust, but
they are also
responsible for
many of the
things we take

for granted in
our daily lives.
When we bite
into a shiny
apple, listen
to the
resonant
notes of a
violin, get
dressed,
receive a
dental
implant, or get
a manicure,
we are the
beneficiaries
of a vast army
of insects. Try
as we might to
replicate their
raw material
(silk, shellac,
and cochineal,
for instance),
our artificial
substitutes
have proven
subpar at
best, and at
worst toxic,
ensuring our
interdependen

ce with the
insect world
for the
foreseeable
future.
Drawing on
research in
laboratory
science,
agriculture,
fashion, and
international
cuisine,
Edward D.
Melillo weaves
a vibrant
world history
that illustrates
the
inextricable
and
fascinating
bonds
between
humans and
insects. Across
time, we have
not only
coexisted with
these
creatures but
have relied on

them for, among other things, the key discoveries of modern medical science and the future of the world's food supply. Without insects, entire sectors of global industry would grind to a halt and essential features of modern life would disappear. Here is a beguiling appreciation of the ways in which these creatures have altered--and continue to shape--the very

framework of our existence.

The Lost Boys Symphony
World Book Mount Airy North Carolina was the birthplace of the late actor Andy Griffith and Historian Tom Perry. In this memoir of their hometown, Perry tells the story of the real Mayberry and his thoughts of the most famous son of the piedmont North Carolina town. This book is part memoir, part biography and part tour guide about

Andy Griffith and Mount Airy, North Carolina. Beginning on the day Andy Griffith died, July 3, 2012, Perry tells about the town that day and goes back in time to bring Griffith and his own family to Mount Airy to work in the factories in the twentieth century. Sharing his connections with Griffith, Perry tells about the youth both shared in Mount Airy. The book then follows Andy Griffith to the

University of North Carolina at Chapel Hill, Goldsboro to teach school and then Broadway, television and movies in a career that lasted decades. The book also details the effect of Andy Griffith on Mount Airy with the decades long tourism boom that began in the 1980s with the town taking on the persona of the fictional Mayberry that Griffith obviously used to in his highly successful

Andy Griffith Show that ran on CBS for eight years ending its run as the number one show on television. The Traveler's Gift Createspace Independent Pub Megan is a little butterfly who learns by trying to be something else to appreciate what she already has. *The Butterfly Effect* HarperCollins This "smart, confident, and necessary" (Shea Serrano, New York Times bestselling

author) first cultural biography of rap superstar and "master of storytelling" (The New Yorker) Kendrick Lamar explores his meteoric rise to fame and his profound impact on a racially fraught America—perfect for fans of Zack O'Malley Greenburg's Empire State of Mind. Kendrick Lamar is at the top of his game. The thirteen-time Grammy Award-winning rapper is just

in his early thirties, but he's already won the Pulitzer Prize for Music, produced and curated the soundtrack of the megahit film *Black Panther*, and has been named one of Time's 100 Influential People. But what's even more striking about the Compton-born lyricist and performer is how he's established himself as a formidable adversary of oppression and force for change. Through his

confessional poetics, his politically charged anthems, and his radical performances, Lamar has become a beacon of light for countless people. Written by veteran journalist and music critic Marcus J. Moore, this is much more than the first biography of Kendrick Lamar. "It's an analytical deep dive into the life of that good kid whose m.A.A.d city raised him, and how it sparked a

fire within Kendrick Lamar to change history" (Kathy Landoli, author of *Baby Girl*) for the better. *Girlgoyle* Thomas Nelson Inc "A 22-volume, highly illustrated, A-Z general encyclopedia for all ages, featuring sections on how to use World Book, other research aids, pronunciation key, a student guide to better writing, speaking, and research skills, and comprehensiv

e index"--

Mastering the Seven Decisions guides readers to a profound understanding of how to fully integrate seven life-changing Decisions into their daily lives. The Responsible Decision: The buck stops here. I accept responsibility for my past. I am responsible for my success. I will not let my history control my destiny. The Guided Decision: I will seek wisdom. The Active Decision: I am a person of action. The Certain Decision: I have a decided heart. Criticism, condemnation, and complaint have no power over me. The Joyful Decision: Today I will choose to be happy. The Compassionate Decision: I will greet this day with a forgiving spirit. The Persistent Decision: I will persist without exception. The Butterfly Effect Thomas Nelson
Become an informed, passionate citizen who demands honesty and integrity from our leaders or suffer the consequences of our own ignorance and apathy. In this updated and expanded New York Times bestselling nonpartisan book, Andy Andrews urges you to believe that seeking and discerning the truth really, really matters and that believing lies is the most

dangerous thing you can do. You'll be challenged to become a more "careful student" of the past, seeking accurate, factual accounts of events and decisions that illuminate choices you face now. By considering how the Nazi German regime was able to carry out over eleven million institutional killings between 1933 and 1945, Andrews advocates for an informed population

that demands honesty and integrity from its leaders and from each other. He includes several key documents written by our Founding Fathers as examples of America's core principles that present and future leadership should live up to and embrace. We can no longer measure a leader's worth by the yardsticks provided by the left or the right. Instead, we must use an unchanging standard: the

pure, unvarnished truth. Children's Illustrated Book Thomas Nelson
It was a routine mission, saving some more victims of the Corporations greed, but it turned into a nightmare. Now you're alone, separated from your team, with a superior cybernetic killer hunting you down inside a building from which there's no escape, could you survive? The

Nano Liberation, instigated by Frankie and her team at the A.C.T. freed billions from the tyranny of the Corporations rule, but the Corporations aren't going to go down without a fight. While the former victims of the Corporations rule start to stand up for themselves and fight back, the Corporations move to regain their power, killing these innocents and blackmailing officials.

Frankie and the A.C.T. find themselves stretched as they try to respond to every report of Corporation violence. When they head into the Undercity, into one of the huge support buildings, it seems like just another mission, until the ambush. Outclassed and outgunned by cybernetic mercenaries hired by Psytech, Frankie finds herself separated from her strike team, trapped inside the

building and disconnected from the outside world. Now she is being hunted down by Hellion and her team, an elite strike force that will stop at nothing to kill Frankie. Now Frankie must survive in a hostile environment, find her team and somehow find a way to fight back against a bigger, superior and bloodthirsty mercenary group. This new Cyberpunk action thriller, the third book

in The New Prometheus Series, is a must read for fans of Ghost in the Shell, Blade Runner, Dredd, Appleseed, Akira, The Matrix, Robocop and Total Recall.

Seven Decisions that Determine Personal Success

Thomas Nelson Inc
A unique blend of historical fact and engaging fiction showing the power of forgiveness. While digging up a withering wax myrtle

tree beside his waterfront home on the Gulf coast, author Andy Andrews unearths a rusted metal container filled with Nazi artifacts and begins an intriguing investigation that unlocks an unspoken past that took place in his backyard . . . literally. In 1942, as the country gears up for a full-scale commitment to WWII, German subs are dispatched to the Gulf of Mexico to sink U.S. vessels

carrying goods and fuel. While taking a late-night walk, Helen Mason-widowed by war-discovers the near-lifeless body of a German sailor. Enraged at the site of Josef Landermann's uniform, Helen is prepared to leave him to die when an unusual phrase, faintly uttered, changes her mind. Set in a period simmering with anger and suspicion The Heart Mender offers the very real

chronicle of a small town preparing itself for the worst the world has to offer. As cargo from torpedoed ships begins to wash up on the beach, Josef and Helen must reconcile their pasts to create a future. Blending his unique style of historical accuracy with unparalleled storytelling, New York Times best-selling author Andy Andrews offers a tale of war, faith, and forgiveness illuminating

the one principle that frees the human spirit. Previously released as Island of Saints, this new edition includes a reader's guide and a "Where Are They Now?" update on the real-life characters. **How Your Life Matters** Grove/Atlantic, Inc. Speaker and New York Times best-selling author Andy Andrews shares a compelling and powerful story about a decision one man made over a

hundred years ago, and the ripple effect it's had on us individually, and nationwide, today. It's a story that will inspire courage and wisdom in the decisions we make, as well as affect the way we treat others through our lifetime. Andrews speaks over 100 times a year, and *The Butterfly Effect* is his #1 most requested story. [The Butterfly Effect](#) Thomas Nelson This book will

teach you about the importance of friendship. You will also find some words of advice on doing the right thing and finding happiness from the point of view of one of the characters. A butterfly by the name of Rainbow meets a very wise mollusk, Mr. Snail. They became the best of friends and... the adventure begins.

The Noticer Returns

Thomas Nelson Inc
This is how it's

done. This is why it's done this way. This is the result you can expect if you do it. These three pieces of information inform a conclusion about every part of each of our lives. Yet it is these three pieces of information that most often set an insidious trap—a trap that has held the imaginations of generations captive to the belief that because they are doing the best they can do, they are accomplishing

the best that can be done. And while each of these three statements are true, not one of them is the truth. Dive deeper with bestselling author Andy Andrews as he shares his unique philosophy regarding foundational thinking. Through his unique and captivating storytelling, Andy helps you search for the reality that lies beyond the boundaries established in the name of “best

practices,”
“industry
standards,” or
“the way
things are
done.” For it’s
at the bottom
of the pool
that you
