NCERT has

developed Exemplar Problems in science for Class X with the objective to cover the fundamentals of all Class X topics. This special edition of Educart Science NCERT Exemplar Book for Class X Science will act as the Bible for students preparing for their dream careers. It is made my country's top CBSE teachers in collaboration with Educart Experts after a year of rigorous

research and development process. This Science Educart Exemplar book is prepared by our country's top experts, to give students a single reference book throughout the year to clear doubts.

Below are the key differentiations of this Educart book:

- Revised with **30% reduced syllabus.**
- Every single question of this Educart NCERT Exemplar is solved

keeping the basics in mind.

- Strict NCERT syllabus guidelines are followed when writing explanations.
- Special attention is put to explanations of MCQs and VSA as 25% of paper comes from them.
- Questions that have appeared in previous board examinations are identified, so that students use that extra data to prioritize important questions.
- Extra

examinable insight in certain solutions is given under the categories of Definition, Differentiation, Concept Applied and Extra Information.

- NCERT recommended Diksha 2.0 platform (launched February 2020) questions (important ones) are solved at the end of each chapter. Educart NCERT Exemplar Science also serves the purpose of revision, in the

last moments before Board examinations, especially, as a major part of paper comes from this book statistically. We sincerely hope that the contents of this book will prove immensely beneficial to all students.

We wish you the best of luck.

Oswaal NCERT Problems - Solutions (Textbook + Exemplar) Class 10 Science Book (For 2022 Exam) Anchor

The book that inspired the major new

motion picture Mandela: Long Walk to Freedom. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment,

Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality.

LONG WALK TO FREEDOM is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.
