I don't love him. I don't even like him. I just want him. Eli Loveless was my nemesis from the first day of kindergarten until we graduated high school. Everything I did, he had to do better - and vice versa. The day he left town was the best day of my life. Ten years later, the day he came back was the worst. Now he's my co-worker. Grown-up Eli Loveless is sexy as sin. He's hotter than asphalt in the summer. The irritating kid I once knew is gone, and he's been replaced by a man with green eyes, perfect abs, and a cocky smile. It's bad that I want him. It's worse that he wants me back. There are looks. There are smirks. There are smiles that make my panties burst into flame. And then there's a shared kiss that leads to the hottest night of my life. This is no office romance. This is a five-alarm fire. What's a girl to do when the man I can't stand is the one I can't stop lusting after? Enter into a friends-with-

benefits agreement, of course. No dates. No relationship. Just blisteringly hot sex, because if there's one person I could never fall for, it's Eli. ...right? To Sir Phillip, With Love Independently Published From critically acclaimed comedian Becky Lucas comes a funny, consoling and very candid collection of stories and essays about friends, enemies and figuring it out that establishes her as one of today's most original comedy writers. There's no such thing as a perfect life, but there are perfectly hilarious moments. The best stories are often about the lowest points in our lives - the soul-crushing jobs, the bad boyfriends, the terrible holidays, the betrayals and heartbreaks. These are the stories I tell people to make them like me, but, more importantly, they've helped me learn how to like myself. So this book is a collection of thank-yous and acknowledgments: \* Thank you to an ex-lover who marvelled at the fact he could get hard with me, even though I wasn't up to his usual standard. \* Thank you to the coked-up real estate agent who, while lecturing me and my friend about the

importance of travelling, fell down a flight of stairs.

\* Thank you to the woman who approached me after a gig and told me she hoped her daughter wouldn't end up like me. You've all taught me that you can't control who comes into your life or what happens to you, but you can decide just what it is you take from them.

*A History of the FBI*  
HarperCollins

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a groundbreaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their

perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

[The Room Where It Happened](#) HarperCollins  
A Jewish refugee who escaped Hitler's Holocaust and is living in New York with his second wife faces a dilemma when he discovers that his first wife is still alive

**Going There** Little, Brown

On the last day of 1999, a survivor grandmother in Tel Aviv shares with her granddaughter her tragic life story as a child hidden in a pit, with only a rat for company. The granddaughter tells the legend of "Girl and Rat" to her teacher; in 2009 those who heard it through her classmates establish an internet website with poems. From now on this memory is spread all over the world and becomes a myth. A future anthropologist, researching its mysterious roots in 2099, discovers Father Stanislaw's personal journal

documenting his rescue of that little Jewish girl, and so the chain of remembrance moves from the present to the future and back to the past.

*Perfect Enemies* Jill Ramsower, LLC  
When people and circumstances upset us, how do we deal with them? Often, we feel victimized. We become hurt, angry, and defensive. We end up seeing others as enemies, and when things don't go our way, we become enemies to ourselves. But what if we could move past this pain, anger, and defensiveness? Inspired by Buddhist philosophy, this book introduces us to the four kinds of enemies we encounter in life: the outer enemy, people, institutions, and situations that mean to harm us; the inner enemy, anger, hatred, fear, and other destructive emotions; the secret enemy, self-obsession that isolates us from others; and the super-secret enemy, deep-seated self-loathing that prevents us from finding inner freedom and true happiness. In this practical guide, we learn not only how to identify our enemies, but more important, how to transform our relationship

to them. *Love Your Enemies* teaches us how to: - Break free from the mode of "us" versus "them" thinking - develop compassion, patience, and love - Accept what is beyond our control - Embrace lovingkindness, right speech, and other core concepts

Throughout, authors Sharon Salzberg and Robert Thurman share stories and exercises for achieving finding peace within yourself and with the world. Drawing from ancient spiritual wisdom and modern psychology, *Love Your Enemies* presents tools that are useful for all readers.

The hidden history of the FBI and its hundred-year war against terrorists, spies, and anyone it deemed subversive—including even American presidents. **NEW YORK TIMES BESTSELLER • NOW A SHOWTIME ORIGINAL DOCUMENTARY SERIES** "Turns the long history of the FBI into a story that is as compelling, and important, as today's headlines."—Jeffrey Toobin, author of *American Heiress*  
*Enemies* is the first

definitive history of the FBI's secret intelligence operations, from an author whose work on the Pentagon and the CIA won him the Pulitzer Prize and the National Book Award. We think of the FBI as America's police force. But secret intelligence is the Bureau's first and foremost mission. The FBI's secret intelligence and surveillance techniques have created a tug-of-war between national security and civil liberties, a tension that strains the very fabric of a free republic. *Enemies* is the story of how presidents have used the FBI to conduct political warfare—and how it has sometimes been turned against them. And it is the story of how the Bureau became the most powerful intelligence service the United States possesses. Named One of the Best Books of the Year by The Washington Post, New York Daily News, and Slate “Pulitzer Prize-winning author Tim Weiner has written a riveting inside account of the FBI's secret machinations that goes so deep into the Bureau's skulduggery, readers will feel they are tapping the phones along with J. Edgar Hoover. This is a book that every American who

cares about civil liberties should read.”—Jane Mayer, author of *Dark Money*  
 “Outstanding.”—The New York Times “Absorbing . . . a sweeping narrative that is all the more entertaining because it is so redolent with screw-ups and scandals.”—Los Angeles Times  
 “Fascinating.”—The Wall Street Journal “Important and disturbing . . . with all the verve and coherence of a good spy thriller.”—The New York Times Book Review  
 “Exciting and fast-paced.”—The Daily Beast  
*Enemies* Entangled: Crush Anjelica Huston's “gorgeously written” (O, The Oprah Magazine) memoir is “an elegant, funny, and frequently haunting reminiscence of the first two decades of her life...A classic” (Vanity Fair). In her first, dazzling memoir, Anjelica Huston shares the story of her deeply unconventional early life—her enchanted childhood in Ireland, living with her glamorous and artistic mother, educated by tutors and nuns, intrepid on a horse. Huston was raised on an Irish estate to which—between movies—her father, director John Huston, brought his array of

extraordinary friends, from Carson McCullers and John Steinbeck to Peter O'Toole and Marlon Brando. In London, where she lived with her mother and brother in the early sixties when her parents separated, Huston encountered the Rolling Stones and Fleetwood Mac. She understudied Marianne Faithfull in *Hamlet*. Seventeen, striking, precocious, but still young and vulnerable, she was devastated when her mother died in a car crash. Months later she moved to New York, fell in love with the much older, brilliant but disturbed photographer, Bob Richardson, and became a model. Living in the Chelsea Hotel, working with Richard Avedon and other photographers, she navigated a volatile relationship and the dynamic cultural epicenter of New York in the seventies. *A Story Lately Told* is an “evocative” (The New York Times), “magically beautiful” (The Boston Globe) memoir. Huston's second memoir, *Watch Me*, will be published in November 2014.  
*A New Adult Mafia Romance* Random House Trade Paperbacks  
 Presents the history of the FBI's secret intelligence

operations, detailing how the bureau has been used to conduct political warfare, and how it became the most powerful intelligence service in the United States.

*Love Your Enemies* Simon and Schuster

Kane Easton isn't friend material. He's a master manipulator. No one understands why I give him such a hard time. They can't see past his flawless exterior, but I know he's keeping a secret— something he'll protect with absolute ruthlessness. He thinks I'll fall in line with the rest of Xavier High. Believes he can kiss me into submission. He has no idea what he's up against. I may be the youngest Genovese, but I've learned from my family. I'll make Kane regret the day he ever crossed my path. *Perfect Enemies* is the sixth and final book in *The Five Families* series but can be read as a standalone novel.

*Enemy's Secret* Macmillan

C. P. Ellis grew up in the poor white section of Durham, North Carolina, and as a young man joined the Ku Klux Klan. Ann Atwater, a single mother from the poor black part of town, quit her job as a household

domestic to join the civil rights fight. During the 1960s, as the country struggled with the explosive issue of race, Atwater and Ellis met on opposite sides of the public school integration issue. Their encounters were charged with hatred and suspicion. In an amazing set of transformations, however, each of them came to see how the other had been exploited by the South's rigid power structure, and they forged a friendship that flourished against a backdrop of unrelenting bigotry. Rich with details about the rhythms of daily life in the mid-twentieth-century South, *The Best of Enemies* offers a vivid portrait of a relationship that defied all odds. By placing this very personal story into broader context, Osha Gray Davidson demonstrates that race is intimately tied to issues of class, and that cooperation is possible-- even in the most divisive situations--when people begin to listen to one another.

*Coming of Age in Ireland, London, and New York*

New York Review of Books In 1937 Hollywood, gossip columnist Sheilah Graham's star is on the rise, while literary wonder boy F. Scott Fitzgerald's

career is slowly drowning in booze. But the once-famous author, desperate to make money penning scripts for the silver screen, is charismatic enough to attract the gorgeous Miss Graham, a woman who exposes the secrets of others while carefully guarding her own. Like Fitzgerald's hero Jay Gatsby, Graham has meticulously constructed a life far removed from the poverty of her childhood in London's slums. And like Gatsby, the onetime guttersnipe learned early how to use her charms to become a hardworking success; she is feted and feared by both the movie studios and their luminaries. A notorious drunk famously married to the doomed Zelda, Fitzgerald fell hard for his "Sheilah" (he never learned to spell her name), a shrewd yet softhearted woman--both a fool for love and nobody's fool--who would stay with him and help revive his career until his tragic death three years later. Working from Sheilah's memoirs, interviews, and letters, Sally Koslow revisits their scandalous love affair and Graham's dramatic transformation in London, bringing Graham and

Fitzgerald gloriously to life with the color, glitter, magic, and passion of 1930s Hollywood.

**A gay M/M hot bodyguard romance**

Pink Bloom Press

Meticulously researched and controversial in scope and imagination, "And So It Was Written" travels to a time when a Third Temple is built and the Ark of the Covenant holding the Ten Commandments is found. As the Romans prepare to reclaim Israel, two sets of brothers—None Roman and one Jewish—find their friendships, hatreds, and lives intertwined.

*A Novel* Open Road + Grove/Atlantic

The thrilling story of two Cold War spies, CIA case officer Jack Platt and KGB agent Gennady Vasilenko -- improbable friends at a time when they should have been anything but. In 1978, CIA maverick Jack Platt and KGB agent Gennady Vasilenko were new arrivals on the Washington, DC intelligence scene, with Jack working out of the CIA's counterintelligence office and Gennady out of the Soviet Embassy. Both men, already notorious iconoclasts within their respective agencies, were assigned to seduce the other into betraying his

country in the urgent final days of the Cold War, but instead the men ended up becoming the best of friends—blood brothers.

Theirs is a friendship that never should have happened, and their story is chock full of treachery, darkly comic misunderstandings, bureaucratic inanity, the Russian Mafia, and landmark intelligence breakthroughs of the past half century. In *BEST OF ENEMIES*, two espionage cowboys reveal how they became key behind-the-scenes players in solving some of the most celebrated spy stories of the twentieth century, including the crucial discovery of the Soviet mole Robert Hanssen, the 2010 Spy Swap which freed Gennady from Soviet imprisonment, and how Robert De Niro played a real-life role in helping Gennady stay alive during his incarceration in Russia after being falsely accused of spying for the Americans. Through their eyes, we see the distinctions between the Russian and American methods of conducting espionage and the painful birth of the new Russia, whose leader, Vladimir Putin, dreams he can roll back to the ideals of the

old USSR.

*An Enemies-to-Lovers*

*Romance* HarperCollins

"A versatile prose stylist...

[Aboulela's] lyrical style and incisive portrayal of Muslims living in the West received praise from the Nobel Prize winner J. M. Coetzee... [she is] a voice for

multiculturalism."—New York Times It's 2010 and Natasha, a half Russian, half Sudanese professor of Islamic studies, is researching the life of Imam Shamil, the 19th century Muslim leader who led the anti-Russian resistance in the Caucasian War. When shy, single Natasha discovers that her star student, Oz, is not only descended from the warrior but also possesses Shamil's priceless sword, the Imam's story comes vividly to life. As Natasha's relationship with Oz and his alluring actress mother intensifies, Natasha is forced to confront issues she had long tried to avoid—that of her Muslim heritage. When Oz is suddenly arrested at his home one morning, Natasha realizes that everything she values stands in jeopardy. Told with Aboulela's inimitable elegance and narrated from the point of view of both Natasha and

the historical characters she is researching, *The Kindness of Enemies* is both an engrossing story of a provocative period in history and an important examination of what it is to be a Muslim in a post 9/11 world.

*Love Your Enemies* Balboa Press

James used to be my friend. But today he is my enemy. James and John are best friends -- or at least they used to be. They shared pretzels, umbrellas, and even chicken pox. Now James always wants to be boss, and John doesn't want to be friends anymore. But when he goes to James' house to tell him so, something unexpected happens.

**A Novel** The New Press  
 Zoey Handler is ready to put an end to her decade-long rivalry with Gordon Meyers. They've traded top spot between valedictorian and salutatorian for years, but all that's over now. Right? But after a crazy graduation speech prank gets out of hand, suddenly their rivalry turns into all-out war. Time to make peace with a little friendly payback. Step one? Make him believe they're now friends. Step two? Show him the time of his life at

an epic graduation party. Step three? Don't fall for his tricks. Step four? Absolutely, positively, do not kiss him again. So what if he's cute? (Okay, hot.) So what if he's charming? (Heaven help her, tempting.) So what if he apologizes? (That has to be fake.) She knows the real Gordon. And no matter how much her heart begs her to stop, there's no turning back. Disclaimer: This *Entangled Teen Crush* book contains one epic party, complete with every high-schoolers-gone-bad shenanigan, and two rivals who discover maybe they could be something much more...if only they'd stop fighting long enough to notice it. Each book in the *Grad Night* series is **STANDALONE**: \* *Love in the Friend Zone* \* *Love Between Enemies* \* *Love Beyond Opposites*  
*A Gift of Love*  
 CreateSpace  
 David Plante's dazzling portraits of three influential women in the literary world, now back in print for the first time in decades. *Difficult Women* presents portraits of three extraordinary, complicated, and, yes, difficult women, while also raising intriguing and, in their own way, difficult

questions about the character and motivations of the keenly and often cruelly observant portraitist himself. The book begins with David Plante's portrait of Jean Rhys in her old age, when the publication of *The Wide Sargasso Sea*, after years of silence that had made Rhys's great novels of the 1920s and '30s as good as unknown, had at last gained genuine recognition for her. Rhys, however, can hardly be said to be enjoying her new fame. A terminal alcoholic, she curses and staggers and rants like King Lear on the heath in the hotel room that she has made her home, while Plante looks impassively on. Sonia Orwell is his second subject, a suave exploiter and hapless victim of her beauty and social prowess, while the unflappable, brilliant, and impossibly opinionated Germaine Greer sails through the final pages, ever ready to set the world, and any erring companion, right.

**Enemies Like You**

Ninestar Press

I'm a gold-digger. No, seriously, uncovering treasures is my job. My mission was going great until she showed up, and we got stuck in the jungle—with only one

tent! Travel photographer Winter Knowles and archeology professor Logan Spencer dislike each other at first sight. Stuck together into the wild, these two unwilling teammates will bicker and banter their way through a laugh-packed treasure hunt. After years of searching, a new mapping technology has given Logan a clue to the whereabouts of the legendary Lost City of Gold. A discovery that could make his career. The last thing he needs on this life-changing expedition is for his team to get distracted by a pair of long legs. When Winter accepted the assignment on a tropical island, she didn't sign up for a brooding team leader who'd clearly prefer to run a boys-only club. Never one to back down from a challenge, Winter is ready to show him she's no damsel in distress. But when a treasure like no other is uncovered and ruthless enemies will seek to steal it, it'll be up to the two of them to save the day. Left alone to fight in the jungle, they will soon discover their lives might not be the only thing at stake—their hearts could be too. All Logan has to do now is get the gold and get the girl. Easy, right?

Get ready for the adventure of a lifetime. A hilarious enemies to lovers romance packed with danger, action, and comedy. From Thailand with Love is part of a series of interconnected romantic comedies but can be read as a standalone novel as all the other books in the First Comes Love series. ### **Enemies of the State**

**Enemies, A Love Story**  
A rogue Black Ops unit with the president in their crosshairs. A Secret Service agent who will break every rule. A president falling for the one person he shouldn't-a man. Newly elected President Jack Spiers's presidency is rocked from the very beginning, and he's working furiously to keep the world from

falling apart. Between terrorism attacks ripping apart Europe, Russia's constant posturing and aggression, and the quagmire of the Middle East, Jack is struggling to keep his campaign promise-to work toward a better, safer world. For Special Agent Ethan Reichenbach, Jack is just another president, the third in twelve years. With Jack's election, he's been promoted, and now he's running the presidential detail, which puts him side by side with Jack daily. He's expecting another stuffed suit and an arrogant DC politician, but Jack shocks him with his humor and humanity. There are rules against a

Secret Service agent and one of their protectees developing a friendship-big rules. Besides, Jack is straight as a ruler, and a widower, and Ethan has always avoided falling for straight men. Ethan keeps his distance, but Jack draws him in, like gas to a naked flame, and it's a lure he isn't strong enough to turn away from. As the two men collide, rules are shattered and the world teeters on the verge of war, and a rogue Black Ops unit bent on destruction sets Jack in their deadly crosshairs. Ethan must put everything on the line in order to save the man he's come to love, Jack's presidency, and the world.
