SAP Certified Application Associate - SAP HANA

(Edition 2014) These questions are similar to

the ones asked in the actual Test. How should I

know? I know, because although I have been

working as an SAP HANA Consultant for many

years, I have myself recently certified with the

latest version of the Associate Certification

test. Before you start here are some Key features of

the SAP HANA (Edition 2014) Associate

Certification Exam. This certification exam verifies

that the candidate has the knowledge required in the

area of SAP HANA SP08.

This certificate builds on

the basic knowledge gained through related SAP HANA training and preferably refined by practical experience within an SAP HANA

project team, whereby the consultant applies acquired knowledge in this specialist area practically in projects..

The exam is Computer based and you have three

Hours to answer 80 Questions. The Questions

are (mostly) multiple choice type and there is

NO penalty for an incorrect answer. Some of

the Questions have more than one correct answer.

You must get ALL the options correct for you to

be awarded points. For questions with a single

answer, the answers will have a button next to

them. You will be able to select only one button.

For questions with multiple answers, the

answers will have a 'tick box' next to them. This

allows you to select multiple answers. You are

not allowed to use any reference materials

during the certification test (no access to online documentation or to any SAP system). Clearing the Certification will not automatically lead you to

a job. However a Certification with some project experience will certainly open a lot of doors for you. So if you

have little or no experience, you should get yourself certified, get

some project experience, and then the whole of the SAP World open for you to

explore. Helping you with the first step on your

ladder to success is this book! Some UNIQUE

features of this Book: - There is NO Other

material in the market for the SAP Certified

Application Associate - SAP HANA (Edition 2014)

exam. - The authors have themselves cleared the

exam. - All questions are multiple choice format,

similar the questions you will get in the actual

exam. - Over 220 authentic questions,

testing the exact same concepts that will be

tested in Your exam!

Clearing the Project System (PS) Certification will not automatically lead you to a job. However a Certification with some project experience will certainly open a lot of doors for you. The consultants who will benefit the most from a certification are the ones with typically less than 3 year's project experience. This is not to say that consultants with higher experience will not benefit, but at that level, having a certification

matters much less. So if you have little or no SAP-PS experience, you should get yourself certified, get some project experience, and then the whole of the SAP World open for you to explore. project experience will certainly open a lot of doors for you. The consultants who will benefit the most from a certification are the ones with typically less than 3 year's project experience. This is not to say that consultants with higher experience will not benefit, but at that level, having a certification matters much less. So if you have little or no SAP-FI experience, you should get yourself certified, get some project experience, and then the whole of the SAP World open for you to explore. Helping you with the first step on you ladder to success is this book!! Some unique features of this book: - There is NO Other Quality book in the market for the SAP FI Accounting (FI) ERP 6.0 Certification exam. - The authors have themselves cleared the exam. - All questions are multiple choice format, similar the questions you will get in the actual exam. - Over 250 authentic questions, testing the exact same concepts that will be tested in Your exam!
