Kindergarten Math Power Workout! Bright Kids Pablo's first day in a New York City school quickly goes off the rails during a field trip. Pablo accidentally gets on the wrong train, but finds his way with help from a new friend and from the city itself. This story - which features maps, archival photos, and fascinating facts - will help readers explore the subway without leaving their

seats. Aligned to Common Core Standards and correlated to state standards. Spotlight is a division of ABDO. Vocabulary Enrichment Activities Copyright Office, Library of Congress For each word, you'll find a simple pronunciation, a kid-friendly definition, an example of how to use the word in a sentence, and a fun illustration that further scaffolds kids' understanding. Words are presented in groups of five that are linked in some way--for example, words may have related

meanings or share the same Latin or Greek root. Engaging word-building activities give kids the multiple exposures to a word they need to truly "own" each word. Each book also includes a handy checklist so kids can track their growing word power. Loaded with lively notes and doodles to spark kids' interest! 2-color! Vocabulary Enrichment Activities Bright Kids This packet introduces your students to challenging new words chosen from popular

literature at the designated level, using a mode of selection that expands the conventional basal vocabularies and ensures the usefulness of words learned. Reviews reinforce learning, and activity pages introduce new words in context. Reinforcement is provided in student activities matching words with their meanings, alphabetizing words, matching words with their antonyms, and completing puzzles. All lessons are teacher-created. The teaching guide includes a list of

source books for each level. Math Power!
