## BLAKE MORENO

*Reckoning: A Mafia Romance (Blood and Honor, #4)* Dana Delamar

Martial artist Jason Willow and his family have been on the run from inhuman assassins all his life but no one will tell him why. When his mother is killed, he finally begins to uncover the shocking truth: demons are real and walk amongst us. Deep in the mountains of Transylvania, paranormally gifted, but often psychologically damaged, families calling themselves The Watch have been secretly hunting down demon cults for centuries. Jason's father used to be a demon hunter, gifted with powerful abilities and now Jason is about to develop unparalleled powers of his own. All hell threatens to break loose as both sides lay claim to him. As the demonic attacks escalate, Jason and his sassy, eighteen year old sister, Miranda are forced to accept the protection of a sinister figure from their father's past. Rocked by first love and betrayal, Jason is tempted into a deadly training regime for the chance to control his burgeoning powers. Relationships crack as his father struggles to keep him from a sickening, treacherous world he will never be able to escape. Jason must make a choice: join a twisted cabal of demon hunters or suppress his powers and be hunted for the rest of his life. But time is running out as the ripples of Jason's unlocked abilities draw in the darkness that has stalked him since birth. JASON WILLOW's high-octane action is shot through with family, friends and lovers caught in complicated relationships as they battle to find sanctuary in such locations as a remote Scottish castle, a gang-controlled school, a high-tech abbey stronghold and a hellish brewery town lost deep in the Yorkshire Moors. Kindle Book Review (5/5 Stars) My favourite part of the book was the rip-roaring, rollicking ending. Action? Man, yes! Amazon Breakthrough Novel Award - Expert Reviewers Carving out believable relationships between siblings, especially brothers and sisters, isn't something I see done well in young adult fiction, but I think this author hit the nail on the head... .. And then there is the mystery of the kids' father - what is his past all about? Is he a good guy or a bad guy? I think that is the real burning question? ABNA Quarter Finals: Publishers Weekly Reviewer ...the exciting plot keeps the pages turning. The description of Jason's Gift is particularly original and the fight scenes are intense. The SL - School Librarian magazine (U.K.) "This exciting first novel is not for the faint hearted with menacing locations and action descriptions. Issues of bullying, violence, family loyalties, friendships and the battle between good and evil make this a fairly complex but exceedingly hard to put down novel..." The Times Educational Supplement (Web Site - reader review) The fierce, often gruesome, battles suggest similarities with modern day computer games...

Ranging in length from just 99 words to long-enough-for-a-second-cup-of-tea, these stories feature locations from Switzerland to Seattle and the popular fictional English village of Saffron Sweeting in between. **Termination Day** Createspace Independent Publishing Platform Double-finalist (Romantic Suspense and Best First Book) in the 2013 Booksellers' Best Awards Top Pick, 5 Stars from The Romance Reviews (TRR) - "This story truly exceeded my expectations. Revenge is action packed, and when the pace picks up, it does not slow down.... Pick up this book today; it will grab your attention from the beginning. I cannot wait to read the next book." "Here is to a WHOOPING 5 Stars. If I had to describe this book in about 4 words it would be action-packed, sexy, romantic, and adrenaline rushing.... This would make a kick butt movie! There were times when I was fanning myself, sitting on the edge of my seat, and so mad I had to put it down. The steamy scenes were oh so delicious!" -- Bengal Reads blog, 5 stars ENRICO LUCCHESI I do not like to be denied anything I want. And I want Kate Andretti with a fire that burns me to ash. Marrying a man I barely knew, letting him take me to Italy... not my best decisions. Especially when I now know what the "family business" really is. I want out of this life, and I want out of Italy. But the only person willing to help me escape the Andrettis is Enrico Lucchesi. And he wants me to stay

in this world that I can't bear to be part of. The vows these men take talk about "blood and honor." But I know what this life is: it's blood and danger. It's blood and death. Short stories with hopeful endings have always been favorites of Helen Haught Fanick, and her own stories are no exception.
