Alliance (GEMA). Although the basic designs of the various engines are the same, their exact specifications are individually tailored for each partner (Chrysler, Mitsubishi, Lincoln, Buick and Hyundai).

WikiZero - Mitsubishi 4A9 engine

The MIVEC engine was first used in 1992 in the Mirage, and since then Mitsubishi Motors has been adding a number of enhancements to produce an even better performance. In the Outlander launched in 2005, the Delica D:5 and the Galant Fortis launched in 2007, Mitsubishi Motors adopted a mechanism that continuously and optimally controls the ...
