Mysteries In
the winter of
1835, young
Charles
Dickens is a
journalist on
the rise at the

Evening Chronicle. Invited to dinner at the estate of the newspaper's co-editor, Charles is smitten with his boss's daughter, vivacious nineteen-year-old Kate Hogarth. They are having the best of times when a scream shatters the pleasant evening. Charles, Kate, and her father rush to the neighbors' home, where Miss Christiana Lugoson lies unconscious on the floor.

By morning, the poor young woman will be dead. When Charles hears from a colleague of a very similar mysterious death a year ago to the date, also a young woman, he begins to suspect poisoning and feels compelled to investigate. The lovely Kate offers to help—using her social position to gain access to the members of the upper crust, now suspects in a murder. If Charles can find justice for

the victims, it will be a far, far better thing than he has ever done. But with a twist or two in this most peculiar case, he and Kate may be in for the worst of times . . . “Watching young Charles sniff out the connection between the two deaths is only part of the fun. Readers can travel through a historical London that's vivid without being overcrowded with detail . . . Mystery fans and history buffs alike

should cheer.”

Love can propel us to our greatest heights . . . and darkest depths. In this new compendium of Agatha Christie short stories, witness the dark side of love—crimes of passion,

games of the heart, and deadly deceptions. In "The Face of Helen," a night at the Royal Opera could reach a fatal

crescendo for a woman caught in a dicey love triangle; "Finessing the King" delivers a curious ad in the personals that could mask sinister intentions; who's in danger of getting stung in "Wasps' Nest" depends on rounding up suspects and solving a murder—before it even happens. These are just a few of the tales in this collection featuring essential reading that Christie fans old and new

will simply love to death. *Little Grey Cells: The Quotable Poirot* Black Dog & Leventhal Pub "Writing Crooked House was pure pleasure and I feel justified in my belief that it is one of my best." -- Agatha Christie Described by the queen of mystery herself as one of her favorites of her published work, Crooked House is a classic Agatha Christie thriller revolving around a

devastating family mystery. The Leonides are one big happy family living in a sprawling, ramshackle mansion. That is until the head of the household, Aristide, is murdered with a fatal barbiturate injection. Suspicion naturally falls on the old man's young widow, fifty years his junior. But the murderer has reckoned without the tenacity of Charles Hayward, fiancé of the late

millionaire's granddaughter. **The War Years** Black Dog & Leventhal Pub CRIME & MYSTERY FICTION. Facsimile edition. Previously published in the print anthology *Poirot's Early Cases*. The Lemesurier family is plagued by a medieval curse, ensuring that no firstborn son will ever receive his inheritance. Can Hercule Poirot solve the riddle of the curse?

Five Little Pigs
Harper Collins

After receiving a letter from beyond the grave, Carla Crale believes her mother, who died in prison, was wrongly convicted of her father's murder. In a passionate attempt to clear her name, she persuades those present on the day of her father's death to return to the scene of the crime and "go back" 16 years to recount their version of events. An unusual take on the traditional

murder mystery, the action of the play slips seamlessly from past to present, examining the danger of relying on personal testimony warped by time, prejudice and perception. By studying each suspect's testimony, and the various inconsistencies between them, the drama arrives at a disturbing and terrible truth. "Demonstrate the author's uncanny skill. The answer to

the riddle is brilliant." THE TIMES
