"In this ... guide to the ever-changing modern workplace, Kathryn Minshew and Alexandra Cavoulacos, the co-founders of [the] career website TheMuse.com, show how to play the game by the New Rules, [explaining] how to figure out exactly what your values and your skills are and how they best play out in the marketplace ... [They] guide you as you sort through your countless options [and] communicate who you are and why you are valuable and stand out from the crowd"--

The Government Accountant SAGE Financial Accounting, 11th Edition, provides students with a clear understanding of financial accounting by framing accounting processes in the context of real-world business practices. Concepts are presented in an engaging story-telling approach and help answer key questions such as "why, what, and how" financial accounting connects to business success. By building a solid foundation in the mechanics of preparing and analyzing financial statements, performance measurement (Return on Equity), and decision-making with the help of data analytics, Financial

Accounting, 11th Edition helps students better prepare to be effective and successful business professionals.
