Discourse in English Language Education introduces students to the major concepts and questions in Discourse Studies and their applications to language education. Each chapter draws on key research to examine critically a particular approach in the field, providing a review of important literature, examples to illustrate the principal issues concerned and an outline of the implications for their application to pedagogy. Features include: coverage of a broad range of approaches in the field, including Systemic Functional Linguistics and Register, Speech Acts, the Cooperative Principle and Politeness, Conversation Analysis, Genre Analysis, Critical Discourse Analysis and Corpus Linguistics analysis of a wide range of discourse examples that include casual conversation, newspapers, fiction, radio, classrooms, blogs and real-life learner texts a selection of illustrations and tables carefully chosen to enhance students' understanding of different concepts and approaches stimulating discussion questions at the end of each chapter, specially designed to foster critical thinking, reflection and engagement with the topics covered. Engaging, accessible and comprehensive, Discourse in English Language Education richly demonstrates how Discourse Studies can inform the teaching of English and other languages, both as a foreign language and in the mother tongue. It will be essential reading for upper undergraduates and postgraduates with interests in Applied Linguistics, TESOL and Language Education.

Smart implementation of the Common Core State Standards requires both an overall understanding of the standards and a grasp of their implications for planning, teaching, and learning. This Quick-Start Guide provides a succinct, all-in-one look at \* The content, structure, terminology, and emphases of the Common Core standards for English language arts at the middle school level. \* The meaning of the individual standards within the four ELA strands--Reading, Writing, Speaking and Listening, and Language, with an emphasis on areas that represent the most significant changes to business as usual. \* How the standards connect across strands, domains, and grade levels to build on prior learning and prepare students for the nuanced communication and analytical work they will encounter in high school. Here, middle school ELA teachers and school leaders will find information they need to begin adapting their practices to ensure that all students master the new and challenging material contained in the standards. A practical lesson planning process to use with the Common Core, based on Classroom Instruction That Works, 2nd Ed., is included, along with three sample lessons. LEARN THE ESSENTIALS OF THE COMMON CORE The grade-level and subject-specific Quick-Start Guides in the Understanding the Common Core Standards series, edited by John Kendall, are designed to help school leaders and school staffs turn Common Core standards into coherent, content-rich curriculum and effective, classroom-level lessons.

*Activities for English Language Learners Across the Curriculum* Oswaal Books and Learning Pvt Ltd This Handbook is a comprehensive overview of English language education in Bangladesh. Presenting descriptive, theoretical, and empirical chapters as well as case studies, this Handbook, on the one hand, provides a comprehensive view of the English language teaching and learning scenario in Bangladesh, and on the other hand comes up with suggestions for possible decolonisation and de-eliticisation of English in Bangladesh. The Handbook explores a wide range of diverse endogenous and exogenous topics, all related to English language teaching and learning in Bangladesh, and acquaints readers with different perspectives, operating from the macro to the micro levels. The theoretical frameworks used are drawn from applied linguistics, education, sociology, political science, critical geography, cultural studies, psychology, and economics. The chapters examine how much generalisability the theories have for the context of Bangladesh and how the empirical data can be interpreted through different theoretical lenses. There are six sections in the Handbook covering different dynamics of English language education practices in Bangladesh, from history, policy and practice to assessment, pedagogy and identity. It is an invaluable reference source for students, researchers, and policy makers interested in English language, ELT, TESOL, and applied linguistics.

This book has been designed by combining the goodness of the original Wren & Martin text, High School Grammar & Composition, and specialized content developed by a panel of competitive examination experts in the area of the English language. The USP is therefore adapting a classical text to the needs of the various admission and recruitment competitive examination aspirants. Its exhaustive coverage ensures that virtually no competitive examination remains untouched. Students preparing for descriptive tests such as UPSC (Compulsory English and General English Papers of Main Exams) and state PCS examinations, Judicial Services examination, Indian Forest Service examination, Statistical Services and many other examinations in which subjective papers/tests are mandatory will find this book immensely useful. The book is also a boon for those students who are preparing for objective tests such as Banking and Insurance, SSC, UPSC preliminary, Defence Services, Law entrance, Business School entrance examinations, and many other admission and recruitment examinations. A unique feature of this book is demonstration of the connectedness of the concepts and their applications visually, with the help of arrows and pointers. The aspirant will also find questions from recent examinations on virtually every page of the book. An index of examination-wise questions has been included so that the aspirant can choose the sections according to the targeted examination and focus more. Topic-wise distribution of questions in English examination papers - both descriptive and objective - will also help aspirants to undertake a very well directed test-prep program using the book.
