Omnigraphics Incorporated  
Featuring a background on Native  
American history and Wild West culture,  
this book explores the Rocky Mountains,  
with an emphasis on alternative routes  
through the mountains for those wishing  
to escape the beaten track. There is  
comprehensive coverage of getting  
around using local transport or doing it  
yourself. An entire section is devoted to  
outdoor activities.

 Chuck Robbins' personal experiences guide the reader through the myriad public lands. He explains the geology, animal and plant life, and history of Montana's most storied and scenic locales, with a special emphasis on birds found in Montana. Out-of-staters and Montana residents alike will find much of interest in this full-color guide.

*Rocky Mountain States* Office of the Federal Register

From the fertile Swan Valley to the breathtaking open expanses east of Glacier National Park, this guide to northwestern Montana's Glacier Country is designed to help you find what you're looking for and to introduce you to things you might never have imagined exist in this spectacular, out-of-the-way place. A perfect companion to Falcon Publishing's extensive list of Glacier recreation guides,

the Insiders' Guide to Glacier holds Insiders' information on the arts and annual events in the area, as well as where to stay, dine, shop, and take the kids.

Montana's rivers hold a wealth of riches, and Paddling Montana, fully updated and revised, features over thirty river trips for avid paddlers, floaters, and anglers. History buffs can follow the routes of Lewis and Clark along the Missouri, the Jefferson, the Beaverhead, and the Bitterroot. Whitewater enthusiasts can head for the Gallatin or the Madison's Beartrap Canyon. Look inside to find: Full-color photos GPS coordinates Detailed river descriptions Maps showing access points and river miles Level of difficulty, optimal flows, rapids, and other hazards Who to call for up-to-the minute information on floating conditions A brief overview of Lewis and Clark's historic paddle through Montana For more than twenty-five years, FalconGuides® have set the standard for outdoor guidebooks. Written by top experts, each guide invites you to experience the adventure and beauty of

the outdoors.

*P-Z* Detroit : Gale Research Company  
 The fishing in Montana is better than ever, which is why Wilderness Adventures Press is releasing this completely revised edition of the Flyfisher's Guide to Montana, complete with full-color photography and brand new, highly detailed maps! The updated maps include all of the BLM land, National Forest, Wilderness Areas and state-owned land for all of Montana's major fisheries, and many smaller rivers and lakes. All access points, boat launches, campgrounds and more are shown with GPS coordinates, highways and access roads. You will be able to find your way to the river, whether you're familiar with the area or not. This completely revamped edition details the wealth of great flyfishing in Big Sky Country. From major rivers like the Yellowstone, Missouri, Beaverhead, Big Hole, Clark Fork, Bighorn, and Madison down to the smallest fishable creeks and lakes, veteran fishing author Chuck Robbins tells anglers everything they need to know about Montana's best fisheries. In addition to covering all the most famous rivers and streams, this book introduces

flyfishers to waters well off the beaten path, including high-country lakes where many of the fish have never seen a fly or lure and hidden gems in eastern Montana. Also includes other great travel and angling information. Update your dog-eared copy of the original with this fantastic new edition!

Free Resource Builder for Librarians and Teachers Insiders' Guide

This first birdfinding guide to Alabama will be an indispensable reference for the many birdwatchers and natural history enthusiasts living in or visiting the state. According to the National Audubon Society, more than 54 million Americans name birdwatching as a favored activity, making it one of the country's most popular hobbies. In locating sites productive for the viewing of a diversity of bird species and numbers, birdwatchers rely on location guides such as this one, written by local experts who know firsthand the terrain, seasonal profile, and makeup of bird species in their areas. Alabama plays host to a great number and variety of birds. The combination of its diverse natural habitats-from the Gulf coastline to Appalachian piedmont to the

Tennessee River Valley-and its location in the eastern migratory flyway make it a wonderful place to observe birds in all seasons. Nearly 400 species have been positively identified in state records-almost half the total species recognized by the American Birding Association for the entire continental U.S. With the publication of *A Birder's Guide to Alabama*, that amazing diversity has been made more accessible for the casual birder as well as the avid "life-lister." A first of its kind for Alabama, this guide covers the best birding spots throughout the state, dividing them into four distinct geographic sections. Each section is covered by expert birders from that region and includes a general description of the area, access, the "hot spots" for viewing, the species expected to be seen and when, and details on the closest accommodations. The guide includes over 50 maps, as well as line drawings and photographs of different bird species. Spiral-bound for convenience in the field, it also offers helpful bar charts describing the frequency and distribution for all the bird species recognized for Alabama. This book will appeal to both novices and

experienced birders, hikers, outdoorspeople, eco-tourists, and anyone interested in Alabama's rich biodiversity. Whether one hopes to witness the breathtaking "fall-out" of exhausted spring migrants on Dauphin Island following a coastal storm front or to gaze in awe from behind a blind at the massing of winter waterfowl at Joe Wheeler National Wildlife Refuge, the user of *A Birder's Guide to Alabama* will find it a constantly referred-to source of information and a handy, practical field companion.

edition also includes 56 maps."--BOOK JACKET.

*Library of Congress Subject Headings: P-Z* America's most enticing small towns promise idyllic getaways in places that time forgot -- from colonial villages to Old West towns to sunny pueblos to salt-sprayed fishing hamlets. Plan the perfect escape in 77 of America's best small towns, where you can visit antique shops or museums, take a hike, go birding, savor local cuisine, sleep on a feather bed, or simply rock away the afternoon on a breezy veranda. Descriptive essays by National Geographic travel writers capture the essence of each town. Detailed practical information highlights inns and B&Bs, restaurants, annual events, and must-see local and nearby sights. Brilliant color photos show off the towns' unique qualities, and easy-to-use, full-color maps make finding these special places easy.
