Maryadas Divine Cool

Seekers are that special category of people who are aware that they have to seek something more than material well-being or power or the so-called pleasures of life. There is a special category born

out of the people who have had this seeking before they came on this Earth. They worked it out and today they are ready to receive the knowledge. This book is a welcoming message to those seekers of truth.

 Shri Mataji Nirmala Devi's
 visit to Australia is
 featured in this 2006
 magazine. We also find
 her words on the great
 heritage and tremendous
 of Sahaja Yoga: "So many
 of you are aspiring to
 ascend to that state
 where you would have
 complete joy, bliss and
 peace."

 "Your problems I will
 solve," Shri Mataji told us,
 "but you solve your
 ascent." The key to doing
 that are the maryadas.
 Shri Mataji also tells us
 about the magnetic
 quality of the Mooladhara.
 She answers seven
 questions and we
 remember seven special
 moments with her.

 What is true freedom?
 Freedom is becoming the
 spirit and realizing what
 we had thought was true

is a total illusion. This
 book allows us to discover
 our true self in the light of
 God's love.

 Sixteen key moments with
 Shri Mataji Nirmala Devi
 between 1979 and 1990
 and what she told us on
 each occasion. From the
 gift of clay swans, under a
 banyan tree on a beach at
 the US-Mexican border, a
 Mother Earth Puja in the
 gentle rain of suburban
 London, sitting for a
 portrait in oils in an Italian
 market square, a summer
 visit to Stonehenge, the

launch and publication of The Advent with each book signed by Shri Mataji – you are there. "The complete dynamism and the memory of each moment is so deep that you will see the whole thing like a picture and the joy of that moment completely flows into you."

At public programs, informal gatherings and media interviews, Shri Mataji often invited questions – from Sahaja Yogis, seekers, journalists. She satisfied our curiosity, our concerns. And calmed our confusions. Here are 108 of those questions, some naive, some misguided, but mostly insightful, rich and relevant. Each one is answered with love and patience. As one seeker prefaced his query, "We are not human beings having a spiritual

experience, but we are spiritual beings having a human experience." Shri Mataji agreed. "You have just become loving angels," she said.

Composed from the words of Shri Mataji Nirmala Devi, this book tells us that the Spirit is the only eternal thing within us. All

the rest are transitory and evolutionary. This is the true quest of our lives, the goal that we seek, the home for which we yearn. Meta Modern Era

JOURNEY WITHIN: THE FINAL STEPS TO SELF REALIZATION is the story of our spiritual ascent, both as individuals and collectively. With equal parts instruction and inspiration, the book beautifully describes how we have gotten where we are today and our essential next steps. Shri Mataji Nirmala Devi gave

more than 3000 recorded talks all around the world. Whether it was a village school, a medical conference, a gathering of UN employees or a suburban hall on a hot summer evening, her central words were the same: introspection,

ascent, inner peace and the most important of all – a realization of our true self. With humour and love, she both guided and listened. From the opening words, ‘My father felt that I would do something great, or we

can sense the trajectory of this tale. And we know too that we are bound for that same greatness. With this book, Shri Mataji reminds us of the journey we are all on. And the direction of that journey is always the same. It is a JOURNEY WITHIN.
