The main section of the book consists of 112 fully conjugated verbs, regular and irregular. Each is self-contained in a double-page spread showing all the major tenses, clearly set out with pronouns. Major constructions and idiomatic phrases are given for most verb models. Similarly conjugated verbs are listed with their translations for complete clarity. The introduction gives a detailed explanation of each of the three conjugations, showing their regular endings in each conjugation for all the main tenses. It also deals with compound tenses and the use of the passive. Finally, an alphabetical index lists over 2000 widely used verbs, and each one cross-refers the user to its basic model in the main verb tables. \*COLLINS EASY LEARNING FRENCH VERBS shows all the major tenses of the most important verbs in French in full. \*Hundreds of examples of real French show exactly

**The Complete French Grammar Course** HarperCollins UK

This new edition of the Modern French Grammar is an innovative reference guide to French, combining traditional and function-based grammar in a single volume. Divided into two parts, Part A covers traditional grammatical categories such as word order, nouns, verbs and adjectives and Part B is organized around language functions and notions such as: giving and seeking information describing processes and results expressing likes, dislikes and preferences. With a strong emphasis on contemporary usage, all grammar points and functions are richly illustrated with examples. Implementing feedback from users of the first edition of the Grammar, this second edition includes clearer explanations and greater emphasis on areas of particular difficulty for learners of French. This is the ideal reference grammar for learners of French at all levels, from beginner to advanced. No prior knowledge of grammatical terminology is assumed and a glossary of grammatical terms is provided. This Grammar is complemented by the Modern French Grammar Workbook Second Edition which features related exercises and activities.
