How the refugee crisis is transforming the Middle East ...
 Migration In The Middle EastDesperate Migration in the Middle
 East Conflict in the Middle East is driving millions of people from
 their homes: Estimates from the UN Refugee Agency suggest that
 more than 4 million Syrians are refugees, 50,000 more have
 sought asylum and at least 7 million more are internally
 displaced.Desperate Migration in the Middle East | YaleGlobal
 OnlineThe Middle East and North Africa span both poles of
 migration: as countries of migrant destination, particularly in the
 Gulf Cooperation Council countries, and as countries of migrant
 origin. The region has a large supply of young, active workers,
 with more than 20 million migrants working elsewhere in the
 region or in Europe.Middle East & North Africa |
 migrationpolicy.orgMigration has long shaped the Middle East
 and North Africa, with countries in the region often
 simultaneously representing points of origin, transit and
 destination. Demographic and socioeconomic trends, conflict and,
 increasingly, climate change are among the multitude of factors
 that influence migration dynamics in the region.Middle East and
 North Africa | International Organization ...Recent migration flows
 in the Middle East have been caused partly by economic reasons
 (people searching for economic opportunities) but most
 importantly by regional conflicts resulting in internal
 displacement and inter/transnational movement.Demography,
 Migration and Security in the Middle EastInternational migration
 is one of the current most important socioeconomic and political
 phenomena in the Middle East.International Migration in the
 Middle EastImmigrants from the Middle East have come to the
 United States for at least 100 years. In the late 1800s, Maronite
 Christians from Lebanon and Armenians and other Christian
 minorities from the Ottoman Empire began settling in the United
 States in significant numbers.Immigrants from the Middle East |
