The essays collected in this volume form a multifaceted discourse on religious, philosophical, historical, ethnocultural and sociocultural, literary and linguistic issues. A multicultural approach to

the problem of the soul allows the presentation of it on a microscale, focused on national and regional specificity, as well as on the macroscale, oriented toward universal values which can be observed in the cultures of peoples distant from each other in both time and space. The book consists of 28 chapters, addressing the fundamental themes of human existence, which

find expression in cultural texts in both colloquial and artistic language, and which have a prominent place in anthropological, psychological, metaphysical and theological debates.

Third series Random House Trade Paperbacks One day ago my life was pretty perfect. But a lot can change in a day. In one day, I went from being Ashlynn Wynterland, one of the most popular girls in school, to being the girl who spends lunchtime hiding out in Mr. Chester's classroom and watching

Maxon Harter, and his science obsessed friends mess around with experiments. All because Queeny Harlington thinks I made out with her crush. Queeny Harlington is the queen of Fareland high. And up until a day ago, she was my best friend. Now she's my worst enemy who's threatening to tell the entire school all of my secrets. Being a friendless, social outcast has its downsides. So, when Maxon invites me to hang out with him and his mad scientist friends, I accept his offer, even

though they all seem to despise me. Which is fine. Sort of... The truth is I've always thought Maxon is cute in a weirdly unordinary way. And the more I get to know him, the more I find myself liking him. But when Queeny decides to tell everyone my darkest secret of all, my new friendship doesn't look like it's going to survive. As my heart breaks, I make a choice that ends up shattering my world completely. In that dark moment, I learn who my real friends are and that

nothing about Fareland is what it seems. The Heartbreaker Society: Books 1-2 includes: 1. The Complicated Life of Ashlynn: Volume 1 2. and *Half a Life* A WASHINGTON POST BEST BOOK OF THE YEAR • “A gorgeous, Technicolor take on America in the middle of the twentieth century.”—Colson Whitehead, Pulitzer Prize-winning author of *The Nickel Boys* This indelible romance begins with a daring conceit—that the author’s grandfather may have had an affair with Lucille Ball. Strauss offers a fresh view of a celebrity America loved more than any other. Lucille Ball—the most powerful

woman in the history of Hollywood—was part of America’s first high-profile interracial marriage. She owned more movie sets than did any movie studio. She more or less single-handedly created the modern TV business. And yet Lucille’s off-camera life was in disarray. While acting out a happy marriage for millions, she suffered in private. Her partner couldn’t stay faithful. She struggled to balance her fame with the demands of being a mother, a creative genius, an entrepreneur,

and, most of all, a symbol. The Queen of Tuesday—Strauss’s follow-up to *Half a Life*, winner of the National Book Critics Circle Award—mixes fact and fiction, memoir and novel, to imagine the provocative story of a woman we thought we knew. *A Friends to Lovers Small Town Romance* CP Publishing

Stella will do anything for her sick sister, Cara—even stand in line for an autographed Heartbreakers CD...for four hours. She's totally winning best birthday gift this year. At least she met a cute boy with soft brown hair and gorgeous blue eyes while getting her

caffeine fix. Too bad she'll never see him again. Except, Stella's life has suddenly turned into a cheesy love song. Because Starbucks Boy is Oliver Perry lead singer for the Heartbreakers. And even after she calls his music crap, Oliver still gives Stella his phone number. And whispers quotes from her favorite Disney movie in her ear. OMG, what is her life? But how can Stella even think about being with Oliver dating and laughing and pulling pranks with the band when her sister

could be dying of cancer? Ali Novak wrote her debut novel My Life with the Walter Boys when she was just 15 years old, and has since penned her next book, The Heartbreakers.  Harlequin  
 In this new biography of Chris Barnard we not only learn about the life of South Africa's most famous surgeon, from his Beaufort West childhood through his studies locally and abroad to his prominent marriages - and divorces - but James Styan also examines the impact of the historic heart transplant on

Barnard's personal life and South African society at large, where apartheid legislation often made the difficulties of medicine even more convoluted. The role of black medical staff like Hamilton Naki is explored, as is the intense rivalry that arose between other famous heart surgeons and Barnard. How did Barnard manage to beat them all in this race of life and death? How much did his famous charisma have to do with it all? And in the light of his later years, his subsequent successes

and considerable failures, what is Barnard's legacy today? Styan covers it all in this fascinating new account of a real heartbreaker.
