Today's Christian women do not simply want nice fellowships and cookie-cutter answers about how to deal with life. Though churches are filled with good ministry programming—activities, outreach events, and an endless selection of

options—many churches neglect their fundamental mission to make disciples. Christian women want to mentor and to be mentored, though they may not fully understand what that means, the significance of this desire, or how to get there. The church must rise to answer these questions, meet life's challenges, and develop creative ways of equipping modern women to mentor well. In *Mentor for Life*, Natasha Sistrunk Robinson lays a solid foundation for mentoring that is based on God's kingdom vision, challenges women to consider the cost of discipleship, and the high calling they have received in Christ. It shows how to develop

mentoring relationships that function communally in existing small groups that are diverse and inclusive. It also presents a mentoring framework of knowing and loving God, understanding our identity in Christ, and loving our neighbor, which encourages theological reflection and cultivates a basic Christian worldview. Filled with examples from Robinson's experience in the military and business world, this resource gives readers the wisdom they need to disciple others and as a foundation for kingdom service.

 In 2015, John Burke's *Imagine Heaven* took the book world by storm, landing on the New York Times bestseller list and selling more than half a million copies. Its exhilarating picture of heaven, drawn from Scripture and illustrated with true stories of near-death experiences, enthralled readers and offered real-life evidence that

supported their faith and answered some of their most pressing questions about life after death. Scripture tells us to "Think about the things of heaven, not the things of earth" (Col. 3:2). Now readers can meditate daily on the realities of heaven with the *Imagine Heaven Devotional*. Each of the 100 devotions includes near-death stories from the bestselling book, Scripture, a prayer, as well as brand new stories and content that helps readers apply these heavenly promises to how they live life today.

Wonderful Life The Good Book Company
 "Besides Jesus, no one has kept me from despair, or taken me deeper into the

mysteries of the gospel, than the apostle Paul." —John Piper No one has had a greater impact on the world for eternal good than the apostle Paul—except Jesus himself. For John Piper, this impact is very personal. He does not just admire and trust Paul. He loves him. Piper gives us thirty glimpses into why his heart and mind respond this way. Can a Christian-killer really endure 195 lashes from a heart of love? Can a mystic who thinks he was caught up into heaven be a model of lucid rationality? Can an ethnocentric Jew write the most beautiful call to reconciliation? Can a person who lives with the unceasing anguish of empathy be always rejoicing? Can a man's

description of the horrors of human sin be exceeded by his delight in human splendor? Can a man with a backbone of steel be as tender as a nursing mother? If we know this man—if we see what Piper sees—we too will love him. Paul's testimony is a matter of life and death. Piper invites you into his relationship with Paul in the hope that you will know life, forever.

Kingdom Man
Devotional WaterBrook
 Jay Shetty, social media superstar and host of the #1 podcast *On Purpose*, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity - How to stop overthinking -Why comparison kills love - How to use your fear - Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up

in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many

working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the

world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, Think Like a Monk reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

*New York Times

Bestseller* Not one

thing in your life is

more important than

figuring out how to live

in the face of unspoken

pain. New York Times

bestselling author of

One Thousand Gifts

Ann Voskamp sits at

the edge of her life and

all of her own

unspoken brokenness and asks: What if you really want to live abundantly before it's too late? What do you do if you really want to know abundant wholeness? This is the one begging question that's behind every single aspect of our lives--and one that The Broken Way rises up to explore in the most unexpected ways. This one's for the lovers and the sufferers. For those whose hopes and dreams and love grew so large it broke their willing hearts. This one's for the busted ones who are ready to bust free, the ones ready to break molds, break chains, break measuring sticks, and break all this bad brokenness with an unlikely good brokenness. You could be one of the Beloved

who is broken--and still lets yourself be loved. You could be one of them, one who believes freedom can be found not only beyond the fear and pain, but actually within it. You could discover and trust this broken way--the way to not be afraid of broken things.

Take My Heart, Oh God
Viking

What do you do when you wake up and feel like you're not enough for your life? Or when you look out the kitchen window as dusk falls and wonder how do you live when life keeps breaking your heart? As Ann Voskamp writes, "great grief isn't meant to fit inside your body. It's why your heart breaks." And each of us holds enough brokenness to

overflow—to be given as the greatest story of our lives. In sixty vulnerably soulful stories, *The Way of Abundance* moves from self-weary brokenness to Christ-focused givenness. Drawing from the critically acclaimed, New York Times bestseller *The Broken Way* and Ann's online essays, this devotional dares us to embrace brokenness as a gift that moves us to givenness as a way to draw closer to the heart of God. Christ Himself broke like bread, giving Himself to us so we might have a lifelong communion with Him. Could it be that our brokenness is also a gift to the world? This gentle but exquisitely profound book does nothing less than take you on an

intimate journey of the soul. As Ann writes, "The wound in His side proves that Jesus is always on the side of the suffering, the wounded, the busted, the broken." Discover how surrendering in unexpected ways is the first step toward receiving what you long for. Discover the good news that your beauty is not in your strength but in your fragility. Discover why your healing shines radiant through your wounds—and how only in brokenness will you ever be whole—and find the way to the abundance you were meant for.
