Bullen and Leake and Jacob's Precedents of Pleadings

In the Queen's Bench Division of the High Court of Justice

Bennion on Statutory Interpretation is the leading work on the interpretation of legislation and essential reading for all those who practise law, whether drafting legislation, administering it, advising on it or arguing it in court. The Fifth edition has been extensively revised and updated to ensure that it remains the seminal work on statutory interpretation for the modern-day practitioner. The work explains clearly and concisely how to extract the relevant interpretative factors in deciding the legal meaning and effect of all types of legislation. The provision of checklists helps to ensure that no argument is overlooked. Critical issues such as how to assess legislative intent are examined. A framework is provided which enables the reader to interpret legislation accurately and confidently. This set includes the mainwork and supplement.

Chitty on Contracts

Pleadings Without Tears has become established as one of the most successful books on practical legal drafting in the context of litigation. This new eighth edition is fully updated to take account of Civil Procedure Rule (CPR) changes since the last edition. The book takes a practical and insightful look at the subject of legal drafting, enabling the reader to become more confident in approaching this often unnecessarily daunting subject. It focuses on core skills and fundamental rules while clearly addressing each stage of the process and goes beyond a straightforward setting out of the precedents and authorities relevant to statements of case. It gives clear examples of how to set out relevant matters with clarity and precision and encourages the reader to give full consideration to concise and clear identification of the subject matter of the action, the issues of the case and the parties' respective positions in respect to those issues. With a wealth of practical examples and anecdotes - and illustrated throughout with cartoons - the light and entertaining style, combined with detailed analysis and explanation, enables the reader to easily acquire a good understanding of drafting.

Singapore Precedents of Pleadings

Designed to reduce, to the absolute minimum, the legal difficulties involved in UK reinsurance transactions, this book covers all the areas of reinsurance that are likely to give rise to problems. Paying special attention to the drafting and operation of the reinsurance contract, the book also deals in detail with dispute resolution, including arbitration and commercial court practice and procedure. It provides advice on how to identify, minimize, and resolve problems that may arise with reinsurance contracts, including: a clear explanation of the basics of reinsurance contracts, including the relationships between parties and the various types of contracts the principles of drafting and interpretation of contracts, including reaching agreement, contract wordings, and choice of law the details of operating a contract, including claims handling, offset and funding, inspection of records, and transfer and termination deviation guidance on dispute resolution, including choice of law.

Benjamin's Sale of Goods

Compiled by over 60 leading barristers, this book provides

precedents with guiding commentary, and reflects the legislative and judicial developments in the individual practice areas. It provides coverage of both mainstream and specialist practice areas, and a working tool for advocates.

Bullen & Leake & Jacob's Hong Kong Precedents of Pleadings

This book is a companion volume to Bullen, Leake and Jacob's Precedents of Pleadings and will be useful reading for a full understanding of the system of pleadings in England and Wales.

The book aims to provide a comprehensive commentary to the classic compendium of precedents, covering every aspect of pleadings in detail.

Gatley on Libel and Slander

This fourth cumulative supplement brings the 6th edition up to date with the latest developments in the law.
